The dedication of the 1955 edition of the Valiant devoted itself to the footsteps of tomorrow. As we begin the next twenty-five years, we will attempt to "fill the shoes" of those who have passed before us; we will now erase, but not forget, the footprints of the past and step into tomorrow and into a new decade.

“Heaven Can Wait”

Tom Smith and Teri Garner discuss plans while Brad Stellman observes.

Brad Stellman and John Ballinger argue in a scene from the play.

"I think this is one of the best we've done. They are really getting into their parts and are enjoying their rehearsals," Tom Koehring, drama teacher and director of the senior class play, "Heaven Can Wait," stated about the production.

Premiering on November 20 and 21 in Saxon Hall, the comedy involved a prize fighter who is mistakenly picked to die before his time. Brad Stellman was featured in the starring role along with Monica Shields as Bette Logan, Mr. Jordan played by John Ballinger and Julie Farnsworth portrayed by Teri Garner.

In a sensitive moment, Teri Garner and Tom Smith comfort one another.

While onlookers watched the antics of their peers, five nervous candidates anxiously awaited Homecoming, a night when their dreams would be happily fulfilled or painfully shattered. To relieve the tension of the top five and to promote student body spirit, Homecoming week was planned. Events included a water balloon toss, a Simon Says game and an M&M eating contest.

Following the game was the Homecoming dance, sponsored by the senior class, and featuring the band Light. A raffle was also held by the seniors to raise funds for class activities. As senior class president Mark Tomlin stated, "This was our last dance and we sold a lot of tickets so we were successful, but it's important that all of the student body get involved in their class sponsored events at least. To make your senior activities fun, you have to be willing to work to raise the money beginning in your freshman year. Homecoming is a senior event that is fun for everyone, if you'll only get involved."

"Did I win?" asks Alice Beltran while Mike Cannon looks on.

Top Fifteen

Pep Squad members congratulate Kim Kamiya.

As the Saxon football team demolished the West High Warriors, fourteen girls and one guy shared an unforgettable moment with the announcement of the top fifteen. Joni Anderson, Colleen Ball, Alice Beltran, Tracy Beretta, Mike Cannon, Rhonda DeFelice, Stacey Feller, Josie Ferriera, Lindee Howes, Kim Kamiya, Cathy Mano, Wendy Newsom, Louise Ramo, Karen Sencerbox, and Lysa Stirdivant were elected by the junior and senior classes from a field of sixty-five hopefuls.

"I was really surprised to hear my name called. It was great," Kim Kamiya remarked.

Tracy Beretta felt the significance of the moment and with a grin said, "I felt that it was a very special honor. I was very excited to represent North High."

1980-1981 Homecoming Queen

As the Saxon football team ran off the field, and the lights dimmed, the crowd hushed to watch the crowning of 1980-1981 Homecoming Queen Joni Anderson by last year's queen, Leslie Hokama.

An ecstatic Joni thanked her peers and gave a short speech, saying excitedly, "I'm so overwhelmed I can't even cry. Thank you!"

While the remainder of the court; Alice Beltran, Colleen Ball, Mike Cannon, Karen Sencerbox and honorary princesses Vanja Bozovic from Yugoslavia and Susanne Bolckow from Germany, filed off the field, Joni was paraded around the track in one of the convertible Corvettes.

Along with the distinct halftime festivities was a special appearance by the Good Year blimp welcoming the Saxon football fans. Following the game was the senior class sponsored Homecoming dance and fundraising raffle.

North Prepares For Carter

As North High opened its gates for the beginning of the school year, the student body and faculty were met by trucks bearing the name Pacific Telephone or Hollywood Lighting Company; workers trimming bushes; silent men in dark suits and . . . the press.

Under ordinary circumstances the media would not have cared much for the opening of school, but this year was far from typical. While the Los Angeles School District was in the public eye because of the forced busing issue, Torrance had its own claim to fame.

The announcement of President Jimmy Carter's town meeting to be held in North's gymnasium was of major importance to all Torrance residents and was, according to North High senior, Karen Wyneken, "A great honor and a once in a lifetime thing."

Although the privilege of hosting the President instilled a sense of pride in most of the student body, many were filled with wonder and disbelief. One of the first questions asked of North students and faculty was, "Why North?" Perhaps Principal Leonard Lifton answered that question best, "I don't think the White House staff knew what school they wanted to use before they came in, they were still looking at other schools and I don't know the reason North was chosen, it's just a guessing game, but when I'm asked why, I respond by saying, why not?"

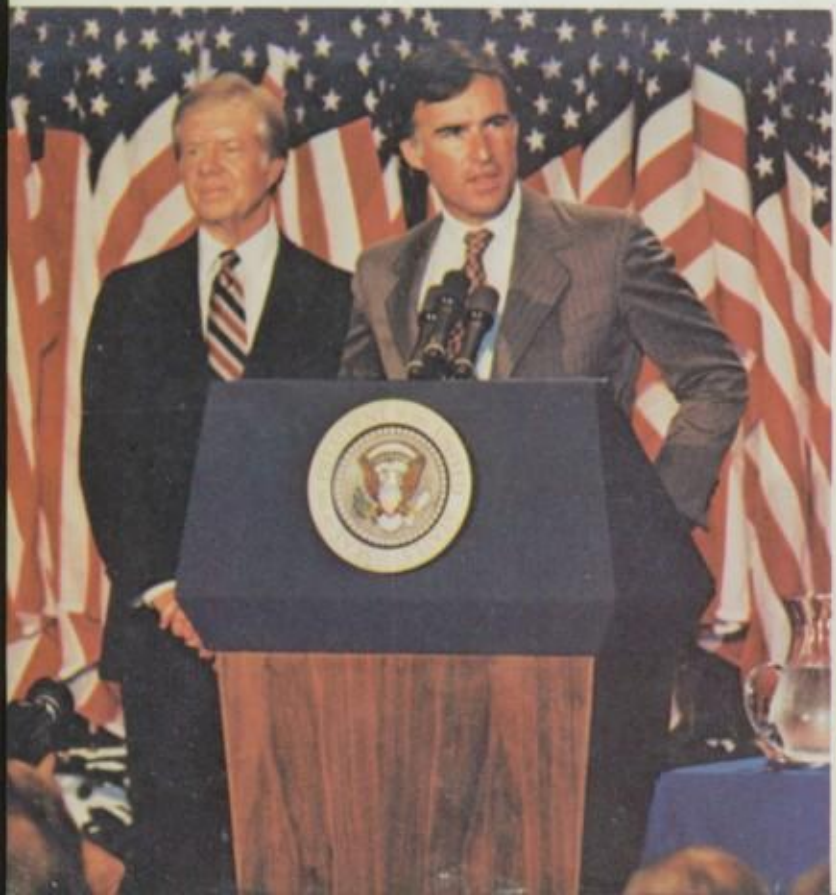

In the Saxon gymnasium and with a responsive crowd, President Carter begins his town hall meeting.

Town Hall Meeting

After the initial preparations of installing telephones in Saxon Hall, decorating the gymnasium, setting up television cameras and erecting security equipment, North was ready to receive the President.

On September 22 at 2:00 p.m., President Carter entered Saxon gym to an enthusiastic crowd with California Governor Jerry Brown by his side. As other notable political figures; Torrance Mayor, Jim Armstrong and the Mayor of Los Angeles, Tom Bradley, sat nearby, the President began his opening speech. "It's a pleasure to be here at North High, the home of the Saxons." After an exuberant response, Carter began answering questions.

As Carter concluded his town meeting, North's Pep Squad chanted, "Say hey, hey, what do you say? Carter all the way!" With a smile and a final wave, Carter responded, "Thank you Saxons."

Town Hall Meeting

Press Coverage

Heavily armed with Minoltas and Cannons, tape recorders dangling by their sides like swords, the local and international press covered the town meeting with lightning quick shutter fingers and flying pens.

Helping out with the media event were North journalism students, but, according to sophomore Rick Kissell, "I was in charge of telling the press where to go after they got off the bus . . . they were real impatient and almost knocked me down trying to get in."

Pumpkin Carving Contest

Gone were the typical triangled eyes and noses and one tooth grin Jack-o-Lanterns. Present were the rocking, "too hip" KNHS pumpkin complete with microphone, the pumpkin on the flying trapeze—a Scholarship Society creation, a few cowboys, a senior couple going to the prom and a money hungry pumpkin presented by the Future Business Leaders of America. All were part of the third annual pumpkin carving contest sponsored by the Inter club council held Halloween day. Winning forty dollars was the "swinging" Scholarship Society pumpkin which was judged on originality, neatness, and best use of props. At the conclusion of the contest, North donated the pumpkins to a local hospital.

Winter Semi-Formal

After changing the Winter Formal into a Semi-Formal last year, the band discovered because of the holiday season, this was more economical and satisfactory to the student body.

For this reason, the Semi-Formal continues and this year featured the band, Legend. The dance was held on December 12, in the Saxon Gym from 8-11 p.m., bids were eight dollars.

According to band advisor Mr. Robert Jones, attendance nearly doubled. "We made a profit of seven to eight hundred dollars, and will continue to sponsor this dance in the future."

Christmas Activities

Choir and chorus give a preview of their concert.

A large, beautifully decorated Christmas tree and a fine performance on the quad by the choir were the highlights of the holiday season.

The tree, donated by the Senior Class, was cleverly decorated with handmade ornaments.

Senior class president Mark Tomlin commented, "We wanted to have something special this year since we weren't doing the quad decorating. It was our way of saying Merry Christmas."

W.S.R. Activities

A wild week of basketball games against class officers and Student Council were highlights of Winter Sports Royalty.

The senior class took on the freshmen class in the play-offs but were defeated by the underclassmen in a close game. After the freshmen celebrated their victory, they defeated Student Council in the final moments of the fourth quarter.

Highlighting that game was the award winning half-time performance by the Drill Team who finished ninth in the national competition, Miss Drill Team USA.

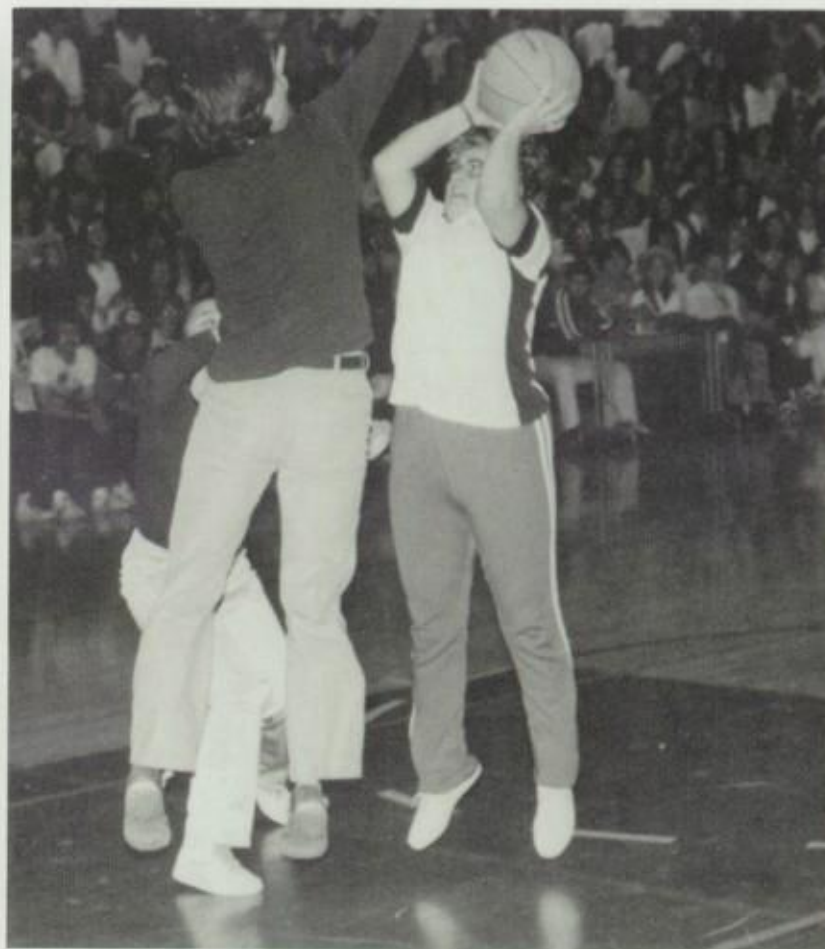

Along with the basketball games, the week's activities included a game of Musical Chairs and a run off election between seniors Mark Tomlin and Joe Gasser.

Winter Sports

"Somewhere over the Rainbow" was the theme of this year's Winter Sports Royalty.

Reigning supreme on the royal court were seniors King Joe Gasser and Queen Wendy Aoyagi with freshmen Darin Swanner, Julie Barnett, sophomores Victor Vandenberg, Cheri Morgan and juniors Keith Fujii, Yumi Takemura making up the remaining royalty.

Queen Wendy Aoyagi exclaimed, "I was really surprised, it was totally unexpected. I'm really happy."

King Joe Gasser expressed surprise also but was at a loss for words, "I don't really know what to say."

Following the crowning was a dance honoring the court featuring the band Jinx.

All School Play

On February 26 and 27, the North High drama department presented "Mother is a Freshman" starring senior Lysa Stirdivant as Abigail Fortitude, and juniors Jose Medrano as Professor Michaels, Ron Long as Bobo, and Sherri Rask as Susan.

First time performer, Lysa Stirdivant commented on her starring role. "I really enjoyed it, I learned so many things. I've never been on stage before at North in a major production. It's been an experience. I really had fun." "Mother is a Freshman" was student directed by Linda Marley and Mr. Thomas Koehring used his expertise as the faculty director.

X-mas Concert

"A Christmas Celebration" was the theme of this year's winter concert, chosen because of the occasion and because it was the title of the closing number on the program.

The concert band and choir members performed for an audience of about four hundred, and band advisor, Mr. Robert Jones called it, "A very good performance for the first time of the year."

Other concerts which the groups put on were the pop concert in March and the Spring concert in May.

The choir and chorus perform their opening number.

Sadie Hawkins

Girls roped guys for the 1980-1981 Junior class sponsored Sadie Hawkins. With refreshments, picture packets and the band, Jades; the guys, who were treated to all expenses by the girls, enjoyed the role reversal. Said one happy male, "This is the life!"

The theme was "A lil' bit o' country" and Junior class president Aileen Okuno had this to say, "Hopefully everyone enjoyed themselves. We were happy with the turnout and glad to see everyone had 'a lil' bit o' country' in them for at least one night."

Danny Glessner and Karen Liebsack get hitched.

Dance Production

Fancy footwork was a part of the dance production, Dance Odyssey, held on January 28 and 29. Comprised of fifteen numbers, ranging from Josie Ferreria's Dance of the Sugar Plum Fairy to the punky skit done to Rubber Biscuit, choreographed by Gina Gaetani.

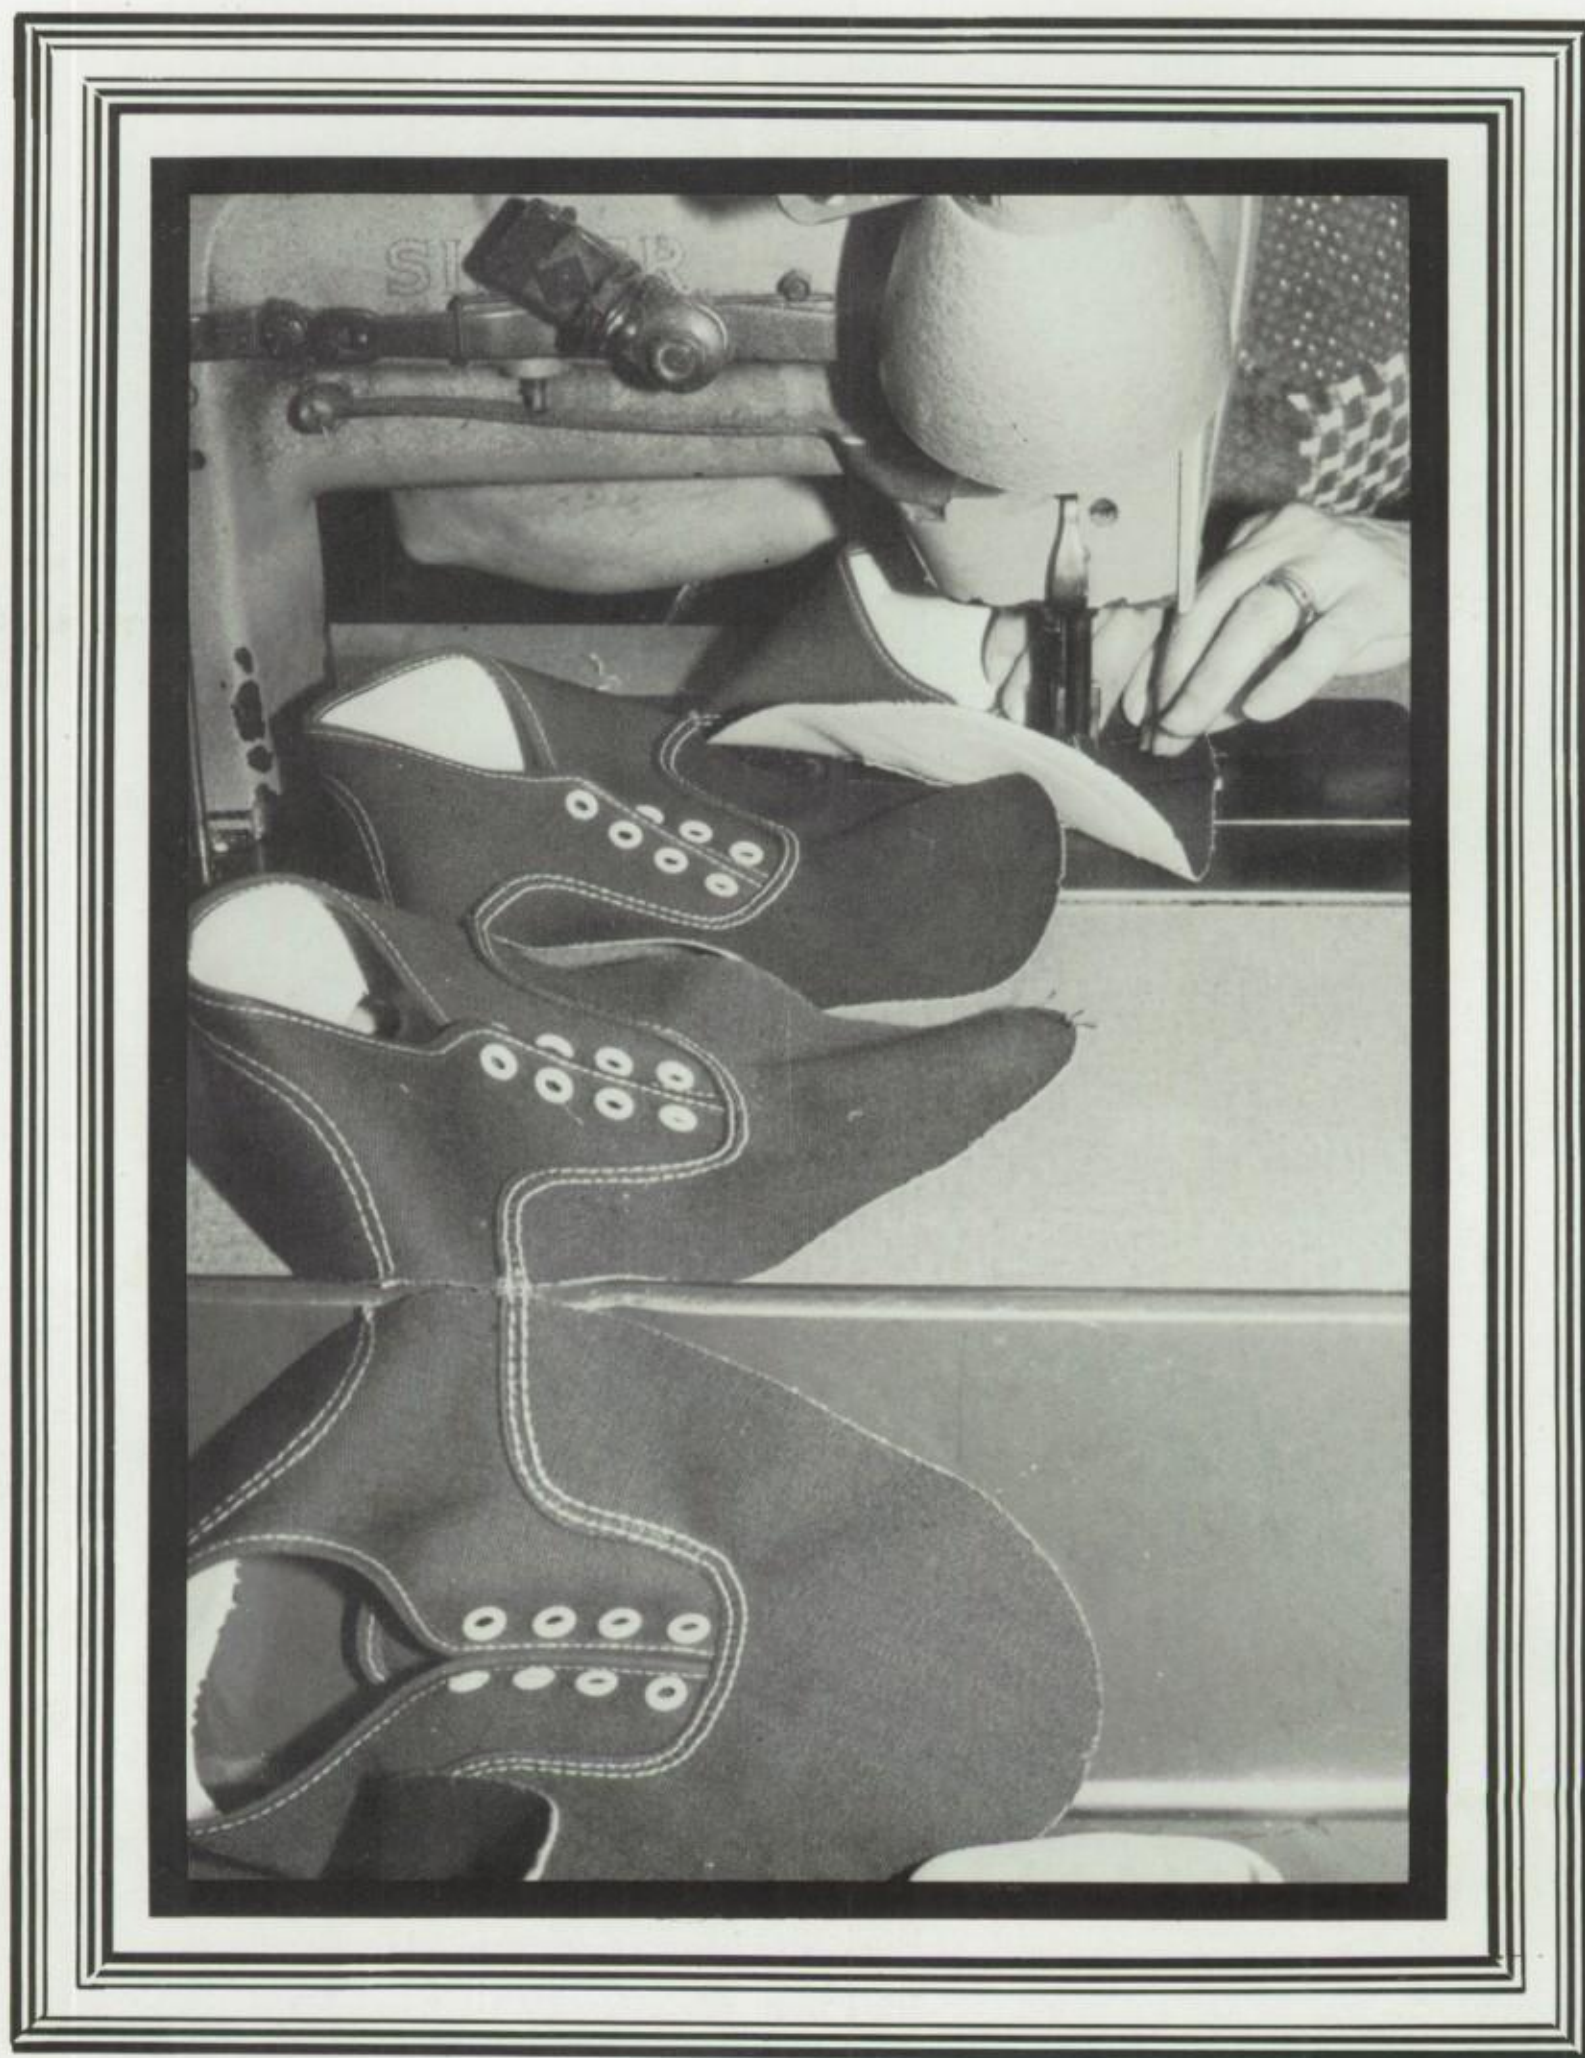

As well as having unique routines, the dancers made beautiful original costumes and practiced many long, late nights. However sophomore Jesse Dumapias said "at the end it was all worth it."

The first "step" in the making of a shoe is like the first year of one's high school career. A real adult is beginning to be formed but the "sole" is not yet complete. There is a definite shape but the whole shoe has still a ways to go.

The class of 1984 stepped out with high spirits as they attended the Welcome Back Assembly and walked away with the coveted Spirit Stick. During the year they continued to display their spirit with the help of their leaders; president Shawn Buniel and fellow officers; Cecile Wong, vice president, Teiko Nishi, secretary, and Debbie Nishizaka, treasurer. A new advisor, Mr. O'Brien, was instrumental in making the freshmen class get organized and earn money toward the activities of their senior year.

ACADEMICS

Career Center/SCROC

Mr. William Haase assists with career guidance.

Pamphlet samples

Assisting in the important decisions of the future is the resource room called the Career Center. Manned by Mr. William Haase, the Career Center houses many valuable books on colleges, careers, and alternatives to continuing education.

In addition to those reference materials, the Career Center is open for students to obtain work permits and is part of the Work Experience Program.

Production art student Thomas Henderson.

Another valuable aspect of the academic life at North is SCROC. The Southern California Regional Occupation Center is a learn by doing program. Students are able to take courses like Cosmetology, Advertising Design, Data Processing, and Medical Clerical Services which are not offered at North. Credits are earned, as well as experience and knowledge of the various fields. This can aid a student in finding the field he wishes to go into, or it could simply help him obtain a summer job.

Senior Brenda Glanner learns office occupations.

Summer Studies

Kashiwa

Perhaps one of the most beneficial academic experiences is learning about your own culture while studying abroad. North High senior, Gary Sakamoto was one of the few who was allowed to go to Kashiwa, Japan this past summer.

As part of the sister city exchange program, North as well as Torrance, South, West and ElCamino sent students.

While in Kashiwa, Gary visited temples, various factories, and toured cities as well as just generally savoring the flavor of the land of his ancestors.

"I thought it was really crowded," Gary admitted, "And you had to use trains."

Aside from the overcrowding, Gary noticed that the drivers were on the wrong side of the road, and America was the "in" place.

"They like Western fashions, Mickey Mouse, really anything about the United States, even Frisbees, rollerskates and rock and roll."

Upon returning to the United States, Gary encourages all of those who have the opportunity to apply for exchange programs to do it. "It's a really good experience."

Boys and Girls

State

Karen and fellow Girls State members at orientation.

While most people were catching the rays, lounging around at the beach this summer, seniors Marcus Edep and Karen Sencerbox were in Sacramento representing North at Girls and Boys State.

Eligible to qualified seniors, this program allowed students to participate in lawmaking procedures.

"The whole thing they stress is a learn by doing; living the whole process," Karen remarked.

Tying for one of the top honors at Boys State, best city, was Marcus Edep. About the program in general, he commented, "It's beneficial even if you were not that involved, you benefited in it."

Highlighting their trip was a visit to the Capitol Building where they met Governor Jerry Brown, and where they saw what they had learned put into action.

A living doll, Debbie Witkowsky, in her Halloween costume.

Alternative Program

Learning contracts, community involvement, individualized conferences and self-paced learning are all a part of North's Alternative Program. Truly unique, APN is an effective option to the standard classroom education where the students learn at their own rate and in a manner that is casual and unstrained but by no means easy. "We have contracts and we have to do our assignments according to them. It's not easier than a regular classroom, you have to be self-motivated but the work is more fun. We learn different things in a different way but APN is great," commented sophomore Kyle Beatty.

Courses in Social Science, Physical Education and Personality Awareness are taught by Richard Rose while Carole Shakely is in charge of the English and Fine Arts classes.

North's yearbook team deliberates over layout.

The click of typewriter keys was what was heard on February 21, at the Southern California Journalism Education Association writing competition held at North this year.

This was the Southern California region qualifying round before the state finals held at Redondo Union in May. North journalists who qualified by placing in the top fourteen of their events were sophomore Rick Kissell (sports), seniors Teri Boenhlein (feature), and Debbie Cellery (editorial). Cartoonists junior Kevin Kiyan and senior Russell Lee also qualified.

The other aspect of the competition was the photograph and yearbook categories. Senior Tom Matsudaira, last year's state winner, and junior Robert McFetridge competed as photographers while the yearbook team was made up of editors April Abe and Nancy Nozaki, junior Paula Hom and senior Carol Sakaguchi. Although North won second in the regionals last year, they did not place in the top three this year, but were invited to attend the state competition.

"We didn't win anything but I think everything we did was the best that we could have under those circumstances. I'm satisfied and proud of Paula and Carol, who, for their first time did exceptionally well-with all my yelling," April Abe remarked.

Foreign Exchange Students

As a means of enriching their education, foreign exchange students, Vanja Bozovic from Yugoslavia and Susanne Bolckow from Germany, attended North High under the programs of American Field Service and Youth for Understanding, respectively.

Staying with Mr. and Mrs. David Nickel, Susanne discovered the ways of American teenagers and some of their activities. "Football is absolutely new to me, and at the first game, when I didn't understand it at all, I watched these funny girls jumping and yelling in front of the crowd. Now I understand it much better and can catch some of the school spirit."

old Spang family, also discovered American teens and the importance they place on athletics. "I see that sports and competitions are the most important things. Football is number one, and everything revolves around that."

As the school year began to come to a close, both girls were grateful to the students and teachers alike. "I want to say thank you very much, for all the nice things you've done for me to make me feel more comfortable. I like North High; I can't imagine any nicer school for an exchange student," Susanne remarked.

Vanja also praised North saying, "I am proud to belong to North High, where I had the opportunity to shake hands with President Carter, and to be an honorary princess of the Homecoming court. That was a great experience for me. Thanks a lot to all of you."

Members enjoy lunch before AFS meeting.

The chance to study abroad is a once in a lifetime experience, one that is possible with the help of the American Field Service organization. Sponsored by Mr. Ray Brown, this club offers an extension of standard academic studies. Students who do not go to another country to study, have the opportunity to meet the school exchange student; the student from the AFS organization this year is, Vanja Bozovic, from Yugoslavia. Along with fundraisers and participation in the ICC carnival, the AFS club sponsored an International Day, where exchange students from the area have come and talked to classes about their country.

Listening intently to the president, is Carol Cribbs and Vicki Reed.

Achievement Awards

Recognition of excellence in every area of the curriculum is the purpose of the Achievement Awards. Outstanding students in academics, athletics, and extracurricular activities were honored by being nominated by their teachers. From the select groups below came the winners—three certificate winners and a certificate and a trophy winner. The honored students were given a banquet in May.

California Scholarship Federation

The California Scholarship Federation is a club comprised of students with a record of high academic achievements; these scholars must have at least 3 A's and one B on their semester report card. Graduating seniors who maintain this standard of excellence for four semesters are distinguished with a gold seal on their diploma and a gold tassel on their cap.

Although the members of the Scholarship Society know how to study, they believe that fun must also be incorporated into their schedules. A weekend trip to Crestline during semester break, proved relaxing, a trip to Disneyland funfilled, and visitations for seniors to various universities informative.

"I've been in three F.B.L.A. competitions," F.B.L.A. advisor, Karl Wanous, mused. "The first time I participated there was a school that had all sorts of advisors, and they were winning big; like twenty-five awards. I've always wondered since then how it would feel to take home those kind of awards." He found out.

"And it was the most exhilarating feeling," Wanous concluded after watching the North High F.B.L.A. team take twenty-two awards in various categories, including the Parliamentary Procedure event, at the 1981 F.B.L.A. Southern Section Competitive Events Conference on March 28. Sixteen Saxons became eligible to attend the state finals in Sacramento in May.

SERVICE

Student Council

During the first semester, I held the office of A.S.B. president. Together with Council, we worked on different projects such as the Welcome Back Assembly, Homecoming, problems with litter, and having The Senior Section of the yearbook in color. Main projects planned of second semester are Winter Sports Royalty, and a major fundraiser—a dance-a-thon.

Student Council is not fun and games. It's an organization that takes pride in its work and works together. You have to be very responsible and very dedicated. The work we do for the student body makes us feel good inside especially when it's appreciated.

North Wind Staff

"I think the most important thing that I've got from the newspaper is that it's improved my grammar and my spelling incredibly." Senior and page four editor John Hall admits when asked about his feelings about being a North Wind staff member.

However, more truthful staff members such as page one editor, Jeff LaTendresse, said "We're just like one big family. We had our ups and downs, especially on deadline days, but we give it all we can and that is all that really counts."

Most other members agree. Page two editor Debbie Cellery declares that the staff sticks together to produce a paper Saxons should be proud of. And first semester editor Cathy Myers, believes, "We all have a certain camaraderie that makes it all worthwhile."

Producing twelve issues of the paper was a new experience for most staff members since there were only three returning writers. Led by sponsor Guy R. Old, Jr., the small staff tackled the President Carter town meeting and many other events. In the end inexperience didn't hurt the North Wind as first-time staff members—Hall, LaTendresse, Robert Hertz (page three editor) and April Abe (managing editor second semester) took on editorial positions.

Julians and Valiants

Service with a smile, that seems to be the motto of the school and community organization, the Julians and Valiants. Doing various outside services such as helping visiting the Earlwood Convalescent Home, working and practicing with the participants of the Special Olympics, decorating the Torrance Rose Float and many other activities; they also have aided the school by working along with Student Council blowing up balloons for Homecoming and hosting a New Students party, at the beginning of the year. Although very busy helping others, the J's and V's also helped themselves to plenty of fun. A weekend trip to Crestline, softball games against other schools' service clubs, many parties and outside activities were just a few.

Saxon Club

Dedicating themselves to the improvement of community services are the members of the Saxon club. In past years, money earned from the selling of stationery has gone to the Torrance Burn Unit, South Bay Children's Clinic, and food has been donated to needy families in the area. This year plans were made to help the South Bay Mentally Retarded Childrens Center. On the lighter side, the club participated in the ICC carnival held at the end of the year and donated money for two trees to be planted in front of 400 wing, plus various social activities. Led by juniors Marie Knapp, vice president Dee Dee Prescott, and sophomores Terri Vermeulen, secretary, and Carol Knapp, treasurer, the Saxon club accepts all grade levels for membership; the only requirement being the willingness to donate time. President Marie Knapp commented, "The club is different from others. Instead of things being just for members, the club helps charity. We like to help people who need help."

Xanadu

Of North's three major publications, Xanadu is the only one designed for the creative talents of the entire student body. Students of all grade levels have the opportunity to submit works of art, original poems or stories for review by the Xanadu staff. The best submitted works are then chosen and published. With sponsor Ms. Lindie Banks and Carole Shakley, the editors are Florence Lee and Laura Mueller who work with the philosophy of Virgil (70-19 B.C.) "Do not commit your poems to pages alone. Sing them I pray you."—and work toward the dream of John Lennon, "Imagine all the people living life in peace."

Inter Club Council

Inter Club Council means united!! This organization consists of one representative from every club and organization on campus. Led by Commissioner of Club Coordination Tracy Beretta—this group involves themselves with united school activities such as the Pumpkin Carving Contest and the I.C.C. Carnival and they also involve themselves with community projects such as Boy's & Girl's Camp, Toy's for Tots, Food Can drive and donations to hospitals. They are a very active group that dedicates many lunches to make their efforts a success.

Concert Band

How do you distinguish the best musicians in the marching band?

The answer—put them in the concert band. These fine musicians perform at school events such as graduation and baccalareate and give concerts, as well as accompany the choir and chorus at school functions.

Mr. Robert Jones, band director, commented on his top musicians. "The concert band, although young, shows great promise for the years to come. The improvement they've made since the beginning of the year is great. It will be hard to see some of the finer musicians Karen Wyneken, Jennefer Jones, Barbara Bayles, and Daniel Cooper graduate but Sandra Geletko, Richard Schultz and Denise Hinckley are excellent and upcoming players."

Marching Band

"I've heard of big families, but 75 kids to one father is ridiculous. But that is exactly, what Band is, a family. Under the guidance of Mr. Robert L. Jones, the members of this year's band did a lot of hard work. Split into 3 major groups; the football band put on many fine half-time shows, the marching band participated in the Camarillo Band Review and the Armed Forces Day parade; and the concert band put on four concerts, went on tour to San Francisco, sponsored the Winter Semi-formal and was honored by playing for President Carter.

It's been a productive, fun filled year, and I'm glad I was a part of it.

Band Auxiliary

"It's an experience and you really learn a lot" Captain Debbie Witkowsky said about the band auxiliary.

As well as performing at North football games, pep rallies, and parades, some members were on the team at El Camino College.

Along with thirteen members the band auxiliary is comprised of two majorettes, Joni Sugimoto and Debbie Hornstra and two banners.

Beginning the school year with the superior trophy at camp, the tall flags went on to place in parade competitions.

Yearbook Staff

Hard work, late nights, early mornings, angry tears and many fun times went into making this book. Through it all the staff was like a family—in all respects. I'm very proud of what we've accomplished and grateful to our wonderful advisor, Mr. Gary Parton, who, when the tension overflowed, would call me Doo-Doo and make an off-the-wall joke.

I owe much to Nancy Nozaki who was the more carefree editor and the one I could always count on for a smile. I congratulate and thank this staff from the sole of my shoe.

I'll always remember.

Working on the 1980-81 yearbook was an experience that I will never forget. We had our ups and downs, but in the end everything turned out right. But this would not be true without the support of the whole staff and our advisor Mr. Parton, when he wasn't busy panicking.

I'd like to thank the whole staff, the photographers and Mr. Parton for making the yearbook what it is today. But most of all I'd like to thank April Abe for her dedication as editor and copy writer of the book.

Congratulations to the finest staff I've had in three years. Their imagination in developing the theme of shoes was culminated by a trip to the Vans Shoe factory in Anaheim. Reorganization of the sections has updated the Valiant and the professional job done by the co-editors April Abe and Nancy Nozaki created a new level of excellence in the book. Many thanks to the fun-loving staff who, with great calmness, was always working. A special thanks goes to the administration for the freedom they gave in the creation of this book and their secretaries who, with neverending smiles, were always willing to help.

Yearbook Photographers

This year our photographers put in a valiant effort in completing the annual. In addition to pressures from our editors and deadlines, we had surprises like the Presidential visit.

All in all, the photographers came through in the clutch.

Turning your FM dial you may have come across the North High radio station, KNHS. Run completely by students, the radio station, found at 89.7, plays new wave, rock and progressive jazz, along with the broadcasting of the home football games every Friday night. KNHS is on the air during school hours and at night from six to ten; all disc jockeys must be licensed and are free to play the type of music they enjoy. Anyone may contact the radio station during business hours by calling 323-KNHS, and those who have ideas for the organization are encouraged to call in. "We try to program the shows to the student body's desires. Any suggestions or requests for music are greatly appreciated," Mr. John Reynolds, sponsor, stated.

Monitoring the air waves is disc jockey, Ken Kobel.

Staff members pick tunes to play.

Varsity Cheerleaders

The large Varsity squad had a great year, in competition as well as at North High. "Varsity really had it together this year. It's been just about the best year so far for N.H.S. cheerleading," said Josie Ferreira, captain. Alice Beltran, second semester captain, added, "Even though the squad is large and has lots of new members, we really excelled in every way."

Although the two squads were separate, the girls all became very close; together, they lifted the spirit of the North High Saxons to the top.

1980-1981 Junior Varsity Cheerleaders

The Junior Varsity squad did a great job of supporting the Saxon team, "pepping up" their fellow Saxons, and on top of all this, did well at competition. Led by Kerry O'Brien, Jessie Dumapias, and Denell Farley, the Junior Varsity Cheerleaders were an important aspect of being a Saxon.

Flags

Driving up the crowd with their Saxon spirit and enthusiasm were the flag twirlers, Tracy Beretta, Leslie Collins, Chris Fernandez, Kendahl Rasnick and Leslie Tanimura. Throughout the year, the squad's five members participated at pep rallies, competitions and athletic events. Their smiles, showmanship and outstanding performances won them various trophies and recognition as they represented North High. Together, they cheered North on to victory and shared some of the best moments of their high school years. Twirler Kendahl Rasnick stated, "I will always remember my two years on pep squad as enjoyable and fun, but a lot of dedicated work. Being a flag twirler means communicating with people, working with others and accepting new challenges, and I've loved every moment of it."

The songleaders, Wendy Aoyagi, Colleen Ball, Gina Gaetani, Sharon Gutierrez, Lindee Howes, Shino Nomiya and Karen Sencerbox, won various awards at summer camp and other competitions throughout the year. They helped promote school spirit with dance routines, skits and game-time cheers. Long hours were spent choreographing and perfecting routines for pep rallies and half-time performances. Three year pep squad member, Gina Gaetani, reflects, "Gaining new friends and accepting responsibilities are just a part of being a song leader. It's a great experience and I'll always remember my years on Varsity pep squad." Captain, Karen Sencerbox said, "I've greatly enjoyed my three years on pep squad. Pep is more than 'just fun' as most people believe, it is also a learning experience. We learn to cooperate with others, and to be responsible for ourselves. Pep squad is INCREDIBLE and I'm glad to say I've been a part of it."

SOPHOMORES

Sophomore Class Officers

Kerry O'Brien, secretary

"The class of '83 has to be the most spirited class in the whole school! We're awesome!"

Darin Kato, vice president

"The sophomore class of '83 is the greatest, most spirited class here at North High and I'm sure it will stay that way. I'm so glad to be a part of it."

In the second year the making of the sole of the shoe begins. The final touches have been made of the outward appearance, but the inside is still being formed.

Guiding the sophomores, who have begun their journey down the assembly line, were president Karen Liebsack, vice president Darin Kato, secretary Kerry O'Brien, treasurer Paula Nogueira and advisor Mr. Gerald Smith.

The sophomore class representatives are: Jim Beedy, Paulette Bourette, Karen Canzone, Alisa Davenport, Sandy Freeland, Sue Jang, Renee Jimenez, Larry McKinney, Jin Nishi, Helen Ota, Randy Parlar, Laurette Perrira, Deidra Roberts, Michelle Schiller, Jeff Spelatz, Mark Tuckett, Jamie VanWormer, Margaret Walsh, Sandro Winkworth, Rex Wong, Lisa Wyresdick, and Nancy Yowell

Sophomore Football

On the sophomore level, the season was fair with a record of 3-6.

Coach Kelsey Baughman stated that although there was a small turn-out this season, "the players had a good attitude and a great deal of desire. A real pleasure to be associated with." Assisting with coaching duties were Rob Richman and Eugene Hori.

Key team players were Darren McClelland, Eric Nakamura, Steve Jonas, Danny Torres, John Graves and Jeff Meier (QB) who completed 73 out of 140 attempts (864 yds.) and 7 touchdowns.

1st row—John Nicosia, Eric Nakamura, Mark Redmerski, Jeff Menard, Bobby Losser, Bill Senner, Oran Jackson, Mike Bell, 2nd—Jim Belch, Larry McKinney, Darin McClelland, Vito Adomaitis, Ricky Jackson, Cheol Jin, John Graves, Steve Jonas, William Hooper, 3rd—Greg Heimerman, Steve Woodell, Blaine Kemplin, Ken Blaire, Andy Mensink, Frank Ramirez, Jeff Meier, Dana Huffstetler.

Freshman Football

"Don't count these kids out. Fine coaching and a little hard work will bring them to the number one position, I guarantee you," freshman coach James Stephens predicted after a less than victorious season. (1-8-1)

Inexperience on the part of the player and coaches (Stephens, Jim Booth and Kirk Bennett) plus several injuries hurt the young team whose standouts were Darren Costello, Jeff Jelski, Kyle Kamiya, Matt Foskett and Darren Swanner.

1st row—Ben Saylor, Scott Craig, Mike Reid, Bill Perkins, Alan Toji, Tim Smith, Kevin Aoyagi, David Bentley, Jack Sole, Steve Moore, Kevin Newkirk, Danny Romero, Steve Liebsack, Jerry Jackson, 2nd—coach Bennet, Mike Molinelli, Ruben Magana, Mark Agan, Joe Bruscino, Brian Sterling, Geoff Pasek, Doug Huffstetler, John Umekubo, Rodney Trammell, Joe Toledo, Jeff Jelski, Vance

Uyeda, Kyle Kamiya, coach Jim Stevens, 3rd—Neff Siu, Carlos Mejia, Darin Swanner, James Brown, Jeff Erickson, Jared Johnson, James Maynard, Mark Cellery, Ron McCoy, Art Grajeda, Jon Oka, Troy Fraser, 4th—Jessie Ramirez, Mike Baldwin, Bob Bass, Paul Sesto, Tim Bradley, Matt Fosket, coach Tom Booth, Dennis Chance, Sarmis Lutens, Jay Horn, Darren Costello.

Varsity Football

On September 11, 1980, the Los Angeles Times asked, "Will the North rise again?"

Time has answered that question as North has, like past years, become the most feared football team in the South Bay.

After a decisive victory over the South High Spartans, 25-7; due in part to notable plays by Dave Fitzgerald, Jim White and Darrin Meier, North advanced to the C.I.F. playoffs against the Westlake Warriors, beating them 10-7, on a field goal by Dana Ramsey; as well as by the fine plays of James Harper, Angel Ayala, Gabe Casillas and Richard Strong, with defensive players Dave Fitzgerald and Kevin Uyehara, the unyielding Saxons prevented further scoring by the Warriors.

In the final game against Long Beach Poly, North was defeated 24-3. The loss of top players, Gabe Casillas, Frank Forester and Joe Gasser may have been detrimental to the Saxons, but Coach Schmitz does not hide behind the fact. "Injuries ended up finishing us off; however, people came in and played well all year when other injuries and illnesses arose."

The mighty Saxon football squad ended their year with the most wins in a season, 9-3, as well as setting 9 school records.

"It will be tough to improve on this group of people. They are the greatest bunch of players I've ever had the opportunity to work with. All I can ask is that the future lives up to their example," Head Coach Schmitz said.

Along with Coach Schmitz, the coaching staff consisted of Don Albin and Dave Cohnline, Bill Petters—linebackers, Corky Wyrick—wide receivers and Dave Sanders—defensive line.

Finally when asked of his personal feelings on the team, Coach Schmitz replied, with the respect due to such a fine team, "I couldn't be prouder. They, as a group, made commitments, worked hard and earned everything they received. I'll never forget the 1980 season or the players who made it."

JV Girls Volleyball

"I believe we'll go all the way!" was the prediction of senior Chris Czarnowski but the junior varsity ended their season 4-7.

Most team members enjoyed playing the game and gained experience which will make next year a successful one.

However, not all players were interested in volleyball as Natalie Bland proves, "During a time-out water was passed around in the bottles. I squeezed out the water and completely missed my mouth when I saw a cute guy on the bleachers!"

1st row—Chris Czarnowski, Sheila Fosket, Nancy Bryant, Julie Held, Natalie Bland, Sherri Graczyk, Kellie Mullikin, Becky Mowery, Margaret Walsh, Myra Samuelesz, Loretta Forster, Amy DeJong, Debbie Turner.

1st Row—Debbie Wiscombe, 2nd—Becky Divinski, Sue Glomboske, Leslie French, coach Julie Timm, 3rd—Mary Walsh, Kathy Woods, Becky Gaede, Lori Boston, Lisa Richmond.

"Fabulistic" was the word coach Julie Timm used to describe the varsity season after they won their opener against West High.

Taking third in the Hawthorne tournament was another highlight of the season which ended 4-9.

Junior Becky Gaede was called "the girl to watch, not only for her hitting but for her blocking at the net" while senior Sue Glomboske has "control and keeps the team in good gear," according to Coach Timm.

Sophomore Lisa Richmond was brought up from JV to help out after injuries plagued the team whose strengths were Gaede, Glomboske, and Becky Divinski.

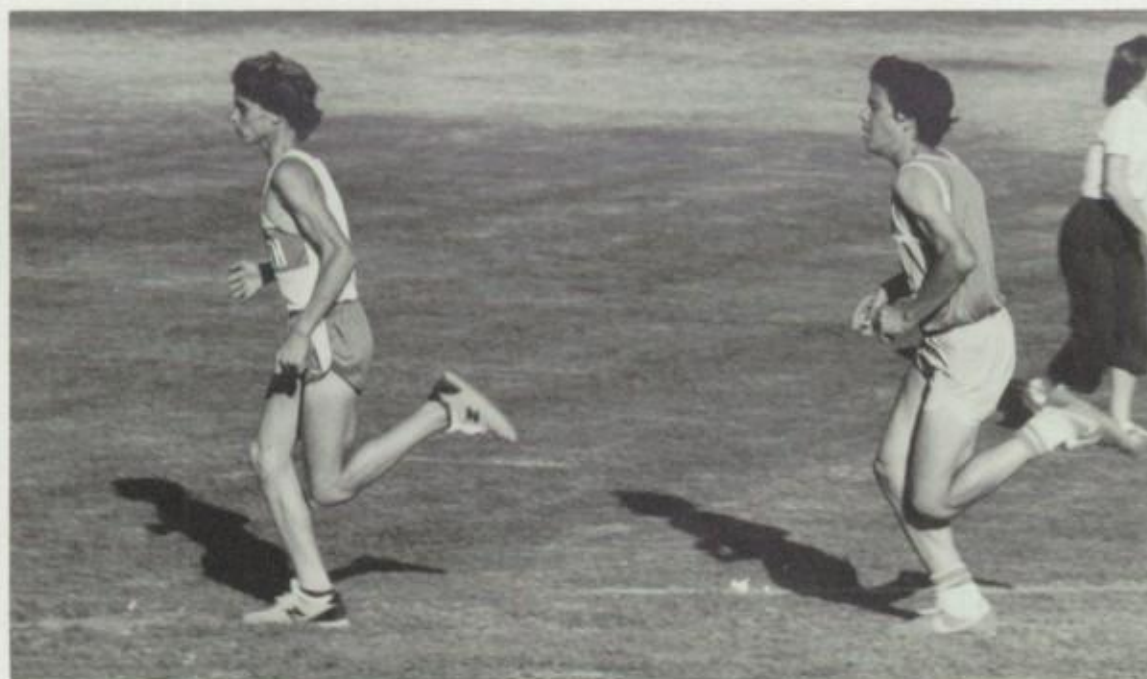

About the season as a whole, Sue Glomboske said, "I really enjoyed this year a lot!"

Varsity Boys X-Country

"We are better partners, than we are runners!" Dennis Hecker (*Most Valuable Varsity Runner*) exclaimed. However, that fact can't always be true as the squad highlighted their season with perfect scores over Santa Monica and Centennial. After being moved up into the tough Bay league, the team ended their season 4-3, but also had their best dual meet season in six years, with the help from Julio Soto, Bud Ross and head coach, Don Kasten. Outstanding runners include Dennis Hecker, Dennis Sullivan and Erick Soto. Special recognition also goes to freshmen Malcolm Frost and John Maemura who, according to coach Kasten, "... were both Varsity runners, something rarely seen."

Bottom row: Don Ashimine, Diaroos Asharin, Erick Soto, coach Julio Soto. Top: Dan Neuenswander, John Sullivan, Dennis Hecker, Brent Allen.

J.V. Boys X-Country

Ending the season, 5-2, the Junior Varsity squad holds promise for the Varsity team next year. The freshmen team ended 0-5 and the sophomore team finished their season 4-3. Looking to the future Coach Kasten emphasizes the need for summer training, "Try to build up good mileage in the summer. Dedication, discipline and miles and miles of training." Top runners for the J.V. squad were junior Chris Hall and senior John Muniz, as well as Brent Allen, Don Ashimine and Steve Kuhn.

Although the Junior Varsity team had a record of 3-4, experience was what was won after a long season. Top runners, Rhonda Brooks and Marcie Ortega led the team in times and were important factors in North's near victory (21-28) over Palos Verdes. Other top JV runners were Tracy Callahan, Susan Nishiyama and Elena Chabollas.

Senior Lynn Haskell goes through the gate at El Nido.

Top runner, Louise Romo, leads the pack.

With a season record of 6-1, Louise Romo once again led the Saxons as they qualified as a third place team in CIF. Running consistently throughout the season, Louise broke course records at South, Centennial and North and was the league champion. City Gomez, the number two runner missed league finals because of an operation, and according to Coach Kasten, "The girls suffered a mental letdown when City was lost for the season."

Along with Louise and City, other top runners were seniors, Lynn Haskell, and Kathy Doolittle, sophomore Julie Setting and juniors Kathy Ross and Karen Loeser.

Boys Varsity Soccer

Once considered the best team in all of CIF, North High soccer had a lot to live up to. Led by coach Harry Bald, and senior captains Jeff LaTendresse and John Hall, the Varsity squad looked almost as impressive as they once did, in their first practice meet against Redondo, winning that 4-3. "We have good talent, are hard working, and working on a winning attitude. This team has the potential to make the CIF playoffs," Coach Bald predicted early in the season. Senior Dan Ogi, juniors Gary Gorski, Mike Sandoval, Dale Ervine, John Martin, sophomore Kevin Pabon as well as Hall and LaTendresse were the major starters for the tough Saxon team. Focusing on the competition is the main objective of all sports, and soccer is no different, but to senior, Buzz Menard, "The sport is also a lot of fun."

Led by Victor Vandenberg, John Faragallah and Malcom Frost, the Junior Varsity squad defeated the Redondo Seahawks 3-2, in their first pre-season game. Coach Rick Inman attributed that win to the tough defense, which has held the team together through a long wet season. Playing in the rainy weather and muddy fields are a part of the game of soccer, and sophomore Steve Carr, devotedly called it a "challenge."

Bottom Row: Dave Cuble, Joseph Cho, Bill Pekins, Ken Carr, Jeff Howes, Barry Thele, Kevin Aoyagi, Top Row: Coach Earl Hon, Jeff Menard, Shawn Buniel, Robert Terry, Kenny Blaire, Sandro Winkworth, Ryan Momita, Rick Kissell, Jin Bownan.

Frosh/Soph Soccer

Unfortunately beginning their season on the wrong foot was the freshmen/sophomore team. Losing to Oak Park and Loyola were bitter defeats but through those losses the young team gained experience which could make this team of the future, once again, the top CIF squad.

Girls J.V. Soccer

Intense training goes into soccer and the Junior Varsity team worked hard this year to build itself into a winning team in the future, after an experience gaining season.

Some team members enjoy the rough side of soccer as Cindy Huggins proves by saying, "It's fun to make everyone eat the dirt."

Coaches Wendy Miller and Nannette Napoleon worked the young team with hopes of a good Varsity team in the years to come.

Bottom row: Cindy Huggins, Inga Oamil, Renee Jimenez, Alicia Vallin, Michelle Warfield, Brenda Bart. 2nd Row: Valerie Gonzalez, Apryl Tsuda, Laurie Hanson, Tish Appell, Darlene Olsen, Kristi Detlefsen, Stephanie Gonzales, Coach Nannette Napoleon.

Varsity Girls Soccer

"We can plow everyone over" predicted junior Keri Geverink, but as the soccer season commenced, that proved untrue.

At the South tournament North lost to West in the first round 4-1. With the outstanding player being Janelle Hughes, who according to coach, Wendy Miller, "Has exceptional defense ability."

With three starting freshmen, the team is very young so the future, in girls soccer looks bright.

Other outstanding players include Nadine Kozak, Cheri Morgan, and Keri Geverink.

Janelle Hughes battles with fearsome determination.

Varsity Girls Tennis

An extremely late start and a new coach, Dave Mahoney, made the first match of the season a learning experience for the girls tennis team. With only five days of practice before the first practice match and only six returning players, the team began their season against South and a win against West for a 1-1 record. At the conclusion of the season their record stood 4-9.

Commented Coach Mahoney "The girls have the ability to win they just have to change to a positive attitude." Senior Deborah Cellery agreed adding, "We have a lot of experience within our team, and if we could have extended our talent I think we would have gone all the way. I just want to thank all the members for being so high spirited, winning or losing."

Top tennis players this season were Susan Wada, Marilyn Wada, Mari Uchida, Donna Danbara, Debbie Cellery, and Jo Takeyama.

J.V. Girls Tennis

"I think our biggest asset was our coach. He worked with everyone individually and really cared," Junior Robyn Rold stated about Junior Varsity tennis coach, Dave Mahoney.

Although the season was not successful by final league standings, the girls learned the basics and increased their abilities greatly. The experience they gained will be instrumental in making the varsity team a winning one next year.

The top players on the junior varsity squad were Karen Yabata, Kim Tsujimoto and Gloria Osa.

Varsity Boys Basketball

Returning lettermen Russ Halleen, Randy Vickrey and Richard Richter added the touch of experience the varsity squad needed to make the basketball season a successful one.

Although faring below par in the Beverly Hills tournament, this did not stop the strong team from doing well in season play as they defeated tough opponents, Inglewood in over-time, 71-70. Although losing to Aviation, the cagers beat cross town rivals, West High. Highlighting the season was the victory over P.V. (51-49) giving P.V. their only loss.

Throughout the season, the Saxons were led by Halleen, Vickrey, Richter, Jim Dosland, junior Paul Felski, and sophomore John Nojima.

Coach Russ Bierley praised his team saying that everyone improved and worked hard but the main objective was to learn to work together as a team.

Sophomore John Nojima goes up for two points.

Senior Russ Halleen brings the ball back into play.

Early in the season the junior varsity team was undefeated due to their nerves of steel; as they came out victorious against Culver City and Aviation, both games were see-saw battles, and forced coach Don Albin to say "The team is doing very well in the clutch."

At the Culver City game, junior Steve Lee sunk a 10 foot jump shot which won the game 41-39. Another outstanding performance came from forward Walter Lapovich who snatched 1- rebounds.

At Aviation the Saxons won 44-40 in the fourth quarter. Outstanding players were Kenny Garner, Brian Frasquillo and Walter Lapovich.

Sophomore

The Sophomore team coached by Rich Rosato, although not very successful in the Torrance Tournament, gained experience in league play which will help this team in the future.

Sending two teams, North I beat Lawndale 52-38 but lost to Inglewood 75-66. North II lost to Inglewood 65-34, beat Lawndale 55-42 but lost to Morngingside 52-40.

L to R: Mike Sakamoto, Tracey Inaba, Richard Mahoney, Duane Caveney, Jin Nishi, Ricardo Gutierrez, Scott Keschull, Cesar Constantie, Gregg Heimerman, Jim Beck, John Baldwin, Brian Fisher, Darin McClelland, Trung Le, Andrew Lai, Coach Rosato.

Freshmen

North's freshman team with new coach Dean Mayeda, had a fairly successful season with help from leading team players, Marc Cellery and David Taylor.

Losing to Culver City, 42-36 the Saxons went on to beat Aviation 65-33. Top players against Culver City were Taylor scoring 10 points, Cellery grabbing 10 rebounds. At Aviation top players were James Brown scoring 21 points, with Cellery taking 10 rebounds and scoring 12 points.

L to R: Meilyn Kutaka, Michelle Tomei, Christine Lee, Shari Maekawa, Patricia Hom, Danielle Font, Margie Duarte, Amy DeJong, Becky Divinski, Cecile Wong, Jenell Farley, Cheri Tarutani, Laurie Uyehara, Coach Jones.

Although they lost their preseason openers, the J.V. team enjoyed a learning season. Led by Coach Robert Jones, who also serves as North's music director, the young team gained experience and was called a "hard working and enjoyable group to work with."

Sophomore Meilyn Kutaka also remarked on the pleasant side of the game saying, "It's fun to play with everyone on the team."

Varsity Girls Basketball

Former boys basketball coach, Bill Atkinson, took over the girls team this year, and brought them to their full potential.

In preseason, the team took third in the Beverly Hills and South tournaments and had a record of 7-2.

Although the team lacked height, they had the speed, good pressing defense and some good shooters to make up for it.

Key players were juniors Lynn Maeyama and Erin Higashi and senior Jennefer Jones. Freshman starters were Teiko Nishi and Debbie Nishizaka.

Jones and Higashi commented on the game saying, "It's a challenge to ourselves and we enjoy competing against the other girls teams. It's a fast moving game we enjoy being a part of."

About coaching a girls team Atkinson remarked, "It's a different challenge, I wanted the experience."

Senior Jennefer Jones avoids Wilson defense for two points.

Frosh/Soph Wrestling

"The sport is fun to me and a great challenge." Sophomore Larry Hanson remarked about wrestling on the Frosh/soph team.

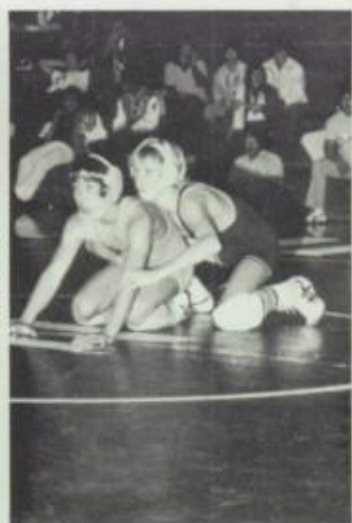

Although the low turnout of wrestlers affected all of the teams, coach Herbert Kaichi, worked the grapplers, who gained, with his help, knowledge of this intricate sport.

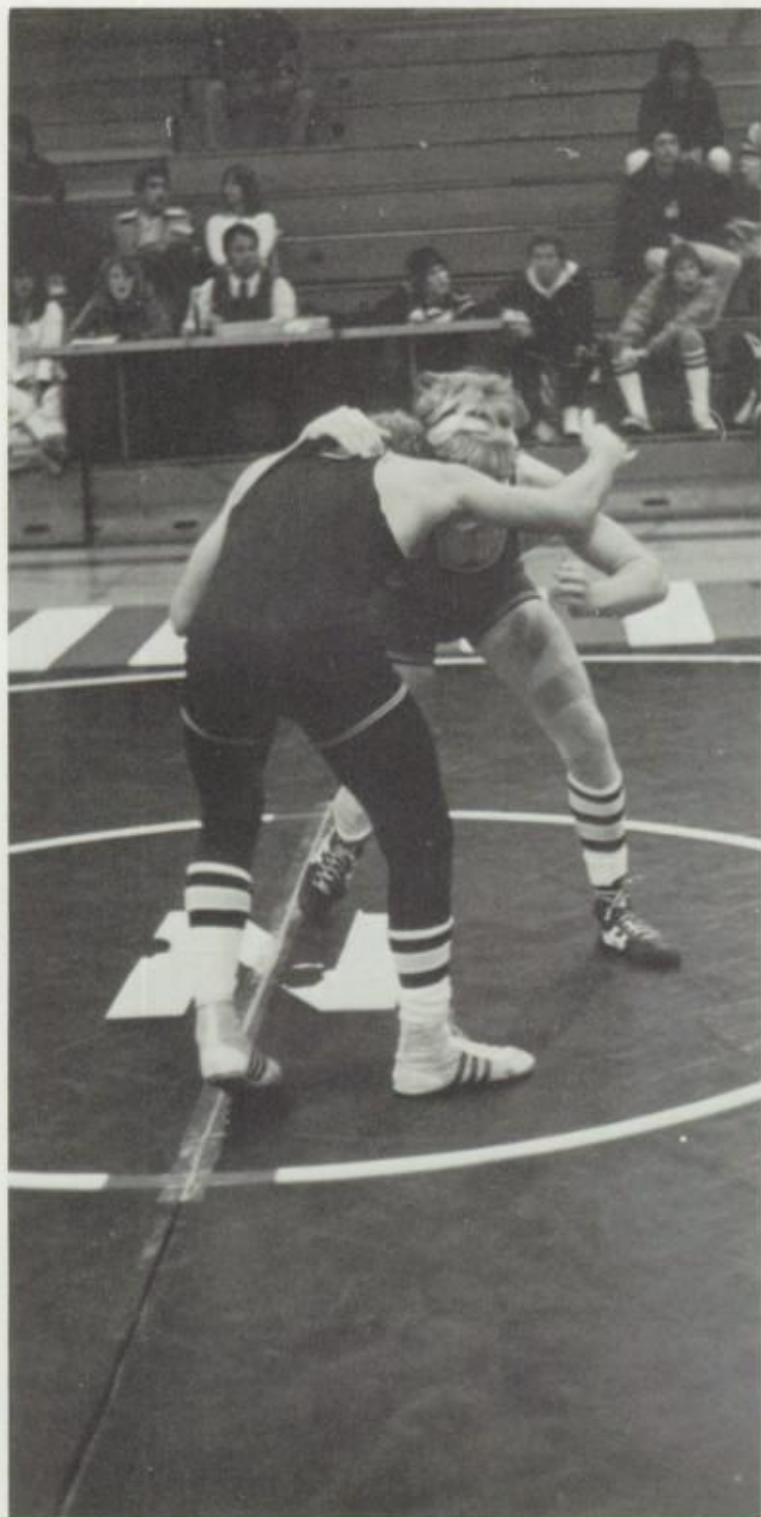

After having to cancel two dual meets because of lack of wrestlers, the freshmen/sophomore squad trained and practiced with hopes of a good season and in preparation for the years ahead.

Head coach Eric Kaichi guided these inexperienced wrestlers through this disciplined sport, which freshman Glenn Wisdom calls "challenging."

Varsity Wrestling

A low turnout of wrestlers hurt the entire program at North immeasurably. However, returners John Chavez, Stephen Morimoto, and Juan Muniz were a few of the outstanding wrestlers who grappled their way toward a learning season.

Head coach Roy Morimoto commented on the individual sport of wrestling saying, "Our chances of winning dual matches was slim, but we had a chance of winning CIF with only three wrestlers. However, a larger turnout would have helped."

Once again Louise Romo led the strong varsity defending CIF runners-up and ocean league champs to a successful season with other top runners Lynn Haskell, Sue Barsley, Shari Kishiyama, Karen Loeser, City Gomez, Leslie Saito, Carrie Saito, Julie Setting, Kathy Doolittle, Elena Chabolla, Letitia McMichaels, Judy Kean and Denise Musser.

Building up for a strong varsity team next year, the junior varsity team ran solidly into a successful season with top runners Lori Watwood, Janelle Weeks, Kathy Ross, Allison Ahlers, Lisa May and Karen Liebsack.

Soph Track

Beginning their season 4-0, the freshman squad, with top athletes John Maemura, Malcolm Frost, Mark Sager, Rodney Trammel, Jim Maynard and Carlos Mejia, show promise for next year.

Starting their season 4-0, the sophomore team relied on Kevin Pabon, Ken Blaire, Rick Jackson, David Rucker, Greg Heimerman, Hiroshi Yokoyama, Steve Jonas, Tracy Inaba, Trung Le, Jerry Pilj, Jim Belch, and Blaine Kemplin to keep a solid record.

With strong returners, the varsity team began their season solidly with record of 4-0, and stayed at the top throughout the year. Top athletes James Ferreira, Brent Allen, James Harper, Joe Gasser, John Sullivan, Bernard Johns, Ray Edge, Bill Appell, John Flammia, Frank Forester, and Tom Peterson led the experienced team in track and field events with help from their coaches, Bud Ross, Don Kasten and Marek Zadrozny.

Varsity Boys Tennis

A slow start and a new coach were part of the Varsity tennis team season this year.

Experienced players Danny Imamoto and Cary Mayeda gave the team the extra push they needed to play well during the season. New coach, Walt Myers, helped the team learn and perfect the basic skills necessary for good tennis.

Inexperience and youth were problems the junior varsity tennis team faced during their season this year.

Most players were freshmen and as this was their first year, they gained the needed confidence to make them a winning varsity team of the future. Coach Walt Myers taught this team the basic skills and rules of the game of tennis to prepare them as a winning body next year.

"The team needs a little more work, but we did fairly well. Coach Rosato works hard and has definite ideas for success." Sophomore becky Divinski said about the varsity team and first year coach, Rich Rosato.

While the season began very well, Coach Rosato still believed the girls had room to improve, but said, "We put forth an honest effort each time we played."

Top team players included Becky Divinski, Tracy Milligan and Erin Higashi.

Varsity Baseball

Steve Hokama backs up Gary Gorski on a fly ball.

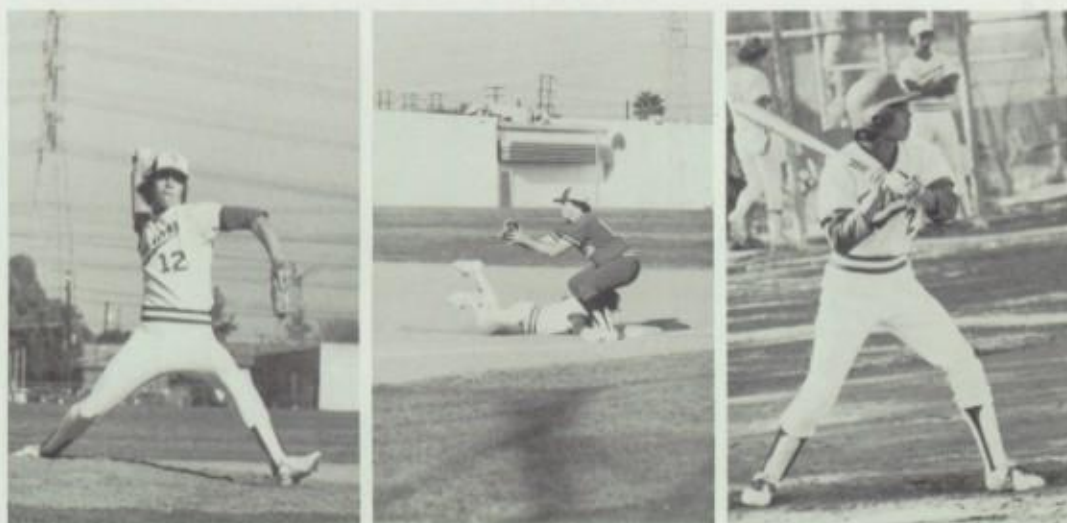

Led by four returning starters of last year's C.I.F. team, pitcher-shortstop Rich Strong, second baseman Steve Hokama, center fielder Angel Ayala and first baseman Darin Meiers, the varsity squad once again battled for a chance at the Bay league championship and C.I.F. playoffs.

According to Coach Michael Neily, "We have a strong hitting team with a lot of team speed and outstanding defense." Other key players were, Todd Kleiman, Steve Lee, Gary Gorski, Brian Fisher, Tom Steelman and Adam Garcia.

J.V. Baseball

Although in the El Segundo tournament the Junior Varsity team had a record of 1-3, they improved as the season progressed once they had stabilized their line of hope.

The top players were Kevin Finney, Steve Woodell, Steve Kuhn and Mark Sonnenfield.

According to Coach Don Albin, "The team had a slow start but improved as the season progressed."

John Nojima and Chris Hannemann show the tough Saxon defense.

The underrated Varsity boys' volleyball team with Coach K.C. Keller, did well in season play with team stars Randy Ittner, Rich Richter and Dave Halgren. Other fine players included Dan Ogi and sophomore John Nojima.

The rise in status of the team has been contributed to the fine coaching of Keller. "The team is one of the top in the area with a chance for league championships because the coach played for UCLA and coaches us well," Randy Ittner commented.

Some of the highlights of the season included the hard fought victory over West and the squeaker over Santa Monica, one of the best teams in the league.

"The best thing about the team is the team," commented Bill Pekins about the junior varsity volleyball squad. Team closeness is always a factor in how well a team does and the strong junior varsity netters are building toward a strong future for boys volleyball.

Top team players include John Baldwin, Don Culver and Tony Warfield. But the majority of the team felt that the whole squad was strong with the ability to go all the way to league championships with help from their coach, Tim Ittner.

Gymnastics

The Varsity team, after being moved up to Bay league, did poorly in league play. However, individual performances by lettermen, April Abe, Laura Gay, and Cathy Mano were the best in their four years.

Coach Major said "I'm very proud of the girls who made the nucleus of the team. They taught the younger girls and did more than their share. April Abe provided leadership and inspiration, while Cathy Mano, Hilda Lum, Laura Gay, Judy Martin, Robin Comer and Amy DeJong had very good years despite injuries."

"The turnout of freshman gymnasts was great and a few girls like Debbie Higuchi, Lisa Grogan, Monica Ruiz and especially Sandy Wakamiya, show great promise for the future." Coach Steve Major stated.

The young team learned and perfected basic skills with the help of Lisa Wallace, Blanche Major and Claudio Rabut.

"It was heartening to see some new faces," Steve Major continued, "We'd been going with the same girls for two years and it's good to know we have girls who will carry on the gymnastics program. They're young and they remind me of the now Varsity gymnasts at that level three years ago."

JUNIORS

Junior Class Officers

Julie D'Aguanno, president

"I am very proud of the participation we are receiving this year by the juniors. Our class spirit is high and I hope the officers and representatives will continue to work hard for this."

Judy Martin, vice president

"I am glad to see all the officers and representatives and the other juniors working very hard towards their senior activities."

Aileen Okuno, treasurer

"The money in our account is just one indication of the hard work the juniors put forth."

By the third year the shoe is almost complete; its pieces have been sewn together with painstaking care and it has taken the first step on a shaky "practice foot."

Like the nearly completed shoe, the junior class is ready for the final step; due in part to the leadership of president Julie D'Aguanno, vice president Judy Martin, secretary Laurie Maldonado, treasurer Aileen Okuno, and advisor Miss Martha Dalton.

CLUBS

Senior John Ballinger studies Thespian records.

Drama

Some of the most enjoyable school activities are the productions put on by drama students, most of whom are members of the creative arts oriented, Drama club. Working throughout the year to increase their talent, members were instrumental in the success of the senior class play, as well as participating in the ICC carnival and various club activities.

Korean

"I'm glad to say that I'm the sixth president of the Korean Culture Club. The K.C.C. was founded by Young Pyo, our first president, in 1977 with help from our sponsor, Mr. McDermott. We have won all three annual basketball tournaments that we have sponsored and had many activities such as trips, picnics, banquets, and a talent show. We hope to have many great activities again this year and for many years to come."

Jack Chun, President

Latin

Under the direction of Mrs. Ruby Workman, Latin Club members enhanced their enjoyment of the language and history of Latin. Although no class was offered this year, members attended conventions, and participated in club activities. Club officers were Becky Divinski, president, Amy De Jong, vice president, Alan Rodriguez, treasurer, and Theresa Des Rosiers, secretary. As well as simply enjoying Latin, members study the language and according to Mrs. Workman, "A few members have laid plans for attending the National Junior Classical Convention at Miami University in August."

Junior State

Having begun last year, the Junior State has doubled its membership of students interested in politics and the workings of democracy. Although this club participates in the usual activities such as the ICC carnival, it also is involved in weekend conventions at major hotels where members are given a taste of politics. One day conferences are also held for members, where they hear speeches and debates and are given a chance to participate in them. In the summer, club members have the opportunity to attend a week long symposium to increase their speaking and leadership abilities.

Science Fiction

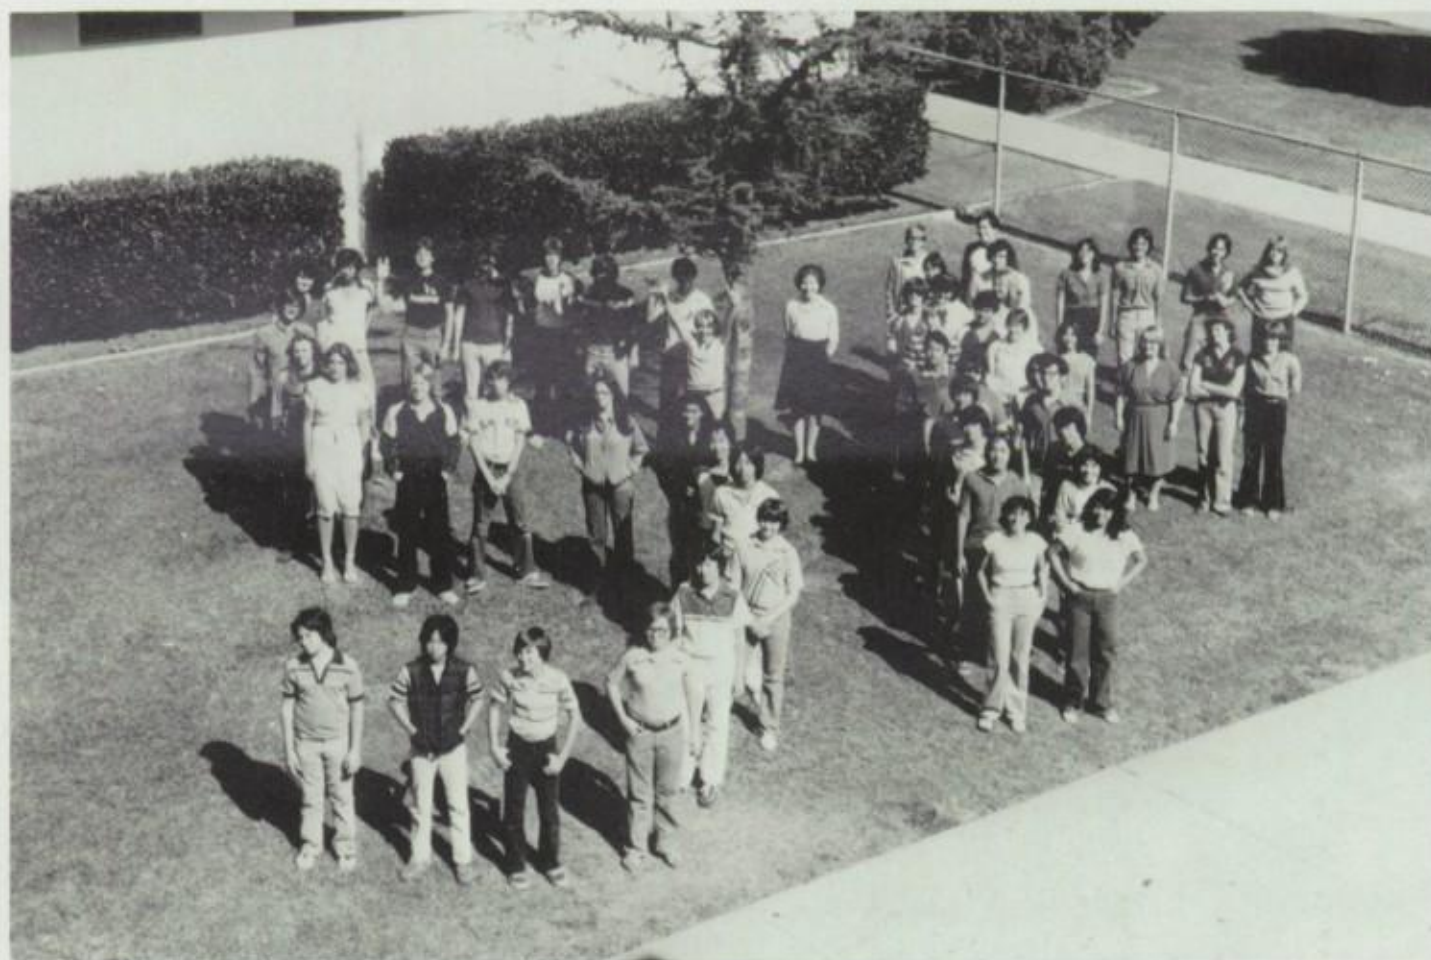

"If anything can help prepare you for *TO-MORROW* it's knowledge of science fiction and awareness of all the possibilities therein" Miss Nazon sci-fi sponsor observes, while club member Matt Crandall declares, "Science Fiction and fantasy are expressions of man's dreams."

The future, and tomorrow, are words of the Science Fiction club. Members explore the unlimited possibilities of outer space with the help of their leaders, Joe Knapp, president, Susan Barsley, secretary, Steve Giacolini, treasurer and sponsor, Miss Ida Nazon.

Stamp and Coin

Could the upsurge of members in the Stamp and Coin club be due to the astronomical increase in the value of gold? According to coin collectors, Thom Gover and Andy Rabito, "Coin collecting is an investment. It's money." But Mike Alvarez collects stamps because, "... it's the art of our country."

Sponsored by Mrs. Judy Hying and led by president Sharon Aspray, secretary Terri Vermeulen, and treasurer Randy Parker. The Stamp and Coin club participated in their own fundraisers, the ICC carnival and various activities, along with the purchasing of stamps headed by Bid Board representative, Michael Alvarez.

Chess

The thinking man's game is chess. North students who were interested in improving basic skills, planning strategies and having fun, played this game of concentration and thought. Meeting at lunch to play a friendly game, students learned from their mistakes and made friends at the same time. Sponsored by Mr. Wayne Bantau, the Chess club has long been one of the favorite hobby clubs.

Astronomy

The Astronomy club is organized by sponsor Mr. John Nicks, to obtain knowledge about the universe. Appropriate movies, talks and demonstrations were part of most meetings. In addition, trips were planned for observatories and various aerospace firms to obtain further information. Some fun and games were also involved, but the primary goal was trying to understand the overwhelming world of Astronomy.

Future Business Leaders of America

The Future Business Leaders of America took several trips to various businesses getting first-hand information relating to job opportunities and gained insight into business careers. Along with such activities this preparatory club also participates in the pumpkin carving contest, ICC Carnival, donated food to needy families as well as various competitions designed to test business skills. Doing well this past year, North and club sponsor, Mr. Wanous, sent business student, Nikki Kim to the National Convention where she placed second in Accounting.

Teaching the basic necessities of survival was sponsor, Mr. Max Kelly, and guiding the club members throughout the year were, president Ed Johnson and vice president Tony Mullikin.

Japanese

One of the largest organizations on campus, the Japanese club, consists of 248 members and is headed by sponsor Mrs. Kasamatsu and president Wendy Hirata. Although this group is mainly a culturally enriching club, community services are also part of their activities. One member commented on the club saying, "Japanese club is a fulfilling experience for the students because of their participation in the Japanese community."

Bridge

"There are very few games as intriguing as bridge and the reason it is often called the 'supreme card game'," club sponsor, Mrs. Janet Robinson, remarked. Members met regularly during lunch to play a friendly and challenging game of bridge, and beginners learned from the experience of more skilled players. Club president Joe Knapp guided the group throughout the year, with help from secretary-treasurer Sharon Setoguchi.

German

Helping interested students experience the German culture is the objective of the German club. Visitations to restaurants, seeing films and taking hikes accomplished this goal throughout the year. Participation in the various club activities as well as parties during lunch were also part of the social side of the club. Led by sponsor Mrs. Paula Grahmer, club members were not required to be able to speak the language, but an interest in German way of life was encouraged.

Racquetball

Newly formed this year, the Racquetball club actively participated in the sport with help from sponsor Mr. Richard Brooks and president John Hall. Designed to increase the ability of players, members met on various courts to improve their skills and to learn from their mistakes by playing more experienced opponents. Taking lessons from professionals and holding an interclub tournament at the end of the year were also part of the Racquetball club activities.

In collaboration with the industrial arts curriculum offered at North, students have the opportunity to join the Industrial Arts club sponsored by Mr. Mike Curtis. To increase the members enjoyment of woodworking and the basic skills of various related fields, they meet to work or discuss together. Social activities include a beach ride, a hot dog roast and a Christmas party where members exchanged gifts.

Working diligently cutting wood is senior Bill Appell.

Cabinet making is a facet of the Industrial Arts Club.

French

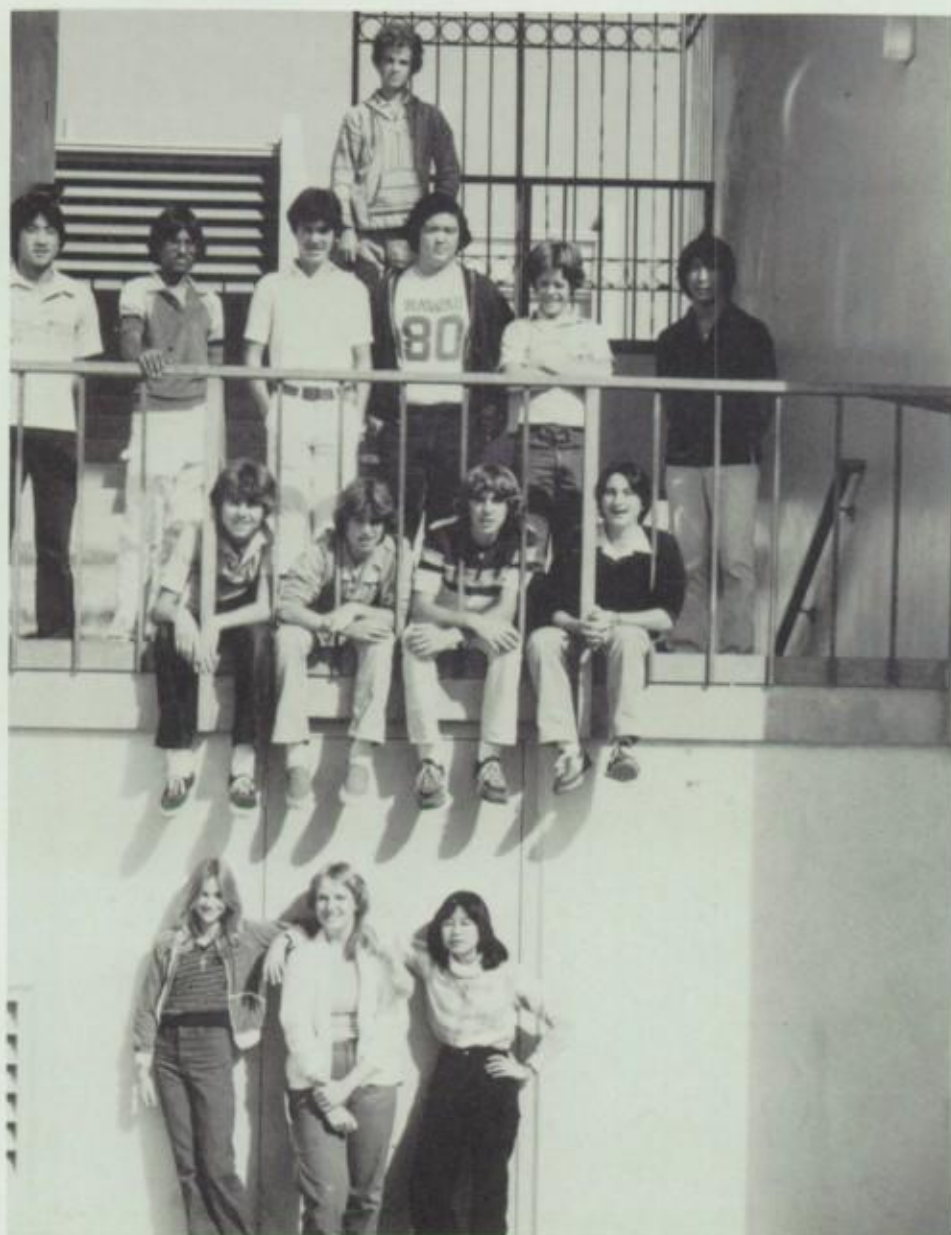

April Abe, Natalie Alexander, Saniea Bakhoun, Euler Bautista, Ken Blaire, Susanne Bolckow, Vanja Bozovic, Andrew Brown, Lydia Campisi, Carol Cribbs, Linda Cribbs, Julie D'Aguanno, Denise De Leon, Amy De Jong, Becky Divinski, Kim Downing, Mike Durbin, Nathan Hokama, Patricia Hom, Paula Hom, Sue Jang, Shawn Kennedy, Mike Klarmeyer, Vivian Limb, Frank Lin, Grace Maki, Sumiko Mizoguchi, Trang Nguyen, Craig Nobuyuki, Maritza Nunez, Nancy Nozaki, Marcie Ortega, Ricky Raiton, Susan Reed, Vicki Reed, Kathy Ross, Hebael Sabran, John Stanley, Nancy Tang, Thao Tran, Terri Vermeulen, Mary Walczak, Neva White, Cecile Wong.

As an added extra to learning about the French culture, the French club visits French restaurants, movies, and holds French cultural experiences. Besides these activities, the club also participates in the ICC Carnival, the pumpkin carving contest and other activities. Sponsored by Mrs. Geralene Rische along with officers; president Denise De Leon, vice president Mike Klarmeyer, secretary Kathy Ross and treasurer Carol Cribbs.

Club members have lunch before the meeting.

Camera

Under the leadership of sponsor Mr. Gary Parton and president Kyle Beatty, club members went on field trips to view good photography as well as experience with the different aspects of good photographs, lighting, and subjects. Trips often took them to locations where the shutter bugs were free to capture the beauty of nature in pictures.

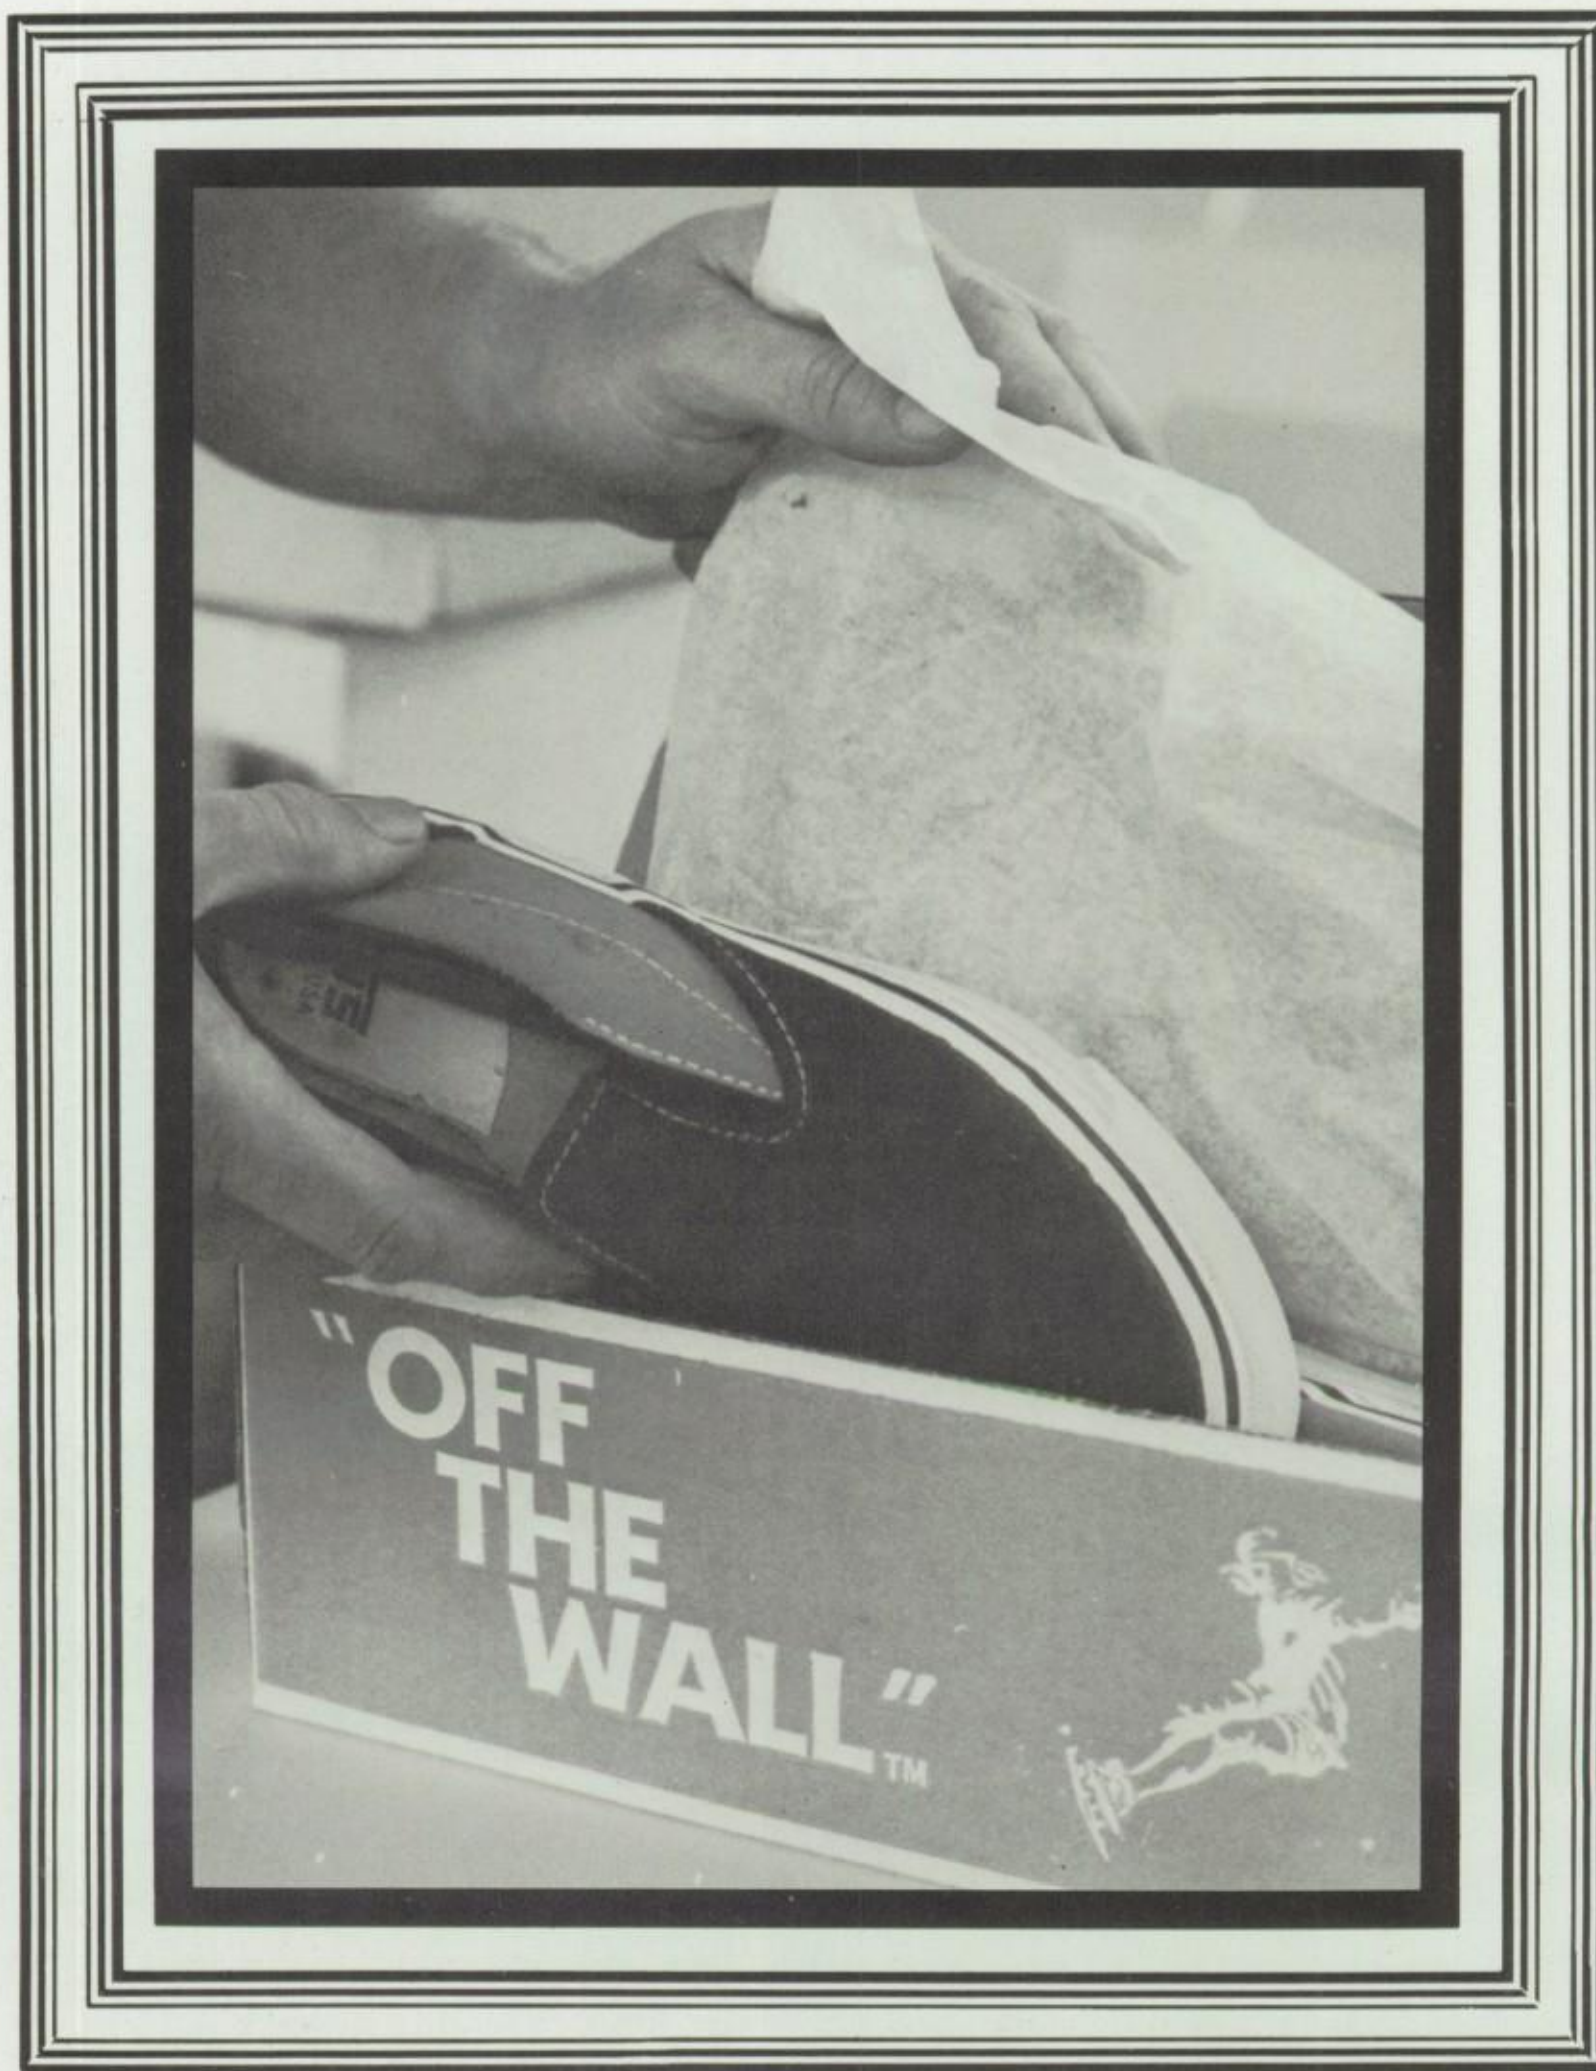

Fishing Club members

Ron Anzai, Zack Arnold, Robert Aston, Jim Beck, Eric Benda, Mike Bell, Kechia Campbell, Doug Cannon, Robert Cochran, Dave Colston, Dan Delion, Bill Devore, Richard Dinkel, James Geirman, Steve Giacolini, Jay Gilmore, Dean Higuchi, Trent Higuchi, Ralph Kallenback, Neal Kamibayashi, Surapon Kanwinyoo, Jeanie Kean, Eric Kinoshita, Brian Laird, Jerry Lannons, Billy Lenner, Tom Liberatore, Frank Lin, Ken Lin, Jeff Long, Steve Mace, James McGovern, Scott McKnight, Mike Mendy, Mike Miller, Matthew Muranaka, Greg Nishikawa, Ken Okamura, Dawn Papile, Randy Parker, Mike Peterson, Robert Pugh, Ricky Raton, John Saint, Brad Sawyer, Steve Swick, Joel Takigawa.

Fishing

Students who shared a common interest in fishing were members of the Fishing club. Members took trips to various lakes such as Irvine, Anaheim and Sherwood as well as fishing close to home at the Redondo Beach King Harbor. With sponsors Mr. Jerry Nicholson and Gerald Pendrick, club members were able to charter boats and practice the sport they enjoyed.

Mark Tomlin, president

"The people who didn't get involved in their senior activities really missed out."

Senior Class Officers

Finally, the shoe is complete and ready to be packaged. Newly made, the shoe is untried and has yet to take its first real step, but, inevitably it will find its destined path.

The class of 1981 leaves North High ready to journey on their own; thanks to the leadership of president Mark Tomlin, vice president Cathy Mano, secretary Shino Nomiya, treasurer Chris Czarnowski and advisor Mrs. Joan Korman.

The seniors representatives are: Sue Barsley, Alice Beltran, Teri Boehnlein, Kim Cameron, Debbie Cellery, Nancy Chavez, Rick Contreras, Rhonda DeFelice, Leah Gualtieri, Lori Guthrie, John Hall, Cindy Plemel, Kendahl Rasnick, Jerry Runnalls, Laura Schlee, Monica Shields, Lysa Stirdivant, Susie Toth.

Cathy Mano, vice president

"Looking for prom sites is really fun, when Mrs. Korman leaves you stranded in L.A."

Shino Nomiya, secretary

"Being senior class secretary has made me more aware of the decisions and hard effort put in the many activities the students at North participate in. I really enjoy being a part of it."

FACULTY

Administration

Mr. Barry Gross, Vice Principal

"Public Education Today. North High meets the challenges of the 80's by developing a comprehensive educational program for all students. A balanced combination of academics and extracurricular activities created an atmosphere for growth and learning for all our students."

Mr. Leonard Lifton, Principal

"My question is where are all the critics of education? I have invited adults to come in and visit classes with me and observe the instructional program at North, and in ten years I have only had two visitors, and they were not critical of our program. It is my opinion that the overall instructional program at North is better now than in the past, and our scores on all standardized and advanced placement tests are proof of that statement."

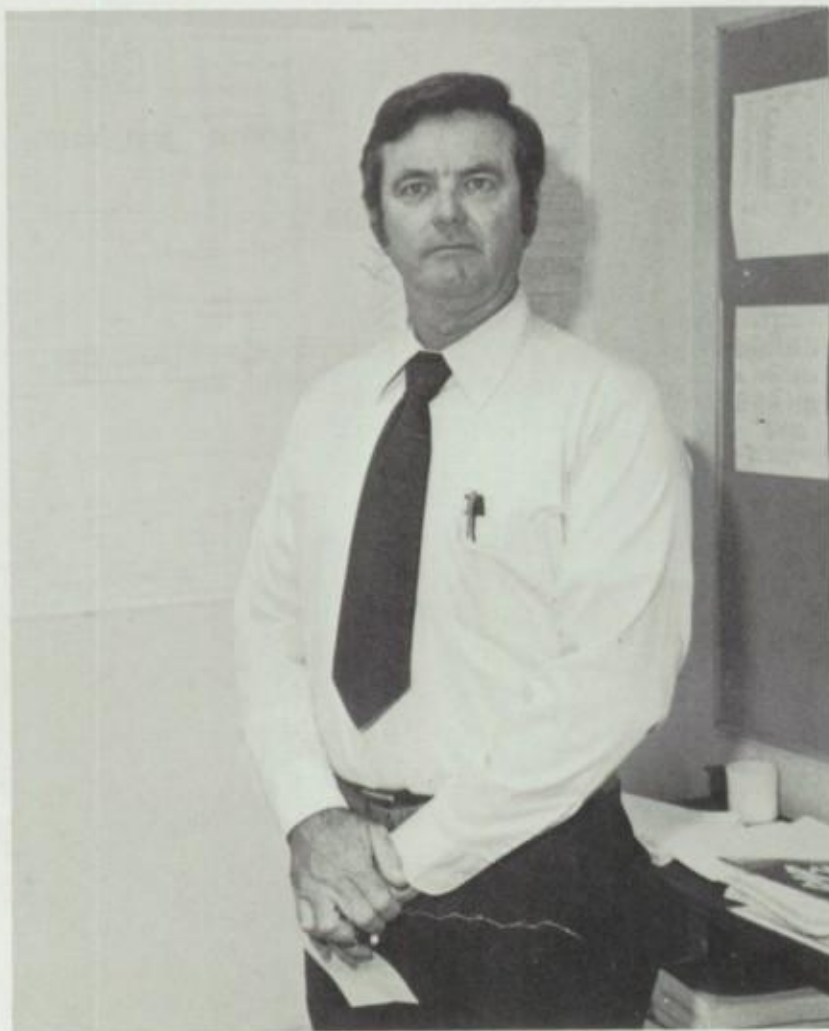

Mr. Paul Hawkins, Vice Principal

"He who learns but does not think, is lost. He who thinks but does not learn is in great danger."

The school hadn't even started yet when the administration was met by a unique adventure. Out of hundreds of high schools in Southern California, and from thousands of schools in the United States, President Carter selected North High to hold one of his town meetings. Not only did the administration handle this surprise well, but they continued to manage the affairs of the school superbly throughout the year. North can proudly boast of many things; fine administrators are just the beginning.

Dr. Bert Raiche, *Vice Principal*

Mr. Ron Brown, *Staff Assistant*

"Nobody is wrong all the time. Even a clock that doesn't run is right at least twice a day."

Miss Mary Helen Montgomery, *Student Activities Director*

"Since there is always something new, different and exciting happening at North High, we never see a dull day in the Student Activities office. This position is very demanding and becomes quite hectic at times—but it is also very rewarding to work for and with the student body."

Mr. Dick Rose
"Where there's a will there's a way."

Mrs. Carole Shakely
"School's an attitude, not a place."

Mrs. Dorothy Addleman
"When all else Fails, follow directions."

Business

APN

Dick and Carole, as they are called by their students, head North's Alternative Program, an option to strict classroom education.

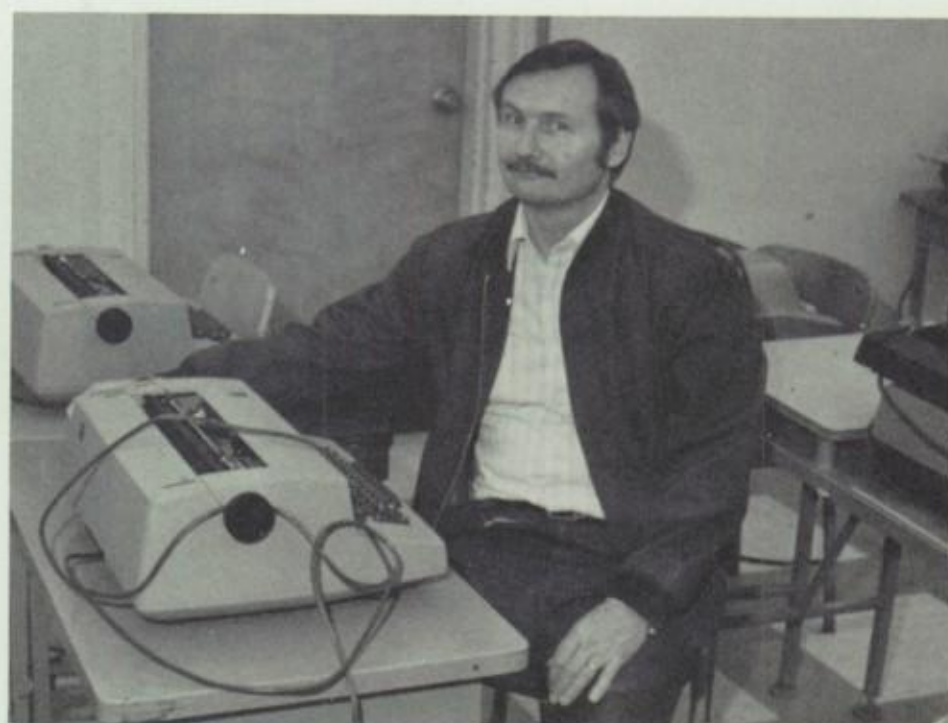

Specially devised, APN requires learning contracts and stresses individuality with personal conferences and self paced learning.

Business

"Be sure to take typing," is a common recommendation to underclassmen by their counselors, and for good reason; North can boast of one of the finest Business departments in Torrance, with courses which make the business curriculum a solid base for fundamental skills and an introduction into future business pursuits.

Mrs. Betty Lemke
Specializing in accounting and typing, Mrs. Lemke is a long time staff member.

Mr. Karl Wanous
Mr. Wanous is the sponsor for the F.B.L.A. Club, and also is a teacher in typing.

English

Action and Combat. Journey into Terror and the Unknown. Are they names of courses offered at North or are they descriptions of the Friday night football games or a freshman's first day of high school?

To some the answer is both, but actually they are the names of two unique offerings in the English department. Not only does this department offer special elective classes, but an Honors, General, and College Preparatory division as well. Reading Lab is also offered to help students with reading skills and special English Lab is offered for students who have not scored well on the mandatory competency tests.

Mrs. Janet Robinson

As well as teaching English, Mrs. Robinson enjoys Bridge, and is the card playing club sponsor.

Mr. Guy R. Old, Jr.

"Don't judge a man until you have walked a mile in his moccasins."

American Indian Proverb

Mrs. Ruby Workman

*"Life has loveliness to sell . . .
Buy it and never count the cost."*

Mrs. Sue Yawn
"Love wisdom like a sweetheart; make her a beloved member of your family."

Mrs. Romaine Thompson
"The recipe for perpetual ignorance is: Be satisfied with your opinions and content with your knowledge."
 Elbert Hubbard *The Philistine Vol. V.*

Mr. Patrick McDermott
"Hold on to what you have got, because you may not remember."

Mrs. Lindie Banks

"What is a man, if his chief good and market of his time Be but to sleep and feed? A beast, no more. Sure he that made us with such large discourse, Looking before and after, gave us not That capability and godlike reason To fust in us unused."

Hamlet, Act IV, sc. iv.

Ms. Barbara Chevillon

" 'Reading is to the mind what exercise is to the body' expresses my feelings on the importance of reading. If even a small percentage of my students learns to enjoy and value reading and continues to read as adults, the hard work will have been worthwhile."

Mr. Gerald Pendrick

"Many teachers prefer having mostly senior classes, but I prefer freshmen. Everyone understands that seniors already know everything worth knowing; freshmen only think they do."

Mr. Michael Bryan

"Just what is it that makes modern living so convenient?"

English

Ms. Ida Nazon

"A teacher is a messenger from the past and a guide to the future. It isn't what you teach that makes the difference—it's how!"

Mrs. Lyda Sikkema

"To cease to learn is to cease to live."

Mrs. Joan Korman

"I love teaching high school students because sharpening language skills enables us to express thoughts and feelings better! It's exciting to read, write, talk, and listen together."

Mr. John O'Brien

"A little learning is a dangerous thing. Live dangerously and get an education."

Ms. Linda Klonecky

Ms. Klonecky is the teacher of English as a Second Language.

Ms. Katherine Mottram

"I believe that any student who can admit a shortcoming is on the way to reality and a good feeling about him or herself."

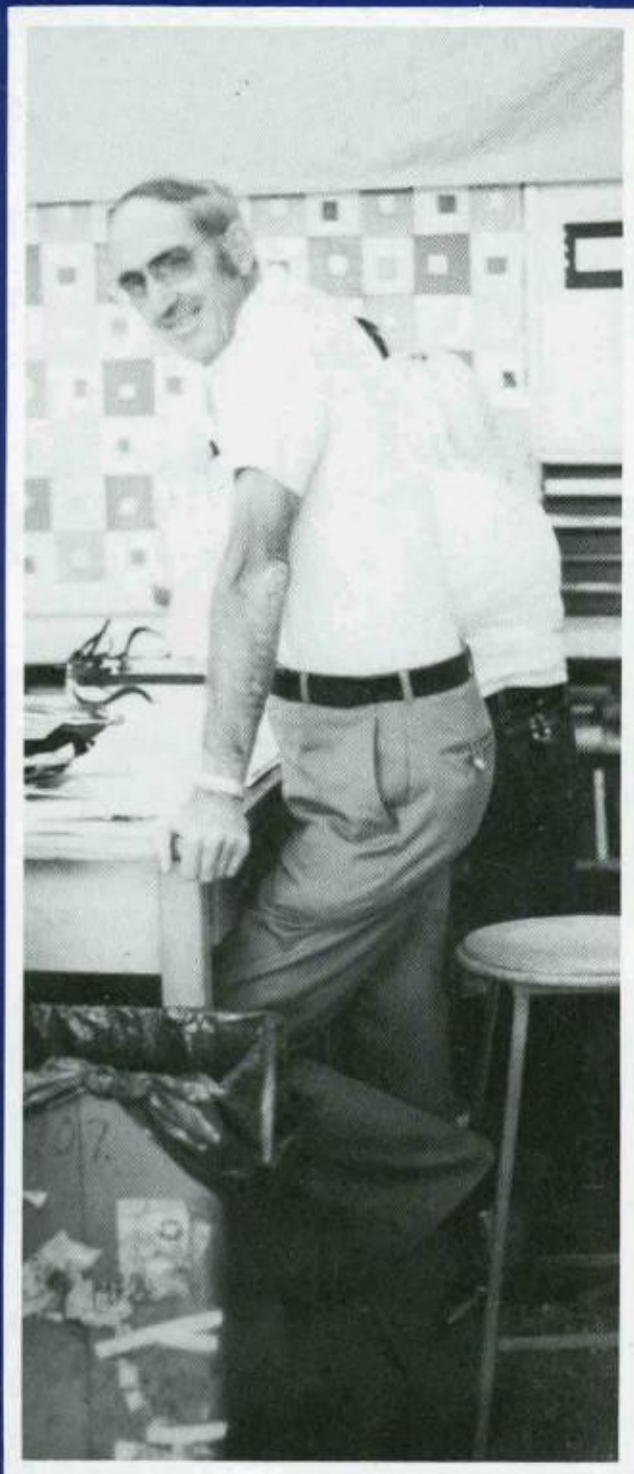

Ms. Carlotta Shupp

Ms. Carlotta Shupp is involved in Work Experience in addition to teaching English.

Fine Arts

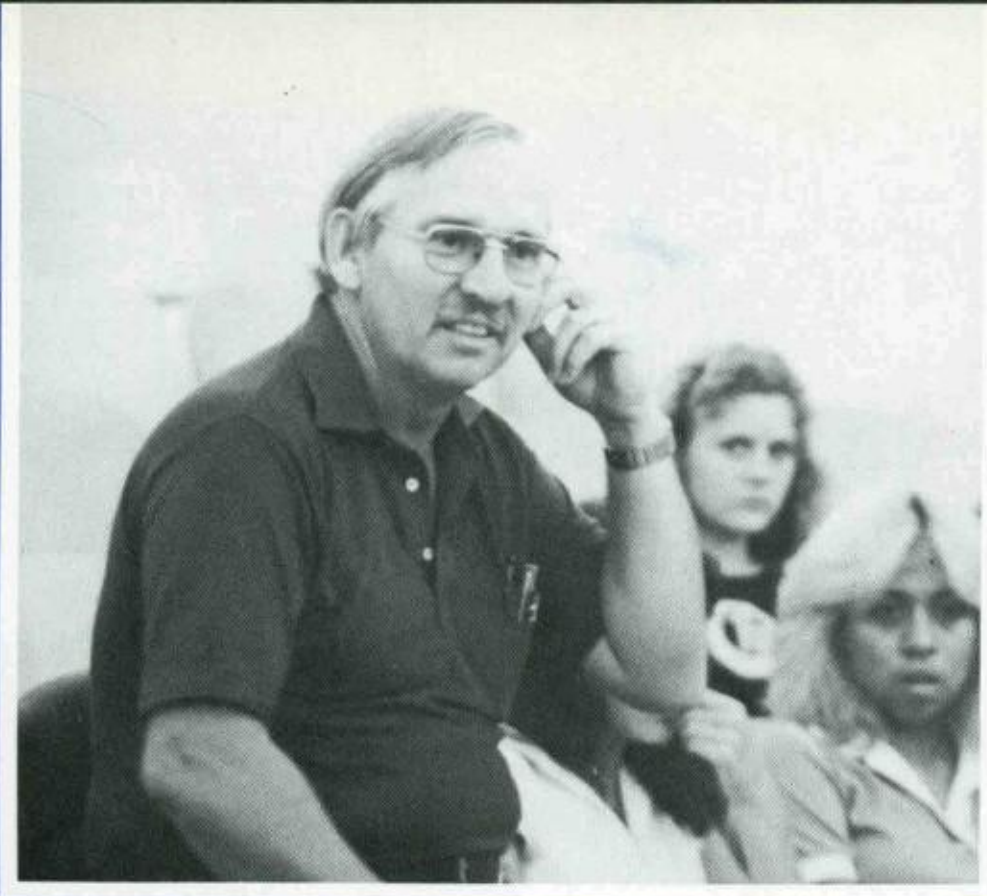

Expression can be portrayed in many ways. The Fine Arts department allows one to extend the bonds of formal expression by painting, drawing, acting and singing. Beginning and advanced courses are available for students and general craft classes are on hand for the scholar who desires a let up from the rigorous job of schoolwork.

As Mr. Ray Brown puts it, "Art classes make you feel 'I am somebody, I am worthwhile. Besides, the Arts give you a breather from all those heavy classes . . . and still earn credits at the same time. Try the Arts . . . you'll like them. They are rewarding.'"

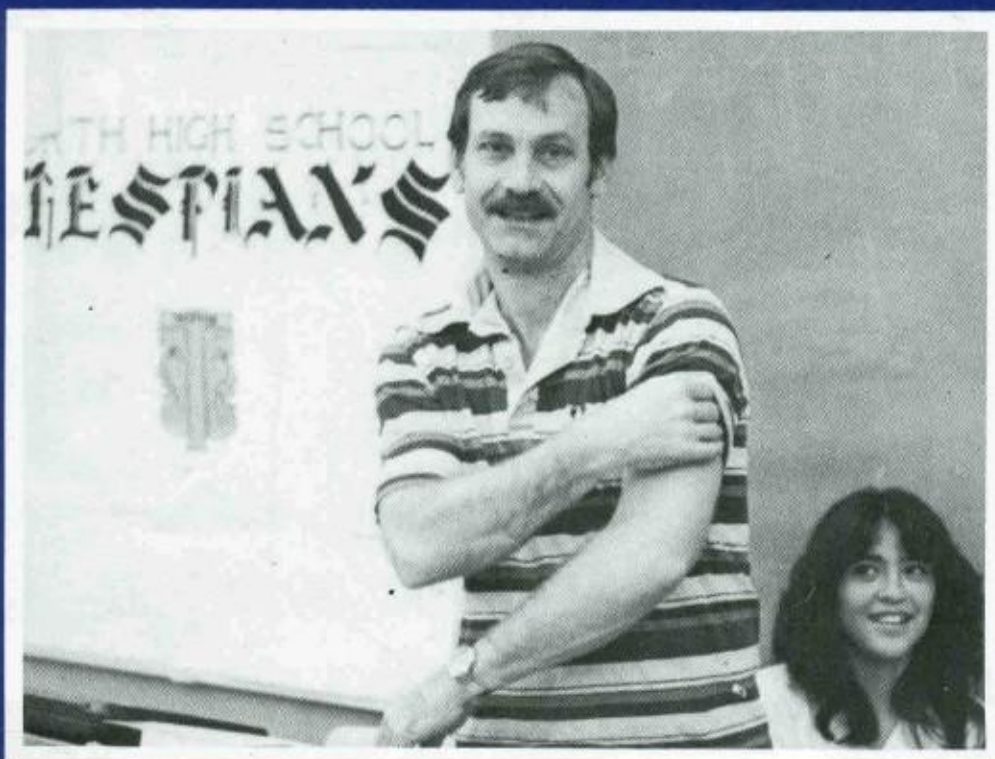

Mr. Ray Brown

"Artists design our clothes, our houses; almost everything we use has artistic design. Why not develop that side of you that is artistic and become a whole person instead of a half."

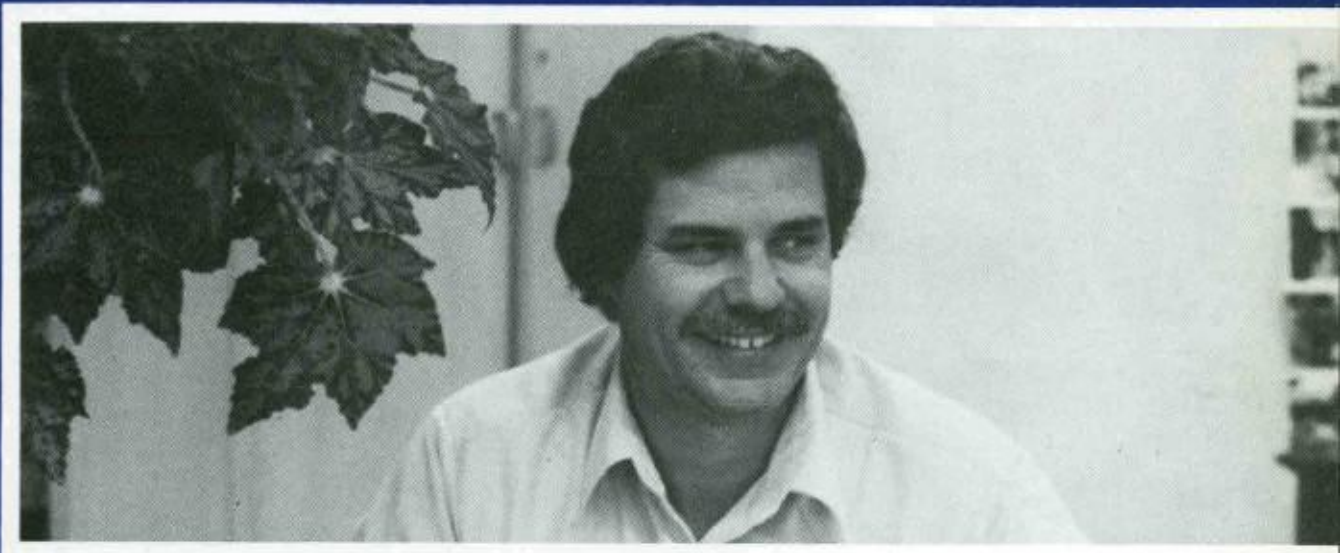

Mr. Robert Jones

Musically inclined, Mr. Jones teaches band as well as choir.

Mr. Thomas Koehring

"Because of the nature of drama, one gets closer to the students than in a usual classroom. The instructor/director becomes their friend, father, leader and they respond in the most magnificent ways."

Mr. Gary Parton

"When you rest, you rust."

Foreign Language

Spichten Sie Deutsch? Parlez-vous francais? Anata wa Nihongo o hanesemasuka? Se Habla Espanol? If you have to answer nien, non, iie, or no, to all of the above questions, the time has come for a beginning course in a foreign language. Not only does a course in a different language help to understand the origins of some of our words, it also can lead to other experiences. Mrs. Rische, French teacher, takes interested students to France and other parts of Europe, while Spanish students have gone to Mexico with Mrs. Landford. Last year's Kashiwa, Japan, sister city exchange student, Gary Sakamoto, commented on the advantages of learning a foreign language, "In Japan they speak English but it was important to at least understand some of the things people said to you, even if you couldn't respond properly. Speaking or trying to speak made me feel more of a part of the environment."

Mrs. Bonnie Kasamatsu

"Japanese is a difficult language, but how great you feel when you can understand people as they speak Japanese—especially when they're talking to you or are trying to share a secret they don't want you to hear!! (Minasan issho ni gambarimashoo!)"

Miss Joyce Cardwell

"Conteste en una frase completa"

Mrs. Olga O'Neil

Sponsor of the Saxon Club, Mrs. O'Neill is also a Spanish teacher.

Mrs. Paula Grahmer

The sponsor of the German Club, she also teaches German and English.

Mrs. Yvonne Barton
Mrs. Barton teaches Spanish and enjoys such extras as cultural experiences.

Mrs. Gerry Rische
*"Language is the light of the mind"
 John Stuart Mill*

Mrs. Jeanne Lanford
"Woof it" "Nerd" "Zap it" "Plug in"

HIDE

Mr. Jerry Nicholson
Mr. Nicholson also teaches Science and co-sponsors the Fishing Club.

Getting a license is a very important milestone in the life of a teenager. In previous years North provided students with driving instruction in the car along with drivers education in the classroom; however, budget cuts in California eliminated the car instruction at North forcing students to go elsewhere for training, which was paid for by the Torrance School district. Fortunately, the fundamentals of driving education are still available along with Contemporary Health—both are mandatory classes for graduation.

"I think it's great to have a good driving program in high school to learn the fundamentals. There are so many people on the road who don't know how to drive," Chris Schafer, sophomore remarked.

Mr. Russell Bierley
Mr. Bierley is one of our many math teachers, in addition to coaching Varsity Basketball and teaches Health and Drivers education.

 Rosalee Wright

Mrs. Rosalee Wright
 A new teacher, Mrs. Wright's previous experience was at Columbia School and Torrance High.

Mrs. Joan Fabregue
 "Home economics—The people profession."

Mrs. Myrna Siegert
 "I enjoy teaching home economics and crafts because I feel activity and creativity are two of the more rewarding pleasures in life. I like to show others how to make things and thereby feel the satisfaction of being able to create something with one's hands."

Home Economics

Elvia -
 Certainly been nice
 having you in class.
 Hope you'll always
 have an interest in
 crafts because you're
 really at it. You're
 a sweet - stay that
 way. Mrs. Sieger

After graduation if one hopes to "make it on his own" a class in the Survival of Singles can be helpful. Learning to stretch those dollars to fit a tight budget and how to cook and buy economically can help the young bachelor or bachelorette. The Home Economics department also offers Young Decorator, Foods and Clothing classes along with a special program called Exploring Childhood where interested students work in a neighboring nursery school along with attending childhood classes at North. As one student finished making a dress, she was overheard saying, "The best thing about making some of your clothes is not only the sense of pride you feel when someone compliments you on it, but also the cost that can be so much less if you know what you're doing."

Ind. Arts

Electronics, drafting, auto mechanics and wood shop are all courses available from the Industrial Arts department. While, until recently, home economics was entirely utilized by girls, likewise industrial arts was dominated by boys. However, girls are beginning to be seen more frequently. Stephanie Jones, junior, commented about taking such a male class as auto mechanics, "I'm really interested in cars. It's like a challenge to yourself. It's just between you and your car."

Mr. Mike Curtis
"A clean shop is a happy shop."

Mr. Guy Sherod

"After school I walked out to my 1951 Mercury to go home. After starting my car and trying to go backwards, it would not move. I got out of my car and looked under the car, and saw nothing wrong at first, so I got back in my car again and tried to back it out, it didn't move. So then I looked under the car again and saw to my amazement—the drive shaft had been stolen."

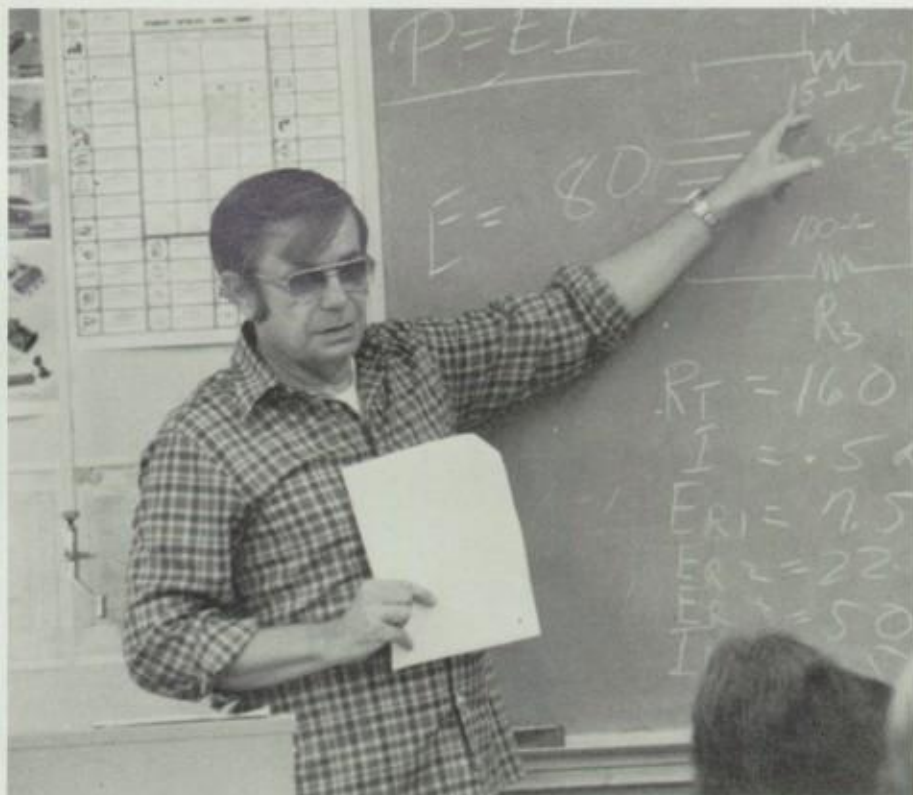

Mr. Paul DeJung

"When I ask a student to put some water in a school lab engine, I was at a complete loss for words when he poured a gallon down the carburetor."

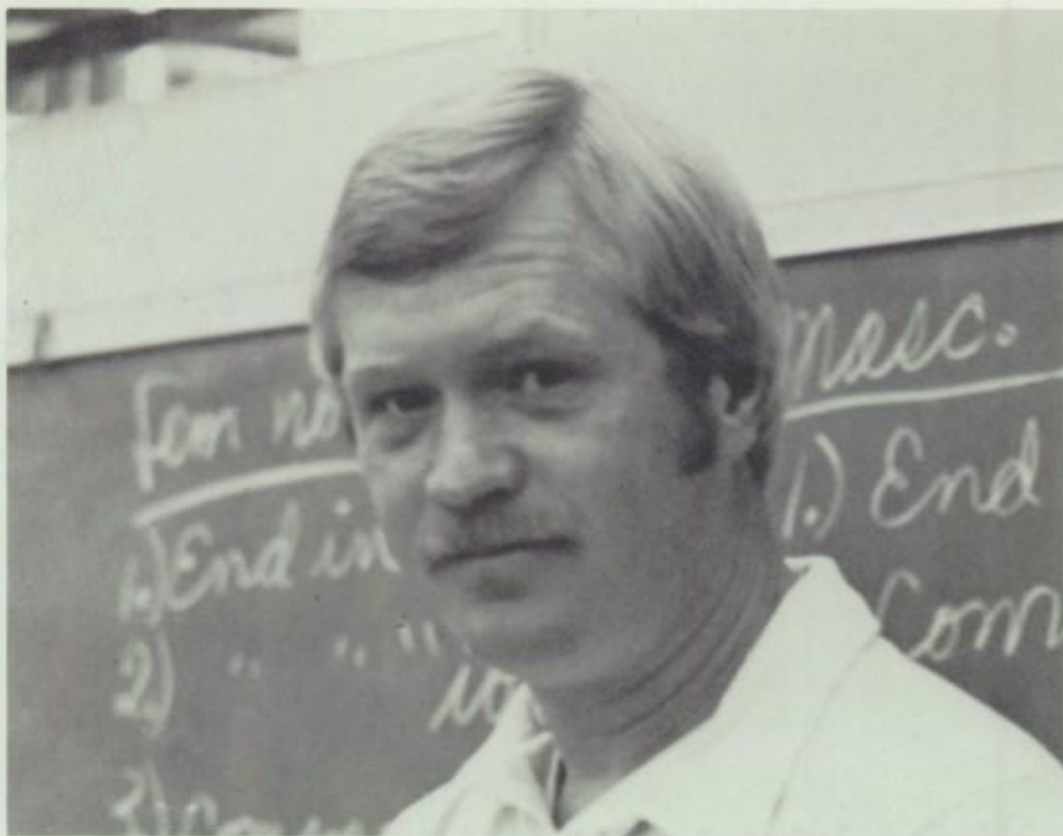

Mr. William Schuchman

An industrial arts enthusiast, Mr. Schuchman has been at North for a number of years.

Mr. John Reynolds

Along with teaching electronics, Mr. Reynolds also is the sponsor for the K.N.H.S. club.

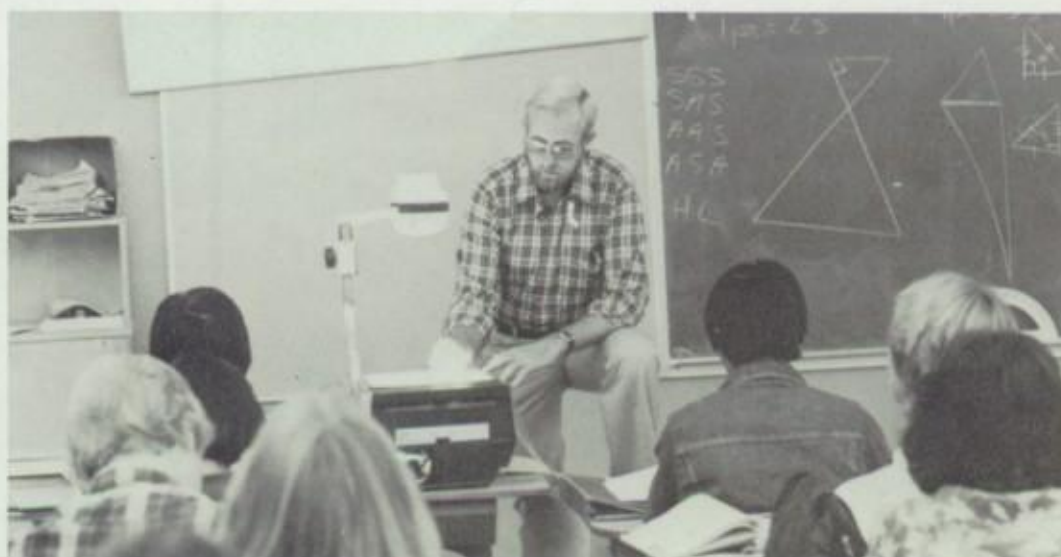

Mr. Don Albin
Very versatile, Mr. Albin teaches Math lab and coaches football.

Mathematics

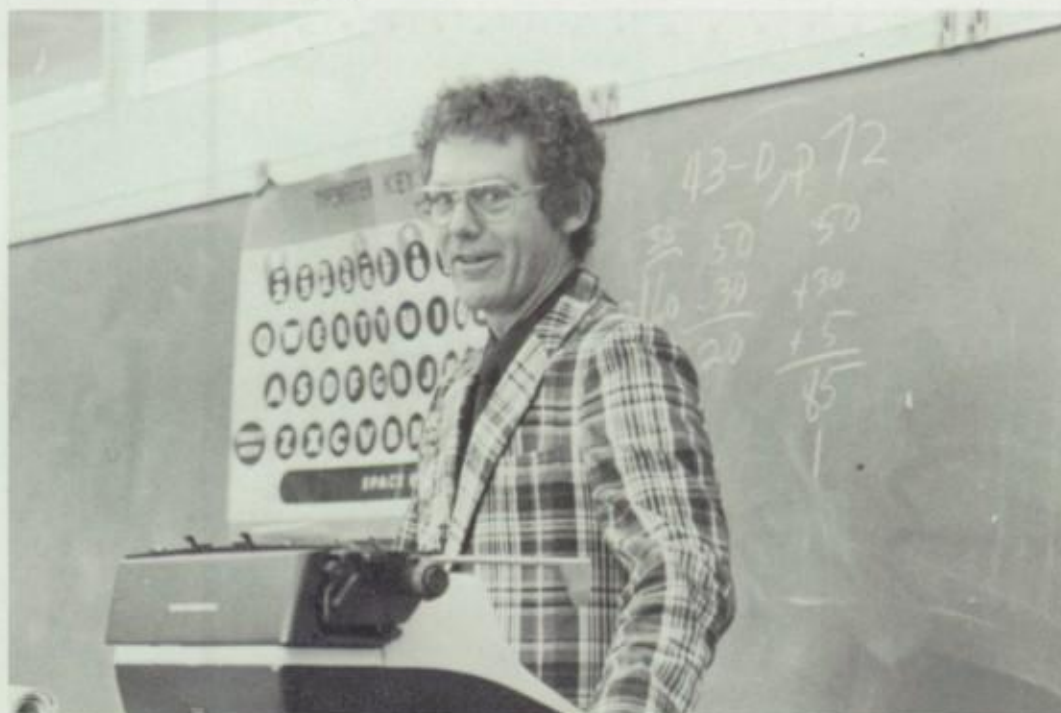

With one of the finest Math departments in Torrance, North cannot help but produce outstanding students, some of whom are presently taking such advanced courses as Calculus, a standard college class. For students having difficulty with the basics of math, a Math Lab class is offered and for those who wish to earn extra credits, Directed Math is suggested. Other offerings are Algebra I and II, Geometry and Trigonometry.

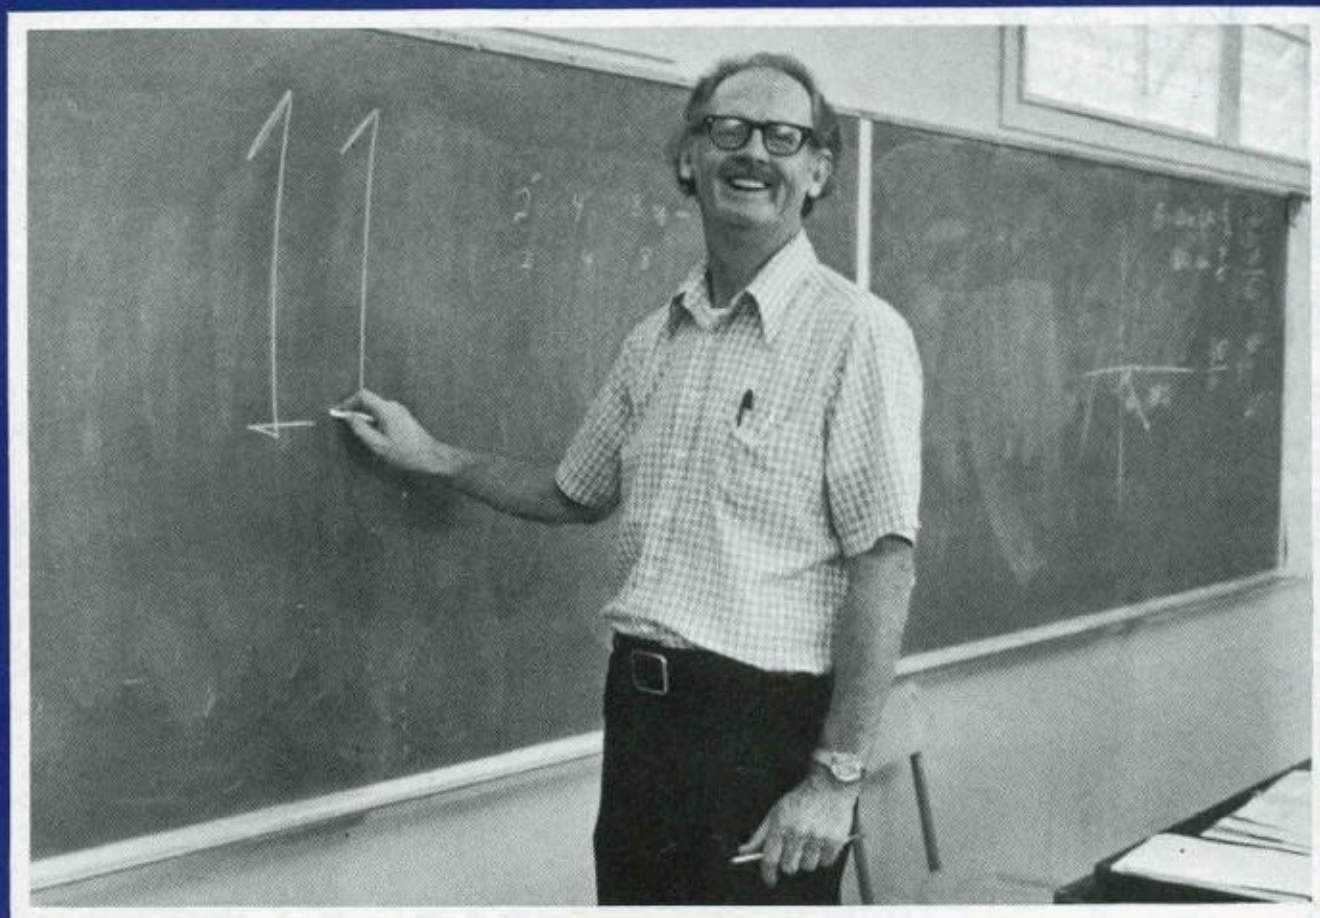

Ms. Judith Tachibana
Ms. Tachibana is the teacher of several Math, Geometry, and Algebra classes.

Mr. William Mitchell
"At night I take out my strong box that I keep under lock and key, and I take it off to my closet where nobody else can see. I open that door so slowly, take a peek up North and South, then I pull out a Hostess Twinkie and I pop it in my mouth."

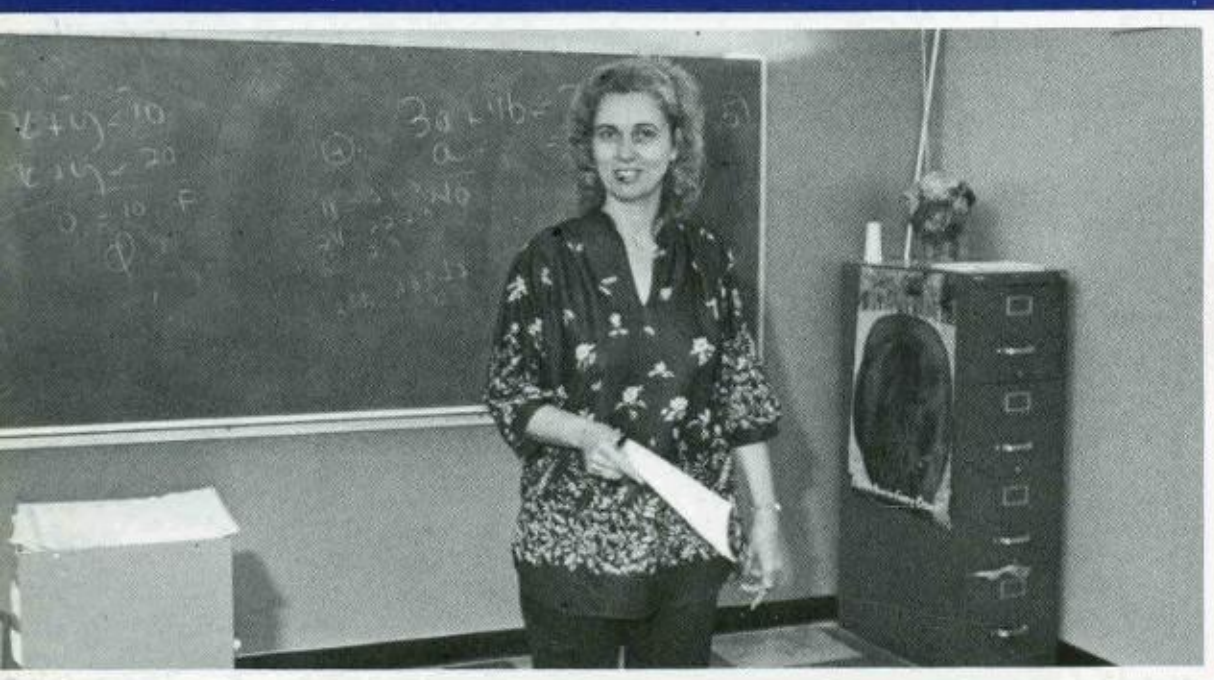

Mr. Ronald Hinders
In addition to teaching Math, Mr. Hinders also teaches Business.

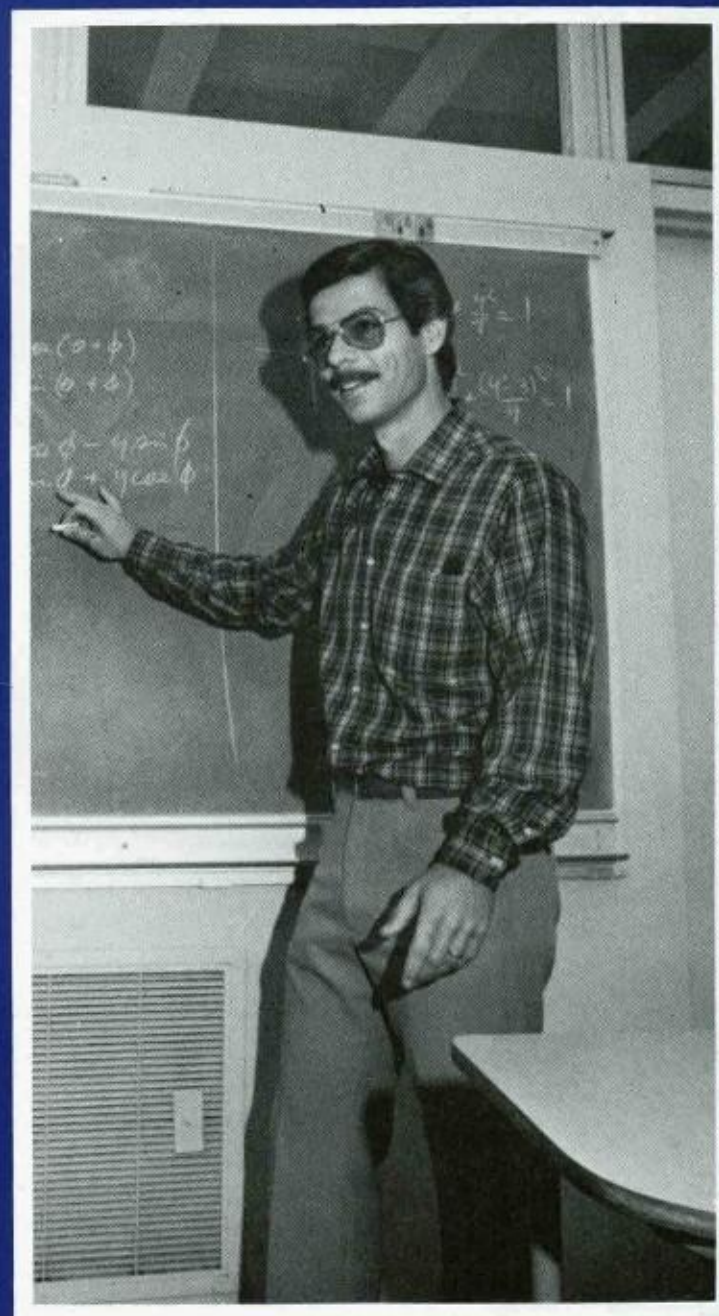

Mr. Frank Small

"One day my students were falling asleep, due to my boring reading of some answers, so to wake them up I said, "Eeeeeeeeeeeleven." Ever since then that number has followed my path through life."

Mrs. Sharon Crawford

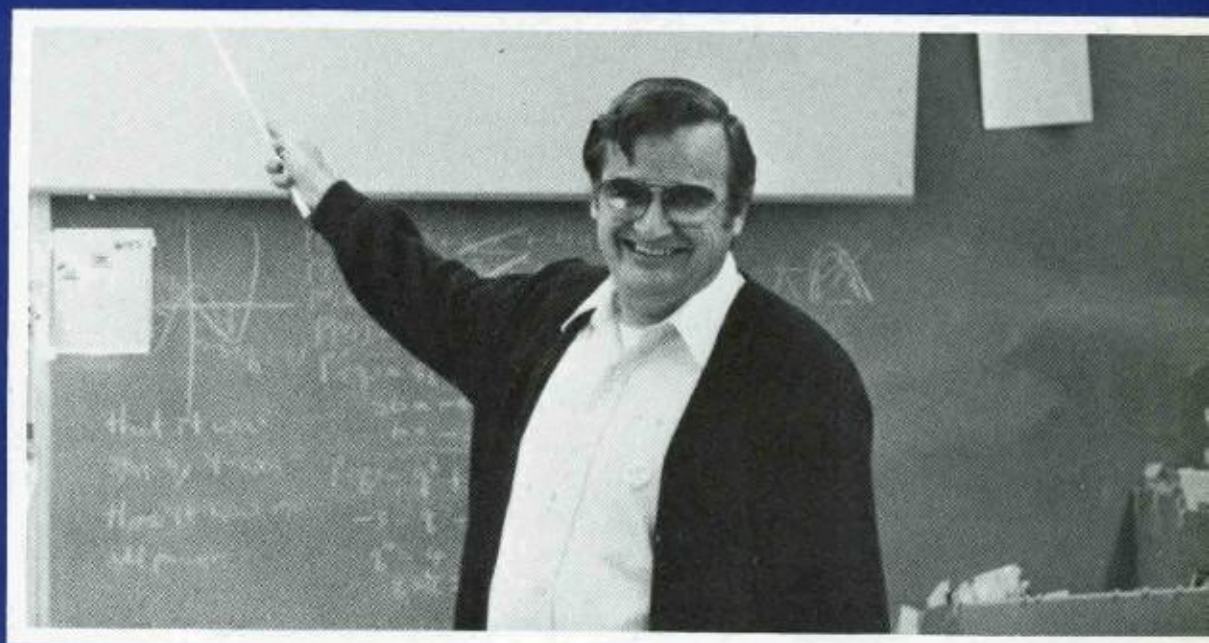

*"If you chase two hares, both will escape you."
An Old Eskimo Proverb*

Mr. Gerald Smith

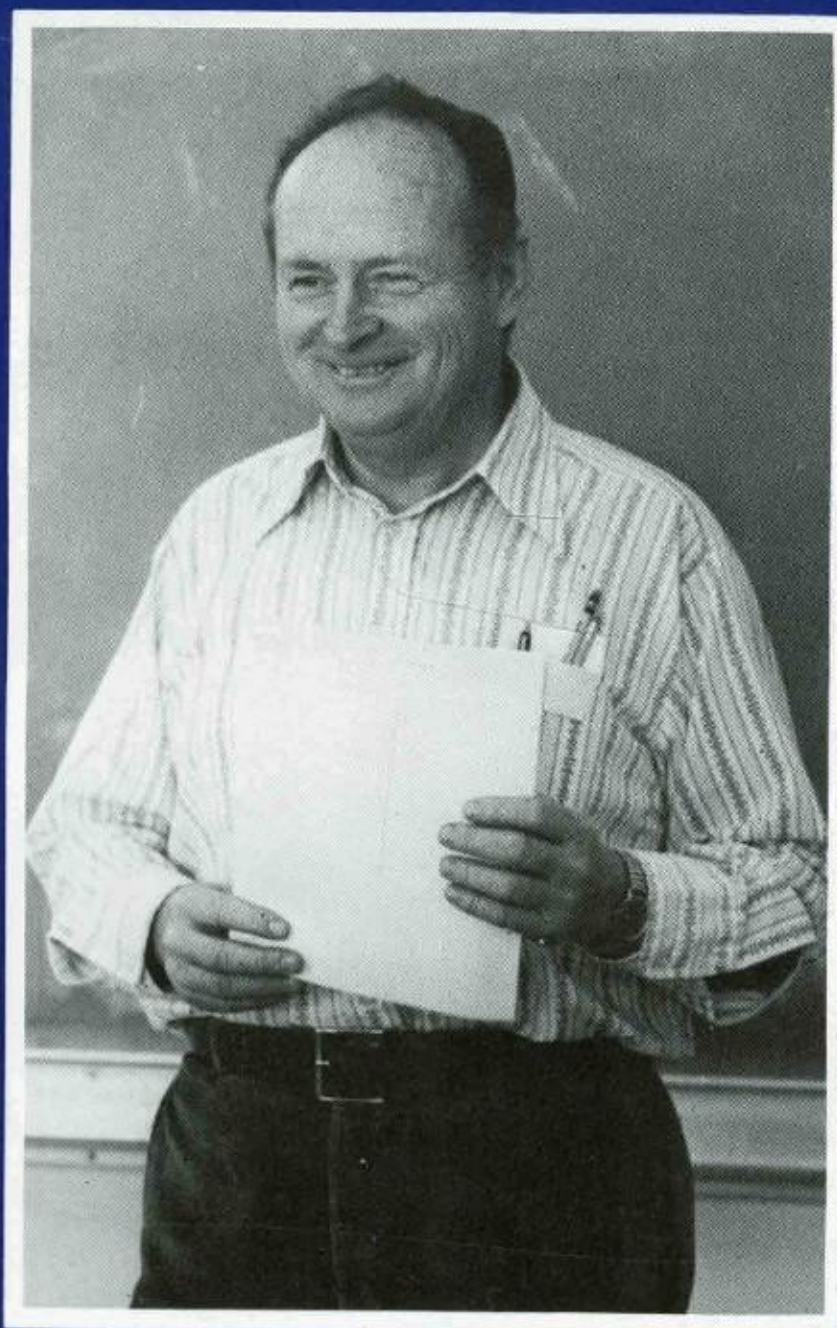

As well as teaching Honors Trigonometry, Mr. Smith is the advisor to the sophomore class.

Mathematics

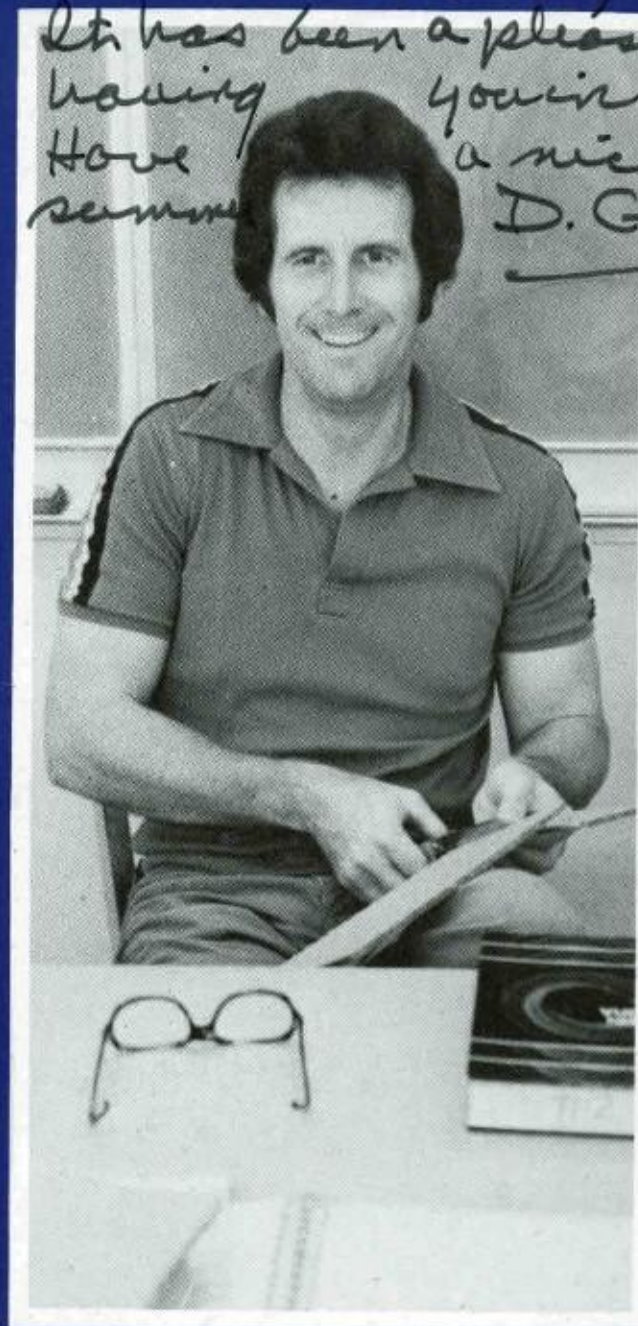

Mr. Norman Guest
"My, my, my. God'll get ya!"

Elvia,
It has been a pleasure
having you in class.
Have a nice
summer.
D. Gage

Mr. Merl Railsback
Specializing in Geometry, Mr. Railsback also teaches Directed Math.

Mr. Dwayne Gage
A flexible teacher, Mr. Gage teaches Algebra, Geometry and Trigonometry.

Physical Education

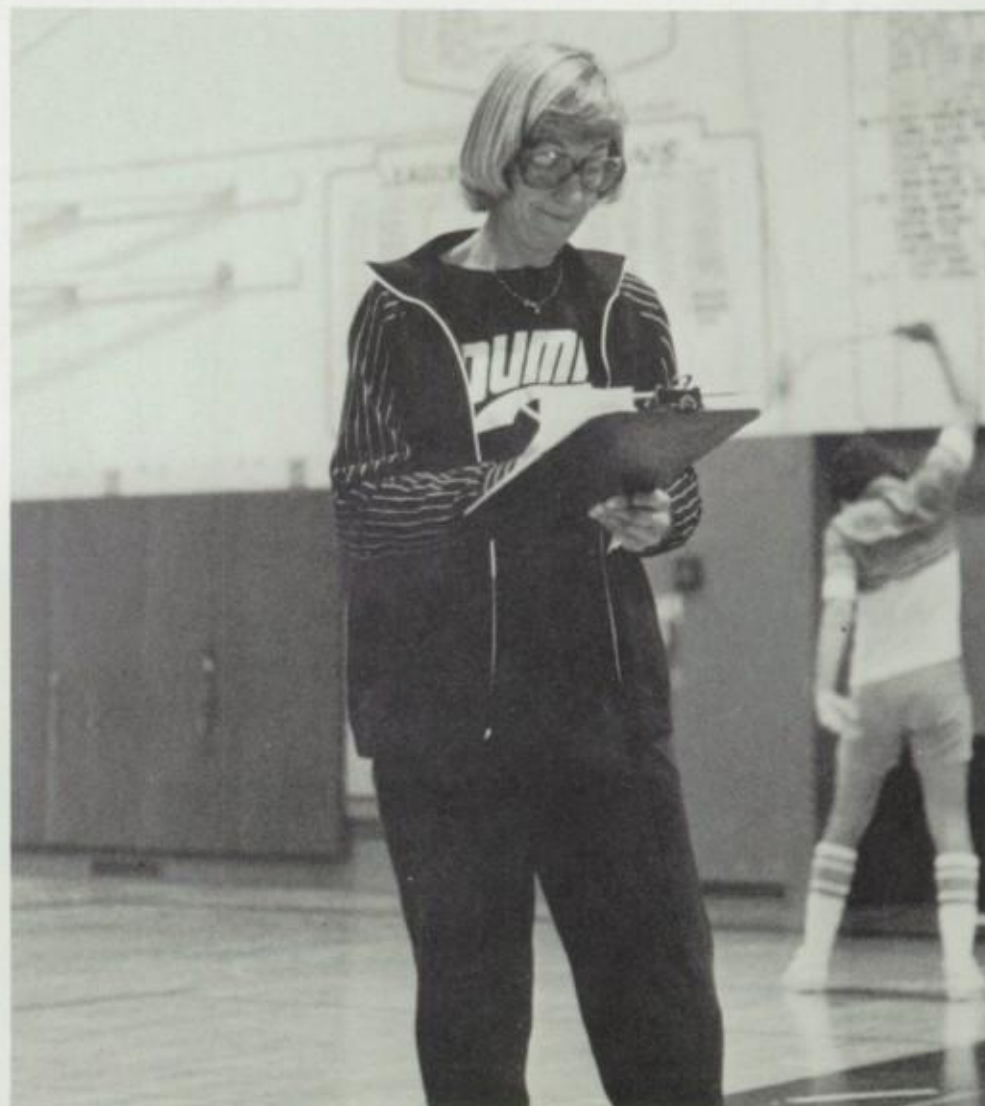

"Why didn't you suit up?" "Aim that arrow at the target, not at him!" "Don't forget to clean out your locker at least once a month." Are just some of the things one might hear during a typical P.E. class at North High. Course electives include archery, badminton, volleyball, and weight lifting among others. Electives are available to sophomores, juniors, and seniors while all freshmen are required to take physical education as part of their schedule. A 9th grader can expect to participate in touch football, softball, track and field and gymnastics along with other sports.

All students are encouraged to try out for a team and to get involved with sports. North offers physical education credit for athletics and students have the opportunity to compete in sports such as girls' and boys' basketball, football, girls' and boys' soccer, baseball, girls' and boys' track and field and gymnastics among a variety of others.

Allan Everly

Mr. Everly is involved in Weight Training and also teaches Physical Education.

Ms. Carolyn Filling, P.E. teacher and library aide

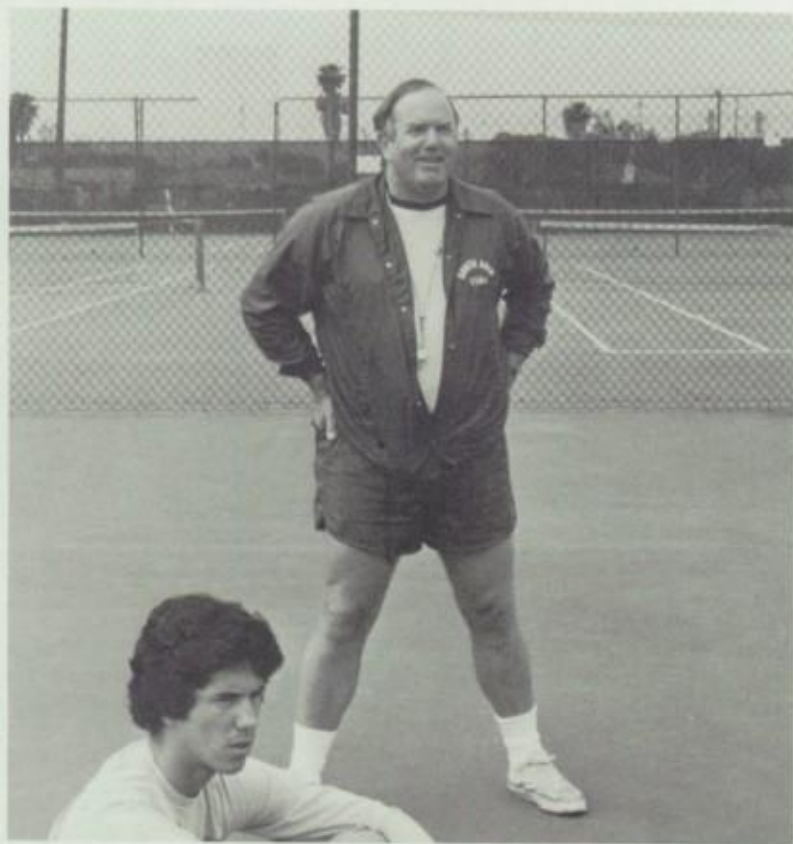

"What's a book? Everything or nothing. The eye that sees it is all."

Ralph Waldo Emerson

Mr. Stephen Schmitz

As coach of the Varsity football team, Mr. Schmitz conditions other athletes in his P.E. classes.

Mr. Robert Howard
Teaching freshman P.E., as well as Weight Training, keeps Mr. Howard busy.

Martha Dalton
Miss Dalton is the sponsor for the junior class and teaches Physical Education.

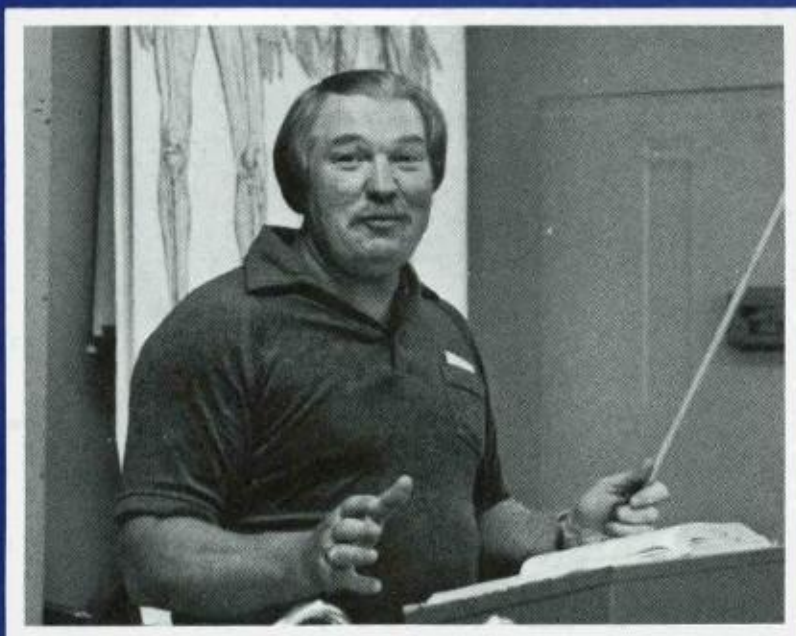

Mrs. Nancy DeLancey
"May the pathways of your lives be forever alight with truth, love and beauty."

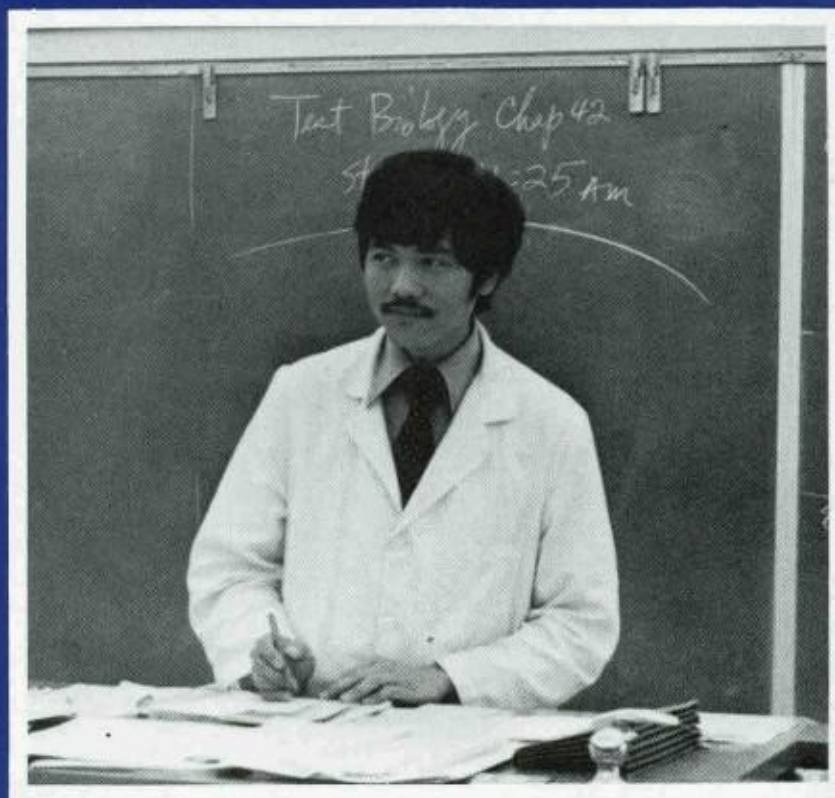

Mr. Don Kasten
*"Twenty years at North High,
 My oh my how time can fly,
 Each year goes faster but I don't care,
 I've got nothing to lose except more hair!"*

Science

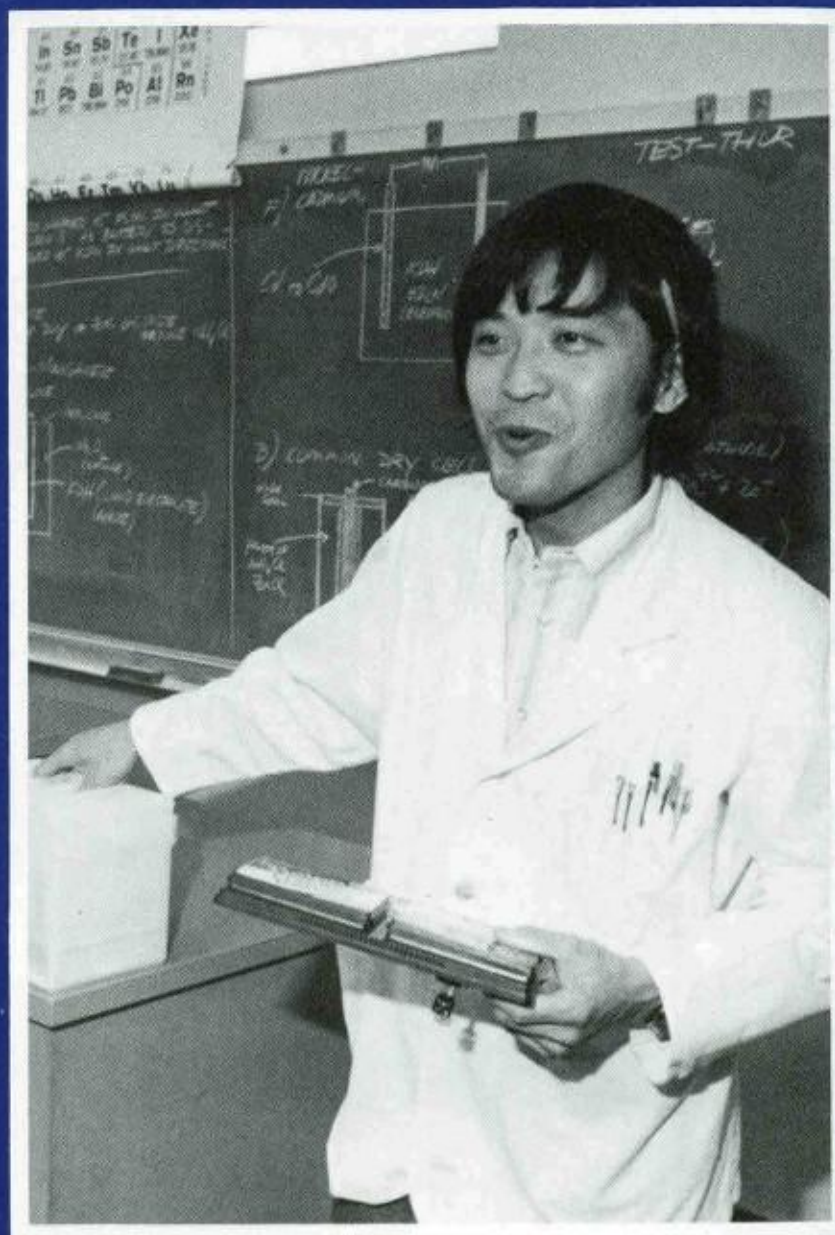

Mr. James Elsten
"A moment wasted is never regained."

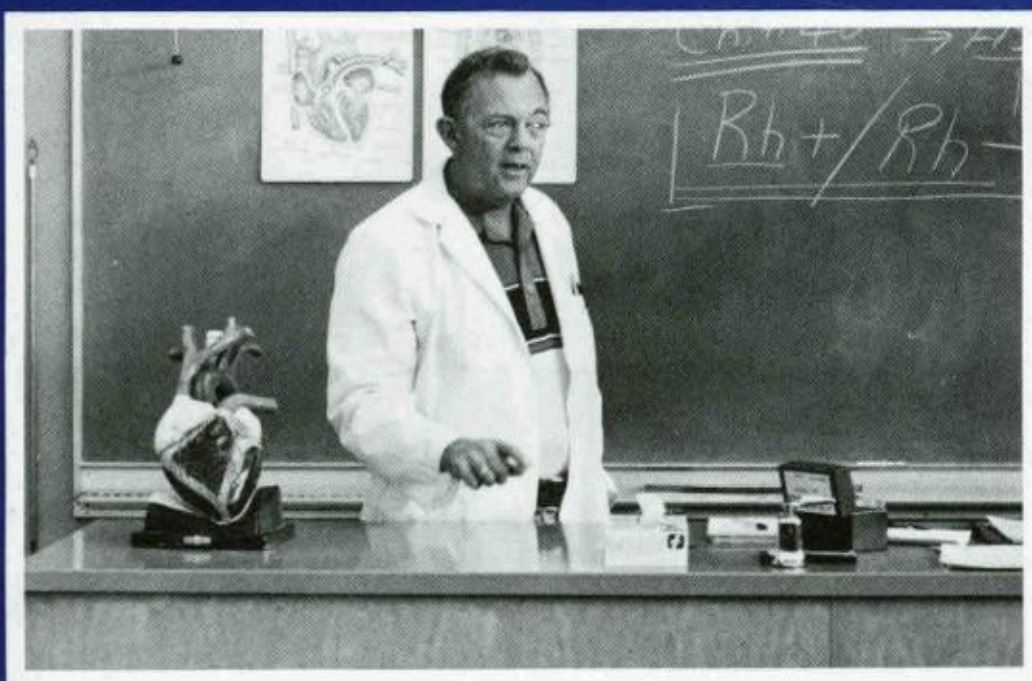

Mr. Henry Pang
"All of us should thank science for our comfort of today."

In this age of nuclear power science is becoming increasingly important, as is the need for an understanding by the average individual of the causes and effects of nuclear energy. North offers courses in Physics where the student can study nuclear physics. Other offerings include Chemistry, and Biology I and II. Courses which study the environment, its preservation and the principles of life and hereditary but which are basically simpler for the student include investigations in Physical Science, Life Science and Oceanography.

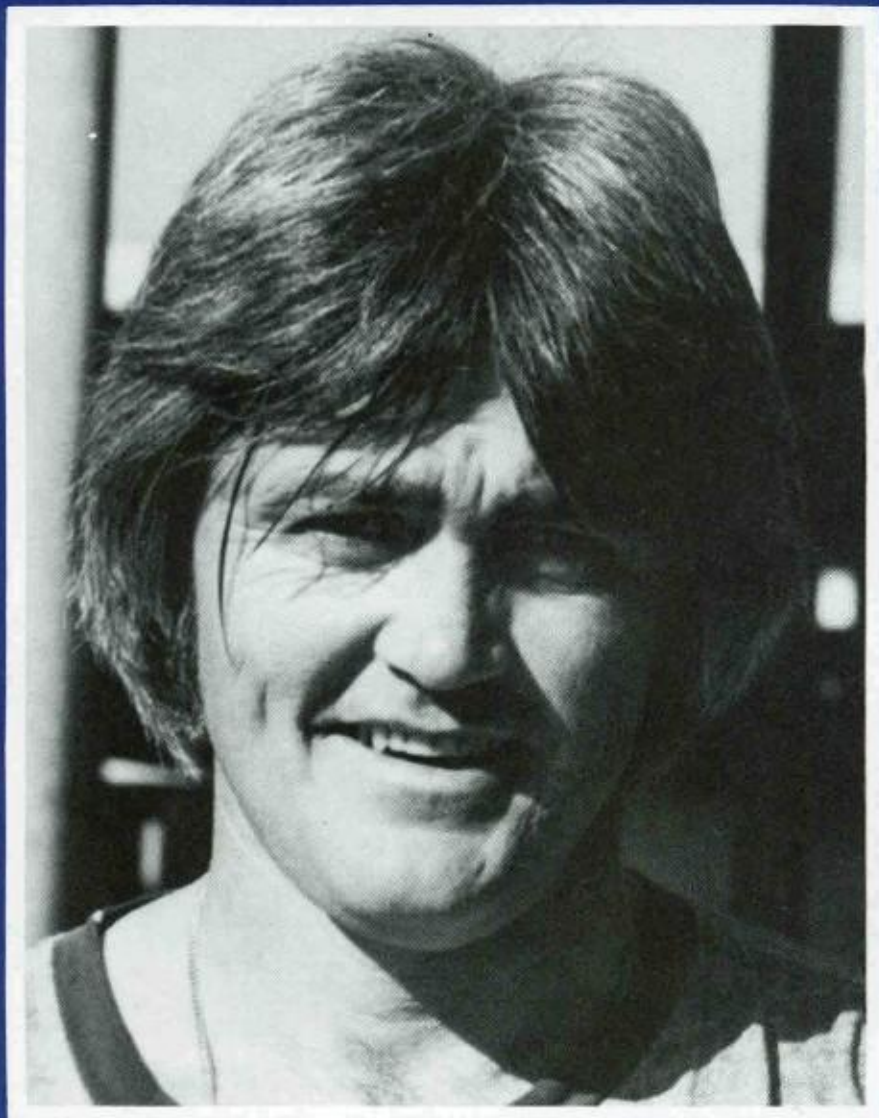

Mr. Glen Tanka
"The difficulty in science is often not so much how to make the discovery but rather to know that one has made it."

J.D. BernAI

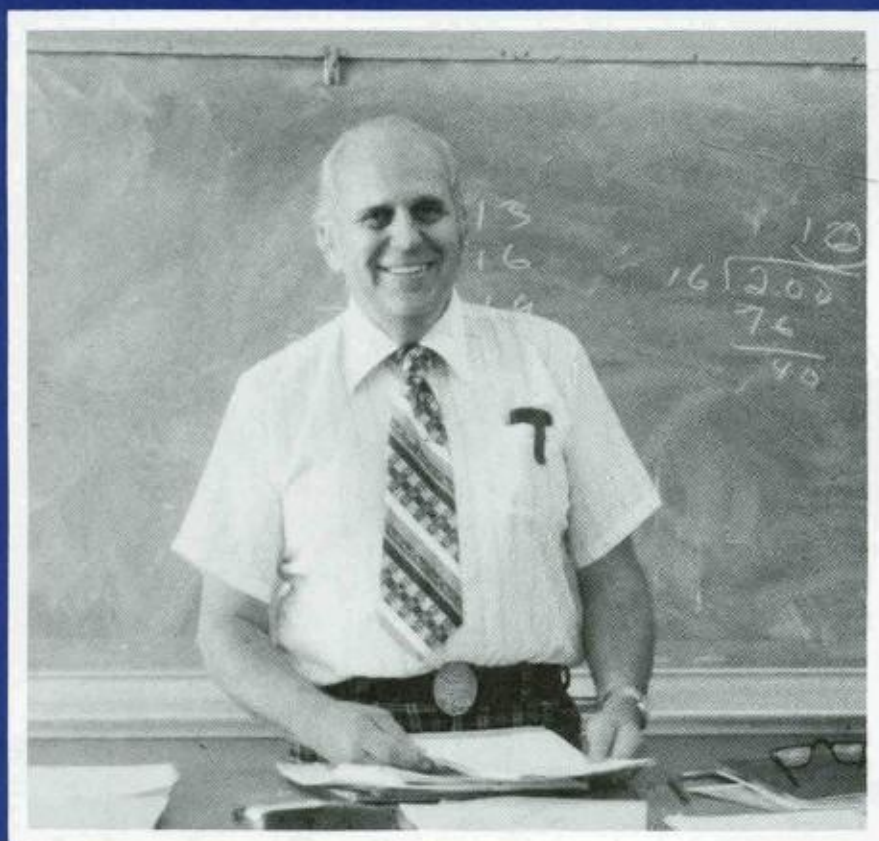

Mr. Edward Levy
"After 25 years of teaching here at North High, I am more convinced than ever; that a student's 'I will' is much more important than his or her 'I.Q.'"

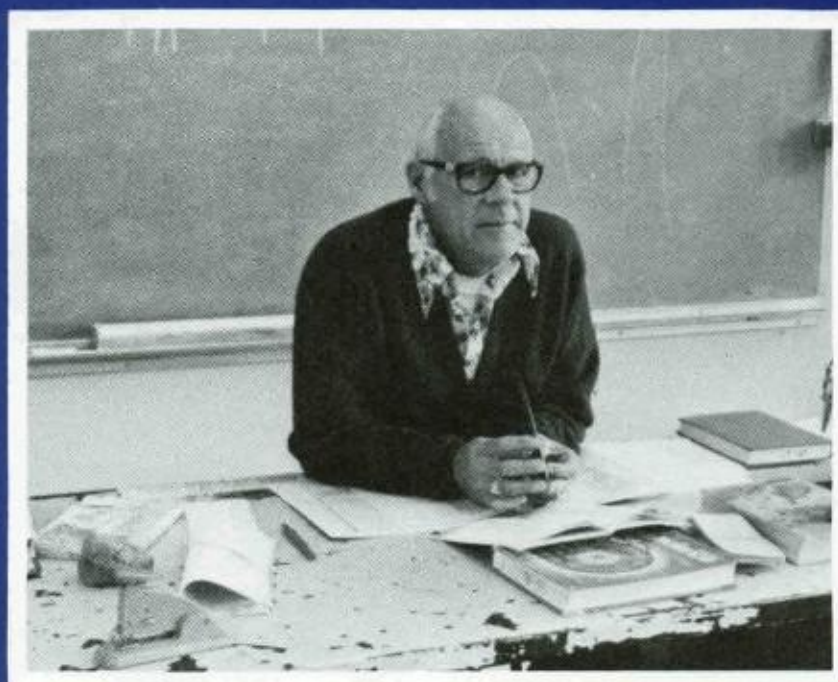

Mr. Richard Brooks

As well as teaching Life Science, Mr. Brooks teaches Physical Education.

Mr. John Nicks

Along with teaching Physics, Trigonometry and Algebra, Mr. Nicks finds time to sponsor the Astronomy club.

Mr. Robert Griffin

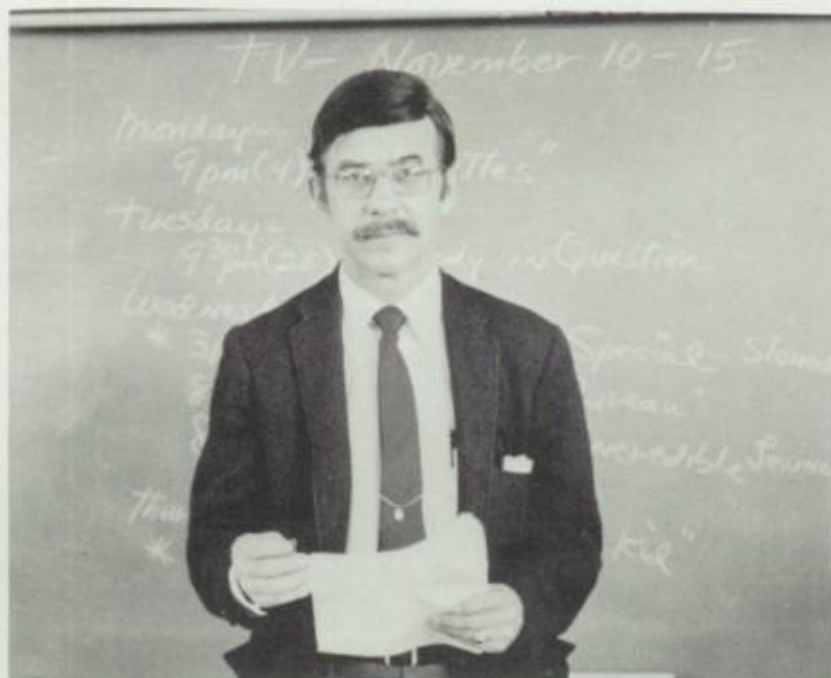

Not only a Science teacher, Mr. Griffin teaches Spanish as well.

Social Science

Studying United States History and Government is important in understanding the responsibilities of the American citizen. Participating in the democratic process is the obligation of all citizens and to fully respect the government on a local and federal level requires an understanding of the past and present ideals of democracy.

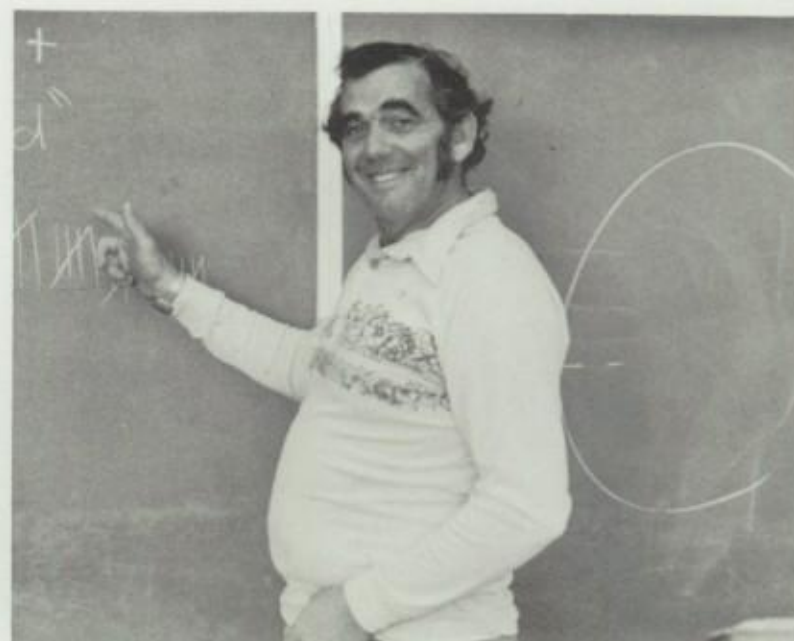

North's Social Science offers not only Government and History; but, Man in Time, Western Civilization, Frontier Challenge Impact, Women in U.S. History, Economics, and Law and the American Citizen also.

A special aspect of the Social Science department is the advanced placement credit given toward college with the passing of a special test. "I was really glad I passed the advanced placement because Social Science is my favorite subject. I really enjoy it a lot. I think we have some really good teachers here and I've been lucky to have some of the best." Susan Barsley remarked about her teachers and her success with the Advanced Placement program. Other tests are available in English, Science, Mathematics and Foreign Language.

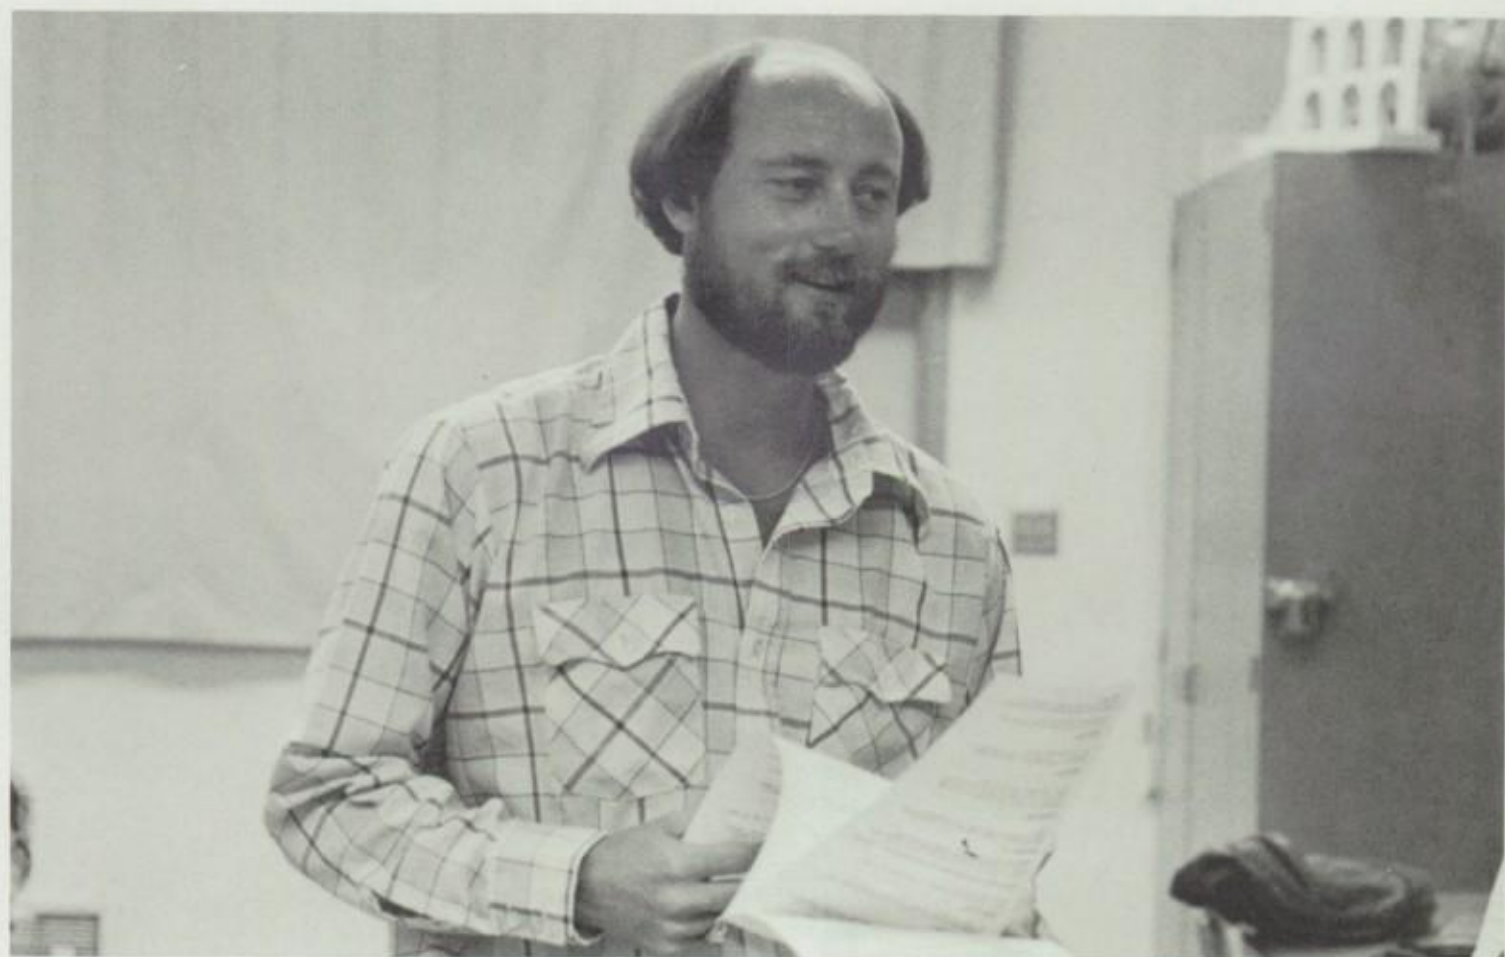

Mr. Warner Bergh

"Those who cannot remember the past are condemned to repeat it."

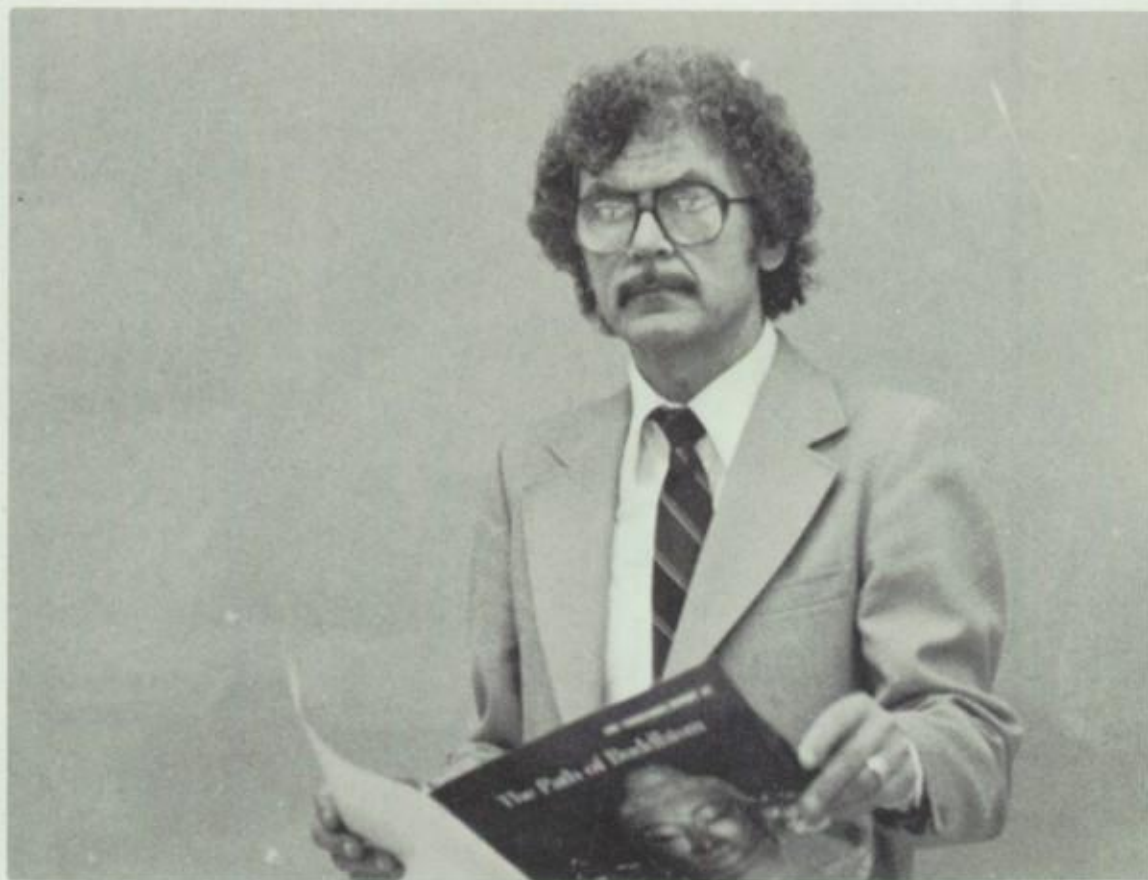

Mr. Douglas Mac Arthur

"'The bell's late.' In 4th period last year whenever anyone would say this I would make them stay five minutes longer—even if the bell was late!!"

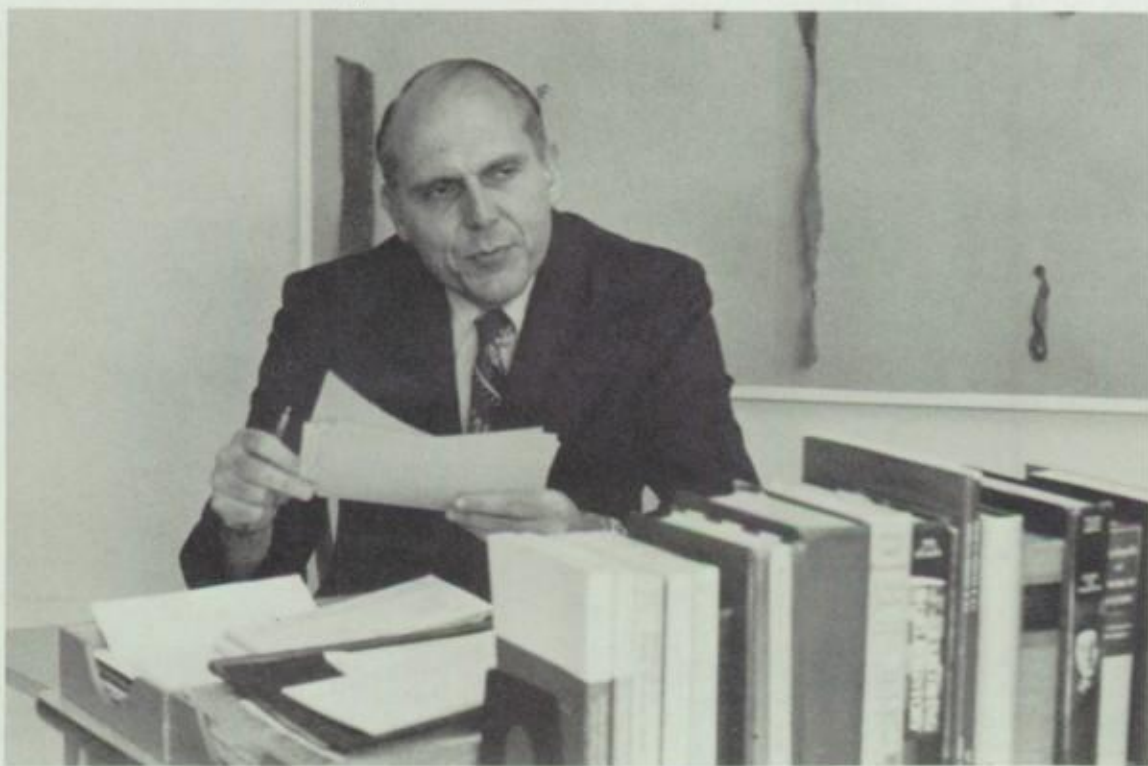

Mr. Michael Neily

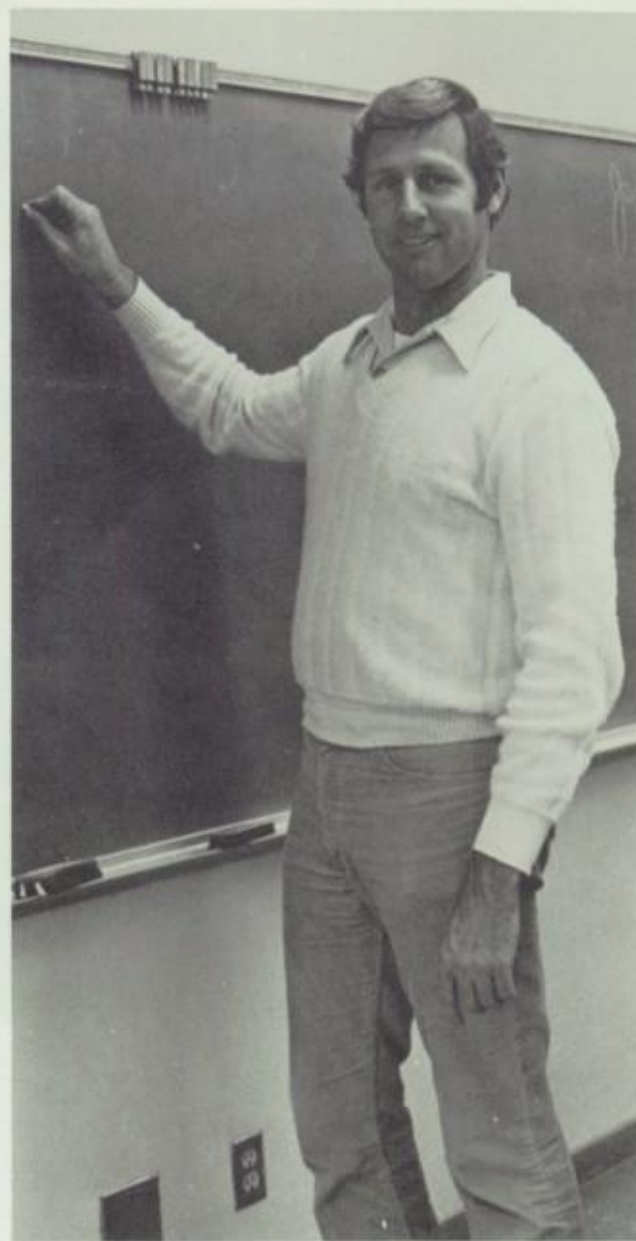

In addition to teaching Western Civilization, Mr. Neily coaches the baseball team.

Mr. Dean Malmo
*"The Ultimate History Test. Question: What would man do without history?
 Answer: Nothing!"*

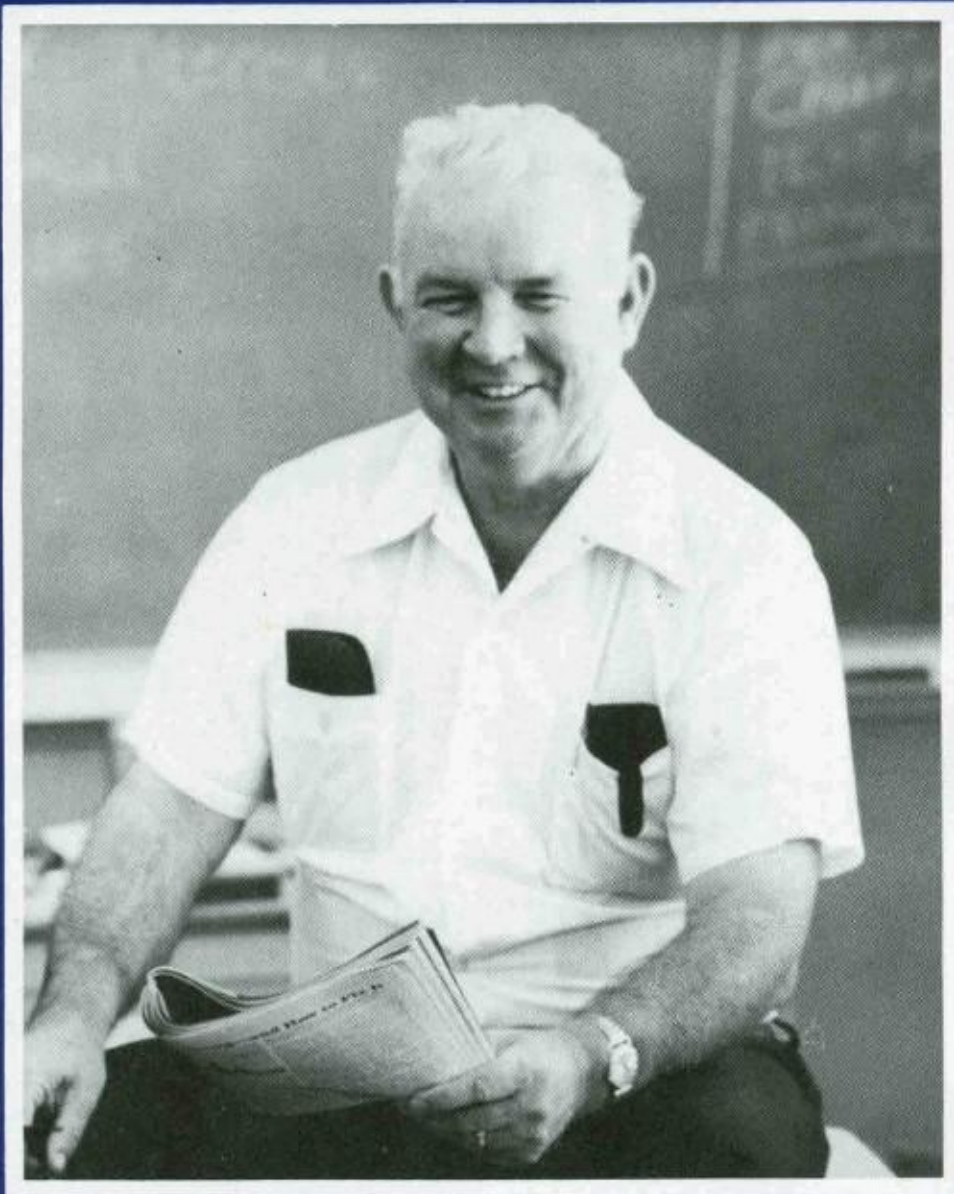

Mr. Wayne Bantan
With a special interest in Chess, Mr. Bantan, as Chess club sponsor, has regular chess matches.

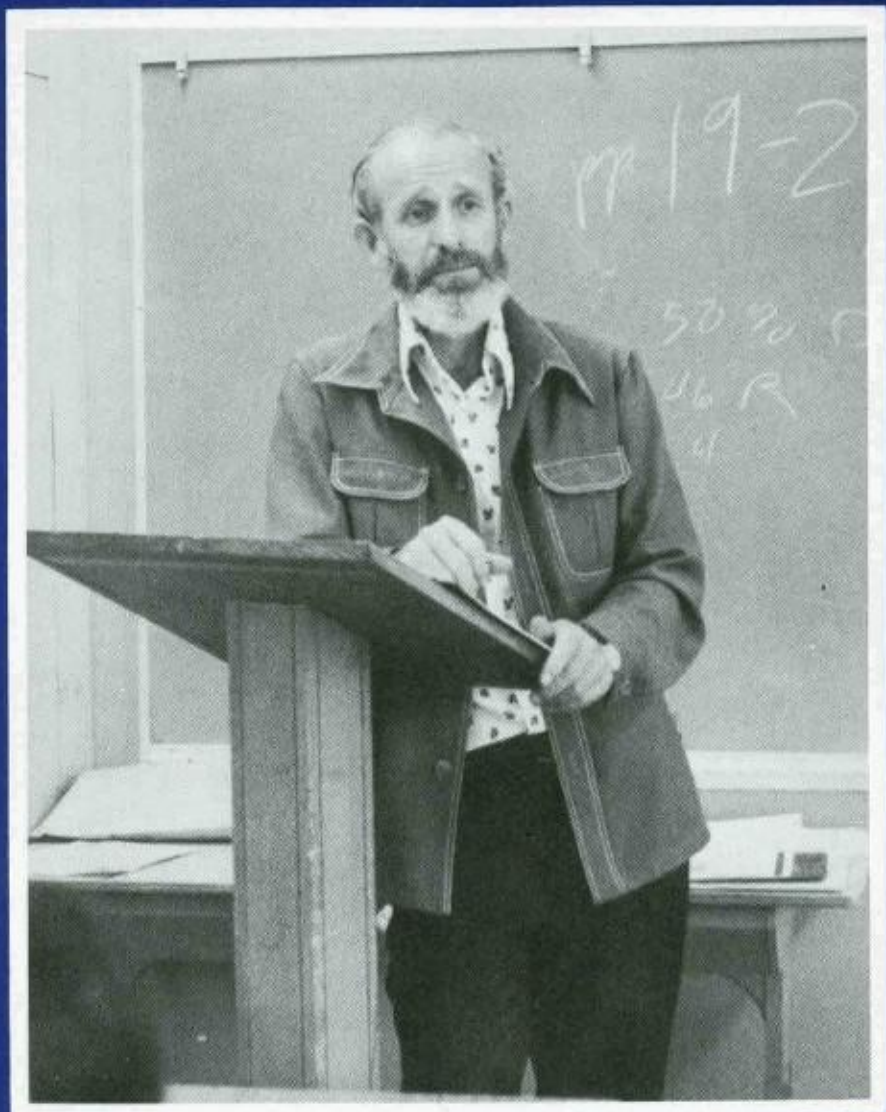

Mr. Ronald Dinnel
A new teacher this year, Mr. Dinnel enjoys teaching Western Civilization and Math Lab.

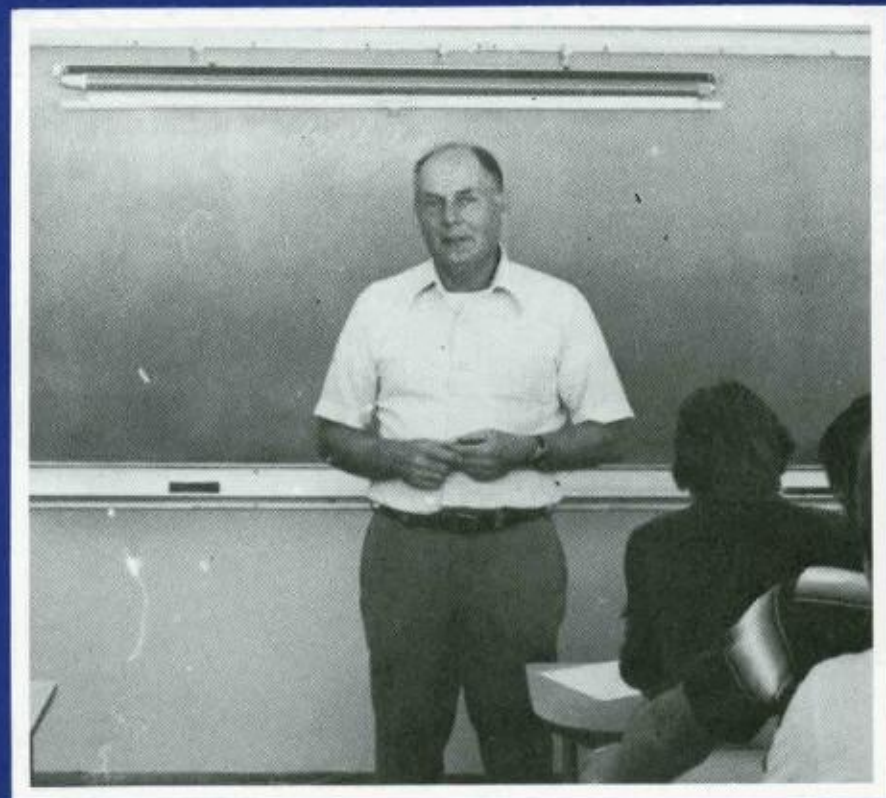

Mr. Dale Langley
Along with regular Government classes, Mr. Langley teaches the Honors class.

Mr. Chester Ray
Interested in Government, Mr. Ray sponsors the political Junior State club.

Max Kelly
Mr. Kelly teaches U.S. Government and sponsors the Backpacking club.

Mr. Ronald Thomas
Mr. Thomas specializes in U.S. History B.

Special Education

Ms. Joanne Lacertosa

"We often hear that when a person dies part of this person remains alive within us. 'Any man's death diminishes me, because I am involved in mankind; and therefore never send to know for whom the bell tolls; it tolls for thee.'"

Opportunity is the key word when one speaks of Special Education. All students deserve the chance to learn and function in a regular classroom, regardless of their handicap. More time is spent, and individual attention given, to each student in this program than a regular classroom. The courses offered are like those in the regular curriculum; for example, English, Reading, and Western Civilization are just a few.

Ms. Rona Harrell

Ms. Harrell specializes as a Visual Aide.

Ms. Myrna Spector

"Make the very most of your life. You only pass this way but once."

Ms. Phyllis Coe

"Just take one day at a time."

Mr. Stuart Kemplin

Mr. Kemplin is a teacher of Life Science, Directed Math, and English Reading in addition to Vocational Experience.

Mrs. Beverly Hazher

Mrs. Hazher teaches Vocational Experience, as well as English.

Mrs. Judy Hying

Mrs. Hying teaches a variety of History in addition to English.

Counseling Staff

Mr. John Myrick, Counselor

"Nothing comes easy. Any worthwhile goal will take a lot of effort to achieve. You only get out of life what you put into it."

Miss Judith Roos, Dean

Miss Roos is our beloved Dean of Students and enjoys photography in her spare time.

Mr. Daniel Falcon, Counselor

Mr. Falcon is a long time member of North's staff and a Counselor.

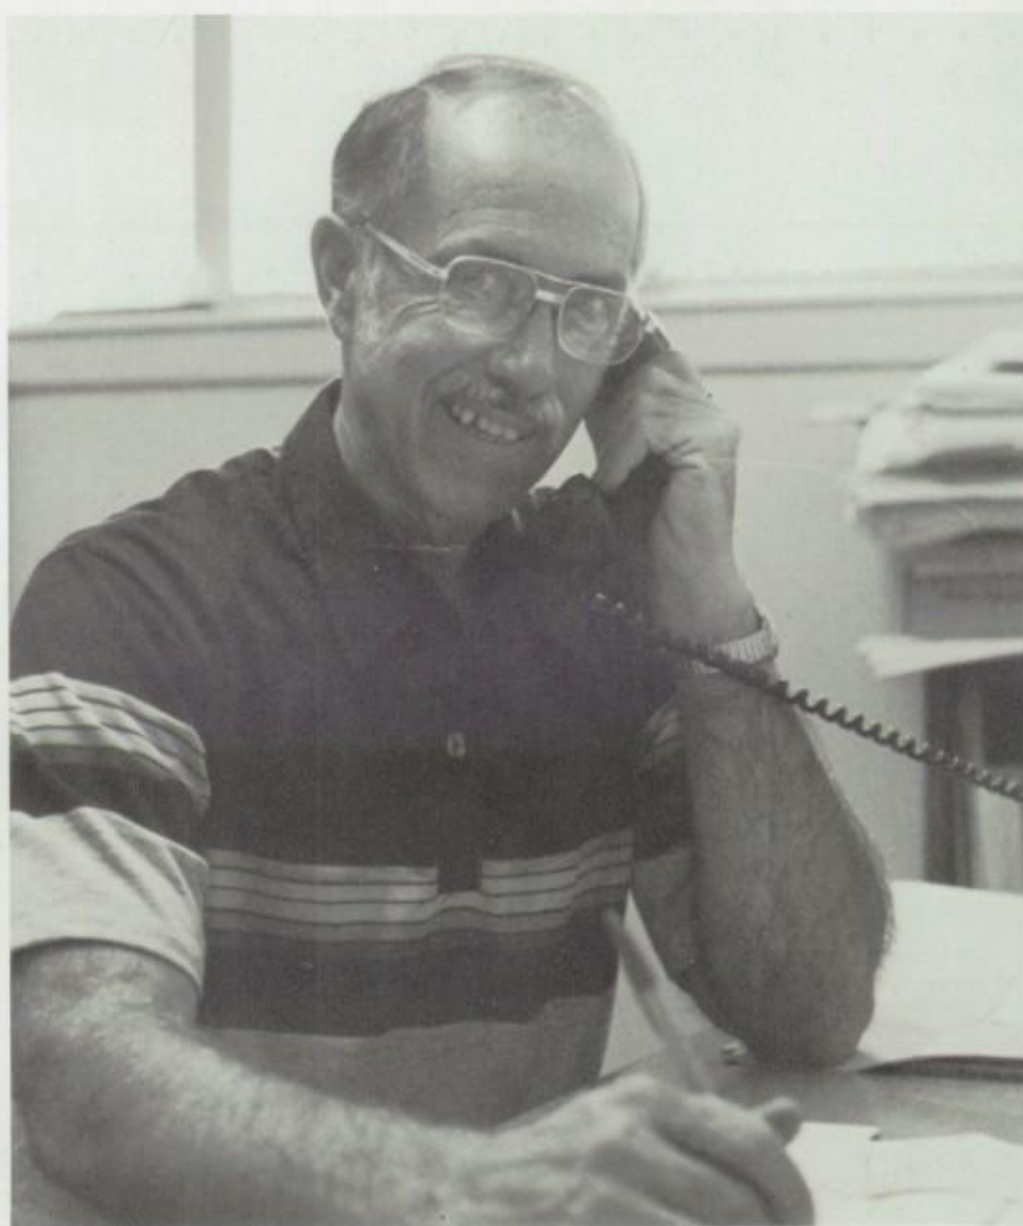

Aiding those students, the counselors helped change classes, make class schedules and assisted with personal problems when necessary. For graduating seniors who were going on to college choices and gave alternatives to various careers. Another aspect of the counseling staff is the Dean of Students, the main disciplinary force at North High. For the second year, Miss Judy Roos, is the dean and has been instrumental in making the image of North High a prideful one. Mr. William Haase is in charge of the Work Experience program where students earn credit while holding down a job for a required amount of hours. Together the counseling staff makes life a little easier for everyone and gives all students the opportunity to make changes enabling many productive years at North.

Mrs. Betty Hardesty, Counselor
"My philosophy is if there's a job to be done, just do it."

Miss Shirley Ellerman, Counselor
"The world is too much with us."

Mr. Ed Brown, Counselor
"Working with kids is youthful."

Supportive Personnel

Mrs. Doris Schier, Librarian

"There are thousands of books in the school library, but the one you want to read is always out."

Elva Tryon, Nurse

"Good health is our most important asset."

"Where is the vertical file?" "What is a card catalog?" "Ouch! Where is the nurse's office?" Are some of the cries of North High students when they need extra help when doing a report or when in pain. The two ladies they run to are the librarian, Mrs. Schier and the nurse, Mrs. Tyron. Always helpful and full of good advice, they are readily available for assistance.

"I really don't know how Mrs. Schier remembers where all those books are! I have a hard time returning all six of my books at the end of the year," commented a student who, understandably, asked not to be identified.

The most relied upon individuals in the front office are the secretaries. With cheery, helpful smiles, they aid and take care of the business of the administrators, counselors and other top officials. Typing is only the beginning of their jobs; keeping files and order in such an important position are other aspects of this neverending responsibility.

Cafeteria Staff

Ever stop to think why the school lunches are so yummy? Or why the quad is so clean after the troops have been there for lunch? The answers to these questions are because of the conscientious work of the cafeteria and custodial workers.

Always keeping the school grounds clean and maintaining the standards of North High is the job of the head custodian, Evelyn Turley, who has worked here since leaving West.

Making breakfast and lunch for hundreds of students is the large task of Mrs. Jean Jenkins and her staff. Sometimes joked about in a good-natured way, the food at North is the best—a fact proven everyday by the mad dash for the cafeteria.

PTA

"It's super to work with a great group of people; we were so proud of North at the Council meeting, when we were congratulated for being number one in memberships, we really tromped the other schools!" PTA president Joyce Francis exclaimed about the successful membership drive held at the beginning of the school year.

Working and selling concessions at the football games, putting out a newsletter, helping with scheduling, holding a freshmen mothers' tea and throwing an All Night Grad Party for seniors at the end of the year, the PTA proved to be a helpful and valuable organization at North. As Ways and Means chairman, Lois Hargrove stated, "Team spirit really showed at the concession stand during the football season. We all like to work at projects to make money for the PTA and our school."

Busy members make the P.T.A. work.

Torrance Board of Education with President Dr. McLemore.

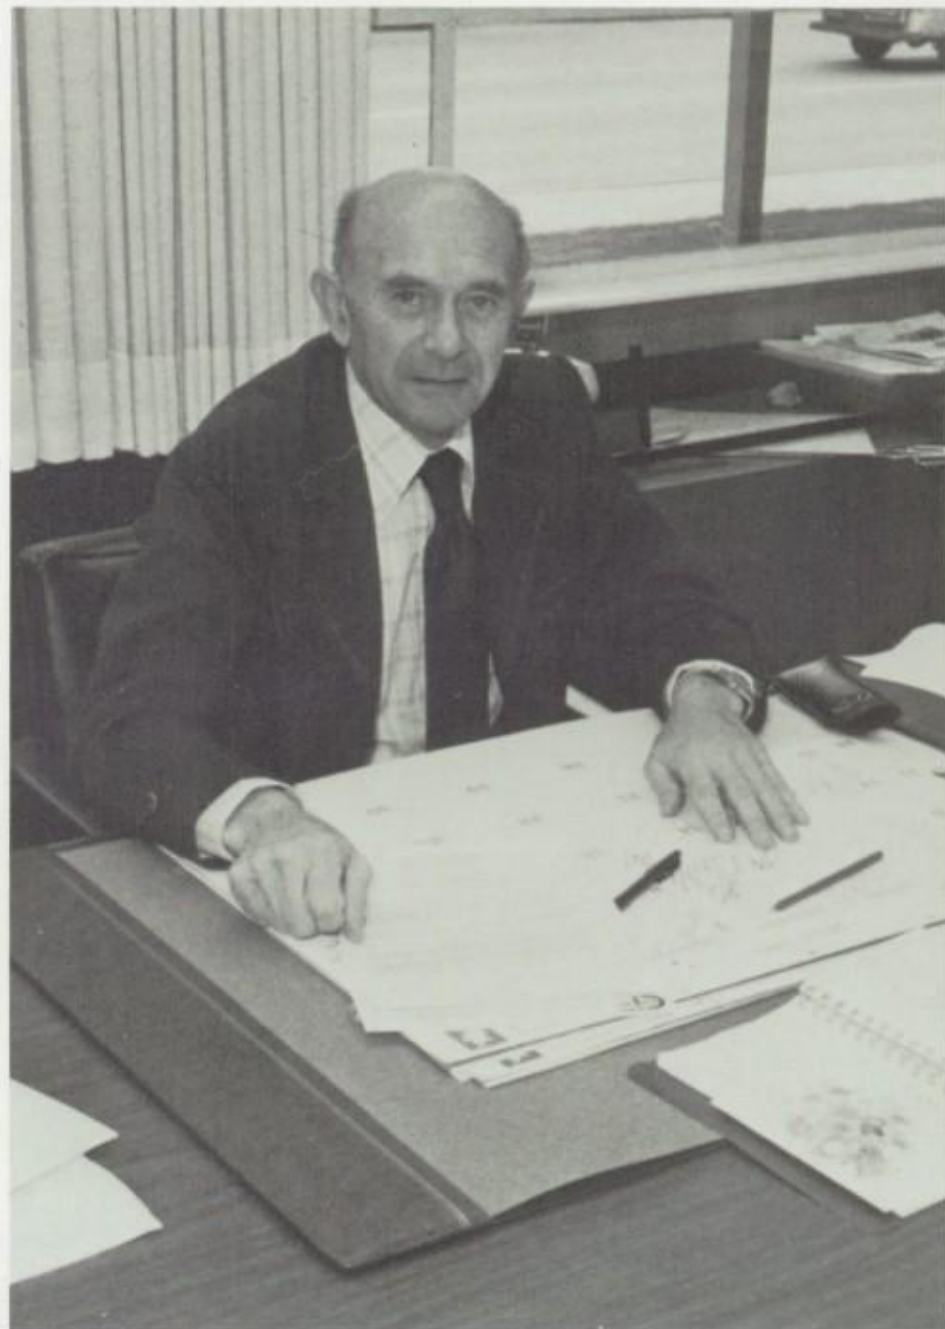

Forever Grateful Thank You Mr. Lifton

"I have never experienced a day when I didn't want to come to North High, especially working with the faculty and the outstanding student body. My best times were when I observed classes and actually saw the teachers and students in action." Principal Leonard Lifton reflected about his past twenty years at Nort.

In 1955 Mr. Lifton came to North as the boys' advisor, but left the next year to go to Torrance High as the assistant principal. In 1962 he returned to North as our assistant principal until he became principal in 1970.

As principal, Mr. Lifton kept the lines of communication open with students by regularly holding a Principal's Forum. By inviting parents to visit classrooms, Mr. Lifton kept the parents in touch as well. Along with creating an educationally cooperative atmosphere inside the classroom, Mr. Lifton fought for funds for the renovation project to update the school facilities.

Mr. Lifton retires after 33 years in education, but leaves traditions of excellence for his successor. Thank you, Mr. Lifton, for many fine years.

Mr. Leonard Lifton, North High's principal for eleven years.

Mr. Lifton and fellow administrators go over renovation plans.

Horseshoe pitching is Mr. Lifton's hobby.

Special thanks to:

Mr. Bill Belcher, *Van Doren Representative, Vans Shoes, Torrance Vans Store*

All the coaches for their cooperation in supplying us with information.

All the teachers of yearbook students who allowed staff members to get out of class to work on the book.

All photography students who willingly contributed to the making of the yearbook.

Elvin
A real nice person
I met at North. Have
a nice summer and watch
out for the guys. 5k. Hope to
see you sometime next year.

Elvin
I really enjoyed being in
the same class even though
we drove each other crazy!
You really are going to be
a great cook. I hope you have
a fantastic summer. Stay
sweet! Call me sometime this
summer so that we can get
together! You really are a
sweet person!
your friend
always
